History of

# WILKESBORO BAPTIST CHURCH
## *UPDATED 2002*

The history of Wilkesboro Baptist Church was printed in the annual minutes of the Brushy Mountain Baptist Association in 1992.

The church has grown both spiritually and numerically. Rev. Alfred E. Andrews, Jr. continues as Pastor and has completed 29 years in God's service at this church. Rev. Roy Dobyns, who came to the church as Minister of Youth and Education continues in this position and is also the Associate Pastor. In addition, the church has added two other fulltime ministers. In 1993, the church called Morris Driggers, Jr. as the first full-time Minister of Music. He served faithfully until his resignation in July 2000. In April 2001, the church called Michael Norman to this position and has been blessed with his faith and dedication as Minister of Music. In addition to these staff members, the church saw the need for a full-time Minister of Children and Education and January 2001, the church called Miss Patricia Turner to this position. She assumed her duties in April 2001 and the church has been blessed with this excellent staff and their faithful leadership.

During the late 1980's the church completed two large building projects, a new education building with a larger and modern kitchen facilities and renovation of the old fellowship hall into new Sunday School classrooms, plus a new choir room and other improvements at a cost of $2,256,602.41. The church borrowed money to pay for this large project and the debt was paid in full in January 1997 with a note burning held February 23, 1997. The church is pleased with the fact that during these years of debt and payment, the budget increased each year and mission gifts continued to grow at the rate of 15 percent of the total budget each year. During these eleven years of indebtedness, the church grew as follows: (1) A second Sunday Morning Worship service was added, (2) A full time Minister of Music and Children was added to the church staff, (3) A computer system was installed for the church staff, (4) The church added a television ministry and expanded radio ministry, (5) Church membership increased from 900 to over 1100, (6) The church budget increased from $270,000 to over $585,000, and (7) The Wednesday Family Night attendance increased from 145 to over 245.

The church continued to grow and saw the need for additional Sunday School rooms. In December 1999, the church voted to build a new three-story Education Building with an elevator, a new larger church parlor, an enclosed walkway from the parking lot with a portico, plus complete renovation of the old nursery at an estimated cost of $3,000,000. Building and Finance Committees were elected, began work, and in April 2000, the church voted to begin construction when at least $1,500,000 was raised in cash or pledges over a three-year period. The church adopted a "Together We Build" campaign that climaxed October 8, 2000, with a "Celebration Day" when it was announced that $1,904,963.88 had been raised or pledged. The building contract was let to J. R. Vannoy & Sons November 5, 2000. The construction was completed in the spring of 2002 and a Dedication Ceremony was held May 2002.

The church has been actively engaged in mission work during the past ten years. The Youth of the church continue their summer mission trips and have ministered during these years in Boston, MA; Lakeland, FL; Ocean City, MD; Brooklyn, NY; Memphis, TN; Atlanta, GA; Puerto Rico; New Orleans, LA; Anadarko, OK; and Scarborough, ME. The church is proud that the Youth, under the leadership of Rev. Roy Dobyns, were selected from more that 200 groups to participate in the "More than God" witnessing campaign sponsored by the Southern Baptist at the 1996 Summer Olympic Games in Atlanta, Georgia. The Youth have developed a puppet and clown ministry they use for

witnessing on mission trips and at other services in this church, plus other occasions at various meetings in this area.

The Adults of the church have also been actively engaged in mission work. During the past four years an Adult mission team, including the Pastor, Rev. Alfred E. Andrews, Jr. who has gone on two of the four trips, has gone to Romania to work under the direction of Rev. Brian Tyndall and his wife, Carla Pardue Tyndall, who are full-time missionaries and are partly supported by our church. In the summers of 2001 and 2002, mission teams have gone to Mikiski, Alaska to work with the Pastor, Rev. Denver Copeland, and other church members in building additions to the North Kenai Baptist Church. During the past summer they assisted in the construction of a church parsonage. The Adults of the church have also been very active in mission work in Eastern North Carolina assisting in rebuilding as the result of damages caused by Hurricane Floyd in the fall of 1999. During the winter months of 2000, five different teams of adults went to Pactolis, North Carolina, each team working one-half week to repair the inside of a residence that was heavily damaged by the hurricane. Later that year, four separate teams went to Grifton, North Carolina, again a half-week at a time to repair a mobile home that had been severely damaged. The church helped finance the materials use din these two repairs. The Youth of the church also made a trip to Eastern North Carolina during this time to assist in the cleanup. The Baptist Men's organization in the church has formed a Handyman Ministry and has been averaging 4-6 projects each year in various sections of Wilkes County, making home repairs and additions to dwellings for those in need and unable to pay for these improvements. In addition to these mission teams, other members of the church have gone to foreign countries in mission efforts. This includes visits to South Africa, Guatemala, Honduras, Thailand, China, Brazil, and Romania. The church continues regular mission trips to the Graffiti House in New York City, including a trip by college students in July 2002. The church is pleased to offer the following ministries: a Hispanic Ministry assisting in learning the English language; a ministry for Solo's (with members from different churches); a ministry for the hearing impaired; a ministry for Singles Again; a ministry for retirees and seniors call Prime Timers; a Homebound Ministry; and a ladies' weekly morning Bible Study.

The total church membership as of July 1, 2002 was 1207. the Sunday School enrollment for the first six months of the 2001-2002 church year was 746 with an average attendance of 432.

Rev. Jeff Kilby, pastor Hinshaw Baptist Church introduced the guest speaker; Dr. Bill Stillerman with Baptist Retirement Homes who expressed appreciation for all the support to the retirement home. There are approximately 600 residents at the present time with an expected 750 by this time next year of which about fifty (50%) who have none of lives resources. The retirement home is open to all churches that would like to have someone from the Baptist Retirement Home speak at their church.

Dr. Stillerman emphasized two very important points of the retirement home; first that the home is based on the gospel of the good news of Jesus Christ, this brings the older persons back to a quality of life with dignity. And secondly, provide the care God desires for the older adults with an environment that offers not only quality care but also love providing the residents with a sense of pride in themselves.

Those in attendance for the Associational Council Meeting held February 11, 2002, beginning at 7:00 p.m., at the Associational Office were: Rev. Rev. Horton discussed the possibility of assisting Miss Monica Chapman, daughter of Rev. Dennis Chapman with her studies at Gardner-Webb College. The money would be taken from an undesignated fund within the Association and would be forwarded direct to Gardner-Webb. Should Miss Chapman not need the money, it would then be placed in a mission fund at Gardner-Webb to assist another student or if no one had the need for assistance, the money would go toward next year's needs of a student. Motion was made by Harold Bass, seconded by James Carson, and approved to forward the amount of $200.00 to Gardner-Webb designated for defrayment of costs for Miss Chapman.

A list of Associational Events through April 28th was presented for information.

Rev. Horton mentioned an additional prayer request stating that there are, at the present time, five churches without pastors and a sixth will have a pastoral vacancy in the very near future. Those churches needing our prayers are Zion Hill, Elk, Little Rock, Walnut Grove, Oak Grove (Millers Creek) and Welcome Home.

The North American Mission Board has suggested the Association explore the possibilities of starting one new church in the next four years. The formation of a new church could be anywhere in the world. Rev. Horton shared the information of three different churches requesting admission into the Brushy Mountain Association within the past thirty days.

The Association is in the process of building a database of person(s) who have various skills and would be willing to give of their time (if needed). Request forms were provided to all the clerks in the Association to present to the members of their respective churches.

The prayer petitions will be collected and will be on display in a prayer chain at the November Baptist State Convention in Winston-Salem.

Churches were asked to promote the Baptist Children's Homes of North Carolina's Thanksgiving Offering in November. A suggested way would be to collect a *mile of pennies*. This promotion could be used by the entire church, mission groups, etc. Mrs. Linda Bentley is the Brushy Mountain Associational representative to Baptist Children's Home.

Rev. Lawson Horton introduced the officers of the Association. The offices of Moderator, Vice-Moderator, Clerk and Treasurer are elected in October with all other offices being elected in April.

(2) In April, the Iglesia Baptist LaRoca Church was placed under the watch care of the Association. (3) Rev. Horton expressed his prayerful concerns of establishing a ministry to assist families in crisis to help meet their material, emotional and spiritual needs, relieving individual churches of the burden of meeting these needs solely on their own.(4) There have been 11 churches as of this date to respond to the participation in Mission Celebration. (5) September 8-15, 2002 is the week of prayer for State Missions. Ten percent of the monies contributed by the Brushy Mountain Association to the State Missions is returned to the Association. Mr. Harold Bass, prior to the congregation singing "Battle Hymn of the Republic", gave a brief oration on the *Battle of Gettysburg*.

Mr. Bass introduced Ms. Becky Robinson who sang a medley of patriotic songs accompanied on the piano by Ms. Rhetta Christmas.

The guest speaker for the evening was Capt. Mark Eller of the U.S. Army Reserves who spoke on the Biblical role and purposes of the military and on the 6th Commandment. Capt. Eller stated that the enemy that scares him most is peoples lack of service to God. Capt. Eller works with Samitians Purse in the middle and southeast Asia on week-end and during the week his job is on intelligence strategies to defeat the enemy for the middle east. Capt. Eller read from Romans 13: 1-5 and Hebrews.

Mr. Harold Bass expressed his appreciation to Mrs. Kay Sebastian for helping him coordinate the events for the meeting.

The congregation, joining hands, sang "America", followed by Rev. David Sparks dismissing the meeting in prayer. Adjournment at 8:23 p.m.

**PROCEEDINGS**
**OF THE**
**ASSOCIATIONAL COUNCIL MEETING**
**July 29, 2002**

The Associational Council met on July 29, 2002 at the Brushy Mountain Associational Office with Mr. Harold Bass, Mr. Charles Billings, Mrs. Lib Billings, Mr. Raymond Blevins, Mr. James Carson, Mr. Wade Collins, Rev. Lawson Horton, Rev. Lynn Lambert, Ms. Eileen McNeil, Mrs. Diane Shaw, Rev. Tim Shaw, Mrs. Kim Walker and Mr. Richard Whittington in attendance.

Rev. Lawson Horton called for special prayer request. Among the requests were those for pastor search committees, and persons in the community and church who are sick. Rev. Lynn Lambert led in opening prayer with the following reports being presented.

Mr. Richard Whittington reporting on the discipleship course, 7 Laws of a Learner, to be taught August 9-10 at Millers Creek Baptist Church.

Mr. Harold Bass is investigating the possibility of having the North Carolina Baptist Singers come to the Walker Center in 2003 or if their schedule doesn't permit in 2003, the possibility of having them in 2004. The rental of the Walker Center would be the only charge involved.

Mr. James Carson reported on the School of Christian Study that had an average of 9 per class with 3 having completed the entire study.

Mr. Wade Collins reported on the "Late Night" program planned for August 2,2002 as a forerunner for the Back To School Bash.

Several other announcements and/or events mentioned were:

Missions Volunteer Banquet to be held November 16, 2002
Associational Wide Training and Annual Celebration
Baptist Men Training
Stewardship programs.

Rev. Horton encouraged the participation in the publication of news of the churches. Any church wishing to have an article in the Newsletter should have the materials in to the Associational office by the 10th of every month.

Calendar dates and events for the year 2002-2003 were reviewed.

Rev. Horton discussed the possibility of a new ministry that would provide a method of meeting the physical, material and spiritual needs of the economically poor, and eliminating much of the involvement by the church, unless it is desired. Stating that much research has already been done, and he is continuing to search into the establishment of this new ministry, Rev. Horton stated that a CCM Director (Church and Communities Director) should be hired to assist the churches, not only with this mission but to make the church aware of various other ministries available. This would be a salaried individual who would be required to work a certain amount of hours each week.

Discussion was held regarding the possible establishment of a building/mission fund and approaching individuals who had funds needing to be placed and inquiring if they desired to contribute to the building and/or mission funds. This would be a tax deduction for those desiring to do so. It was decided that the fund should be specific, i.e. building or mission. The building fund would be for the new Associational Office to be constructed. The building committee will begin putting information together.

Meeting adjourned at 8:37 p.m.

Eileen McNeil, Clerk

**Associational Missionary's Report** - Rev. Lawson D. Horton, Jr. relinquished his time to Rev. Ken Pardue, Pastor of Stony Hill Baptist Church in Parsonsville. Rev. Pardue began by saying that he could only relate the fire that destroyed Stony Hill Baptist Church to the equivalency of death; however, he was not a downtrodden individual but a very grateful individual for the church, the sister churches who have offered their help, for the many prayers, words of inspiration, prayers of supplication, monetary contributions, etc. Rev. Pardue stated that all monetary donations were being placed in a special fund to help toward rebuilding the church facility. The congregation is presently meeting in the West Wilkes High School cafeteria for worship services and utilizing the classrooms for Sunday School. Rev. Pardue stated that he arrived the night of the fire to find the church totally engulfed in flames and memories came rushing over him, realizing that the building was gone but the "church" was still there. After all, the church is the followers of Christ; the building of believers. The attendance has grown since the devastation of that night and Rev. Pardue reiterated that the church is still there; only the building is gone. Rev. Pardue concluded by reading from Acts, chapter 2, verse 47. Rev. Lawson Horton stated that the churches in the Association, and others who wish to, would be given a special opportunity to assist Stony Hill with their rebuilding. Rev. Horton challenged each church and encouraged each one to set aside, from' this meeting through the next annual meeting, monetarily, to aid and assist Stony Hill in their rebuilding. Rev. Lawson Horton offered the Benediction and blessing prior to being dismissed for the evening meal.

The meeting was called to order at 7:00 p.m. by Rev. David Sparks, moderator who read from Revelations, chapter 7, verse 5 followed by the congregation singing "Let Others See Jesus in You."

The group "Heavenly Echoes" from Hinshaw Street Baptist Church was introduced by Mr. Harold Bass, and sang several songs concluding with "One Hope" joining them for a final song.

The annual sermon was brought by Rev. Jeff Gibby, pastor of Hinshaw Baptist Church. Rev. Gibby based his sermon on Psalms, chapter 4, verse 7 and how we should pause and think on His word. Benediction was offered and everyone joined hands in singing the departing hymn.

Adjournment was at 8:06 p.m.

Combined with the afternoon session, there were a total of 32 churches, 125 members, 55 guests and 4 officers represented at the 131st Annual meeting.

The "Emergency Fund" would allow these teams to be sent without having to wait for fund approval by the association in session.

## ASSOCIATIONAL MISSIONARY REPORT

Having completed ten years of service among the churches of the Brushy Mountain Baptist Association, I consider myself the most blest person in Christian ministry. I have had the great privilege of ministering to Pastors, church staff, and lay people in our churches. I have listened to the concerns of people and upon request I have sought to give wise counsel. Since the last annual associational meeting held in October 2001, I have visited at least once in all of our churches and several times in some because of a special invitation or need. I spoke at least 18 times in our churches, preached in four revivals (two outside the association), and occupied the pulpit on two occasions on Sunday in churches outside the association. Normally, I visit each of our churches at least twice during the year, but this was not possible because of the number of preaching opportunities offered me due to pastoral transitions. I have participated in numerous meetings and activities related to my minister that I felt would be of help to the community and our association.

I have met and discussed membership in our association with five new congregations. One of these will be recommended for watchcare during this annual meeting. Three others are making preparation to request membership soon. It has been our privilege to receive Iglesia Bautista Hispana LaRoca under "Watchcare" in April of this year.

I have temporarily outlined the steps I want to take in leading our association to evangelize and disciple the people in Wilkes County during the next ten years. With your help, coupled with the Lord's will, I feel these steps can be taken. Here are the measures I would like to take, but not necessarily in the order they will be listed.

An effort is being made to begin a new ministry to assist the poor. After careful research, I have discovered that a new ministry is essential to meet the growing population of the indigent in Wilkes County. The response of our churches will determine if this care agency is launched.

I would like to see us have two "On Mission" Celebrations (World Missions Conferences) in the next ten years. One is tentatively scheduled for March 2004; the other could be scheduled around 2008. These two events will be used to educate and challenge our people to become involved in World Missions.

I want to lead us to do some revisioning and strategizing for the purpose of setting some achievable goals for the future. When this process is completed, we may have to streamline the organization of the association to be more efficient in doing missions and ministry in the 21st century. It may require the beginning of new and different ministries to reach unique people groups.

An attempt will be made during this time to evangelize the entire county with the aid of modern technology using the ***Jesus*** video. We will seek to involve other associations in accomplishing this task.

Finally, I would like to see us construct and occupy the new office and use it as an avenue of meeting the spiritual and human needs of people. Only by working together in an energetic and yet gentle spirit that our Lord provides will any of these things be accomplished.

Respectfully submitted,
Rev. Lawson D. Horton, Jr.

## BIBLE DRILL REPORT

This year forty-two children and youth qualified to participate in the Associational Bible Drill held at Wilkesboro Baptist Church on April 7, 2002. These participants (from Goshen, Lewis Fork, Millers Creek, and Mt. Pleasant churches) did an outstanding job and many of them advanced to the State Drills held April 26-27, 2002 at Beulah Baptist Church in Statesville.

Bible Drill is designed to encourage children (grades 4-6) and youth (grades 7-9) to expand their knowledge of God's Word and develop skills in effectively using the Bible. Participants learn the books of the Bible, memorize selected verses with references and learn to locate key passages.

This association also offers an abbreviated drill for younger children, which encourages participation in Bible Drill from those who are Pre-K through grade 3.

In addition to the above drills, there is also a speaker's tournament (grades 9-12) which requires older youth to think seriously about what they believe and why, and then to verbalize their thoughts clearly and communicate them to a listening audience.

We would like to encourage all churches that are not currently participating to prayerfully consider beginning a Bible Drill ministry. Please remember the 2003 participants and their leaders in prayer.

Respectfully submitted,
Mr. Sherrill Lowe and
Mrs. Wanda Lowe, Co-directors

## BROTHERHOOD REPORT

I assumed the position of Brotherhood Director in April 2002 and would like to report on the RA Car Competition that was held in February 2002. There were 85 participants, representing 11 churches. This was a wonderful turn out. The participants and spectators not only had a great time but they were also blessed by a message presented by Rev. Richard Koons, Pastor of Celebration Baptist Church.

Beginning in September 2002, I planned a Brotherhood Training event held September 17, 2002 at Goshen Baptist Church. This training was for persons interested in Baptist Men's work, as well as working with the young men and boys through Royal Ambassadors. Also being considered is Disaster Relief/Recovery Response Team and the annual RA Car Competition has been scheduled for February 8, 2003. Watch for details concerning this event. Another event that will hopefully be held next year is the RA Camporee. If anyone is willing to assist in organizing this event, please contact the associational office or me.

Finally, if any church desires assistance in establishing either a Baptist Men's or RA group, please feel free to contact me. I will be happy to help in whatever way I can.

Respectfully submitted,
Rev. Tim Shaw
Associational Brotherhood Director

## DISCIPLESHIP TRAINING SUPPORTER REPORT

Many times we look at the Great Commission (Matthew 28:18-20) as a call to evangelism. But it is really a call to discipleship. Jesus did not command us to merely go and tell (& baptize). These are merely the first steps in a life-long journey of following Jesus. Jesus commanded us to go share the Gospel and then to teach & train the new believers. If all we do is win souls to Christ, then we are not Great Commission Christians as Jesus intends for us to be. It is imperative that baby Christians grow up and mature in the faith. That is a main objective of the local church. In fact, the Great Commission is a command from our Lord to be His disciples. And, by being His disciples we automatically, out of love for Christ, will make disciples of others.

A Prayer & Study Team has been formed to seek the will of God for Discipleship Training in our association. We have met with Lawson several times and are in the process of beginning a Christian Study "College." We would have two campuses: one on the west end of the county, the other on the eastern end. Classes will meet on Thursday nights each week during a fall & spring semester. The first class will meet 6:30 – 7:45 PM; the second class will meet from 7:30 – 8:45 PM. We are currently working on teachers, classes, and locations. Many of these courses will be able to be turned in for credit in the Christian Growth Study Plan offered by the Southern Baptist Convention. Lord willing, our first semester will begin this fall and run October 17 – November 21. Hopefully, by the time of this reading God will have enabled us to be well on our way in the plans and preparations for the college. Please try to attend at least one course and pray fervently that Christ might be exalted in the lives of His people.

Lawson and I will continue to meet and pray about other ideas.

The Associational Office has several great short-term and longer-term courses for churches to check out and use in their local congregations. Please feel free to come by and look at the material. You may call the Associational office or myself (838-4446) with any questions, or if you would like help beginning Discipleship courses in your church.

Respectfully submitted,
Shannon Critcher
Discipleship Training Director

## HISPANIC MINISTRY

The association, in session in April, voted to accept Iglesia Bautista Hispana LaRoca under "Watchcare" for at least one year. The Pastor is Rev. Reynaldo Cantu. The church is currently meeting in the old Cub Creek Baptist Church building for Bible study and worship. We appreciate the mission spirit of the Cub Creek Church.

First Baptist-North Wilkesboro, Moravian Falls, and Millers Creek also have given good financial support to this ministry. These churches also should be commended for their continued support. In addition, other churches have supported this ministry by giving of their time and talents and each should be commended for their mission efforts.

As the church grows and develops a solid foundation, it will be necessary for the association to help the congregation purchase land or a serviceable building to meet their needs.

Let us pray, encourage, and lend support to this important ministry. God will bless and we can take pleasure in the results.

Respectfully submitted,
The Associational Staff

## MISSION DEVELOPMENT COUNCIL REPORT

The Associational Missions Development has five mission performance tasks:

- They are to call churches to be on mission.
- Provide resources and services to churches and leaders. Train, develop, and encourage church and associational workers.
- Provide opportunities for working together in missions, ministry, growth and evangelism.
- Establish and maintain appropriate
- Relationships and communications with the denomination and the community.

We have been busy this year planning events and missions projects. One of the events will be a Volunteer Mission Banquet on November 16, 2002. The On Mission Celebration will be March 28-31, 2004. We plan to have a booth again this year at the Apple Festival and also in October we plan to prepare a meal for the Fair workers. We will continue our support to some of the same agencies and organizations as before - as will be shown in the budget. We are here to assist your church in their mission efforts. If we can help with developing mission plans or training leaders, we would be happy to help. We ask that you look around your community, to listen, to see the needs and opportunities that are available for you to share Christ in many ways.

Respectfully submitted,
Charles and Elizabeth Billings

## MUSIC REPORT

Preparation for the 2001 Brushy Mountain Baptists Associational meeting, presented an opportunity to reflect on the historical accounts of the songs cherished and sung at meetings during the infancy of the Association. Some of the songs, used during those years, could still be found. We revisited our ancestors' offering of their hearts and voices in musical praise to the Lord. We sang in much the same fashion as they may have lifted their voices, according to the minutes of the meetings.

Throughout this association year, we have welcomed music to focus our hearts toward teachings of the Holy Scriptures. We have also experienced events, which caused a stirring of patriotic feelings, thus renewing "God and Country" heritage reflections.

Our tastes surrounding rhythm, tune, and lyric vary; yet, we continue utilizing musical offerings to open our hearts to the presence of our Lord.

Respectfully submitted,
Mr. Harold Bass
Associational Music Director

## ORDINATION COMMITTEE REPORT

It is our great pleasure and privilege to serve as the Ordination Committee in our great association. Our duty consists of helping individuals to define their call from the Lord and to aid our churches in affirming these individuals. God is at work! However, in the previous association year, we have not had the blessed opportunity to assist the Lord or our association in this manner.

Respectfully submitted,
Rev. Jeffrey E. Gibby, Chair

## PARTNERSHIP REPORT

### NEW YORK PARTNERSHIP

I want to thank you for all your support of Graffiti Ministries in New York City. We have made seven trips this year. We have given out over 2,000 blankets, 1,200 thermals, 600 knit caps, and over 1,000 pairs of socks and gloves. We have provided lots of canned food, Brushy Mountain apples, clothes, literature, Bibles, and LOTS OF LOVE!

All this was made possible by your giving your time, money, love, and lots of prayers. WE have had churches to allow us to use their church vans and also churches have paid for the rental of vans. This is why I say, "THANK YOU." Through all this we are able to show God's love in a tangible way to the homeless, the needy, and the people of the Lower East Side of New York City.

We were at Graffiti following the September 11, 2001 attacks. Our group saw first hand the smoke, the odor of destruction, and felt the pain of terrorism.

In November we gave out food, thermals, knit caps, and gloves. In December we gave out blankets and toys. In February we handed out more blankets. In April we were able to volunteer at Ground Zero, helping to feed the workers. In July we took 16 girls from New York to GA camp in Virginia for a week and then took them back home. In August we did a lot of community outreach and presented Bibles to the children completing summer camp.

We have had 69 people to go to New York City this past year to help with the Graffiti mission projects. We have been blessed to be a part of God's amazing love in action! Again, I say, "Thank you" for all your support and prayers.

Respectfully submitted,
Mr. John Triplett, Partnership Coordinator

### OTHER PARTNERSHIPS

Other projects that were done during the year include construction on a church building in South Africa and a parsonage in Alaska.

Rev. Dennis Love has been serving as the coordinator for the South African Partnership. Dennis, along with several others, helped with the construction of Phoenix Baptist Church in Durban, South Africa and also conducted revival services. The official partnership with South Africa ended last year but there may be other opportunities for ministry arranged in the future.

The parsonage that was constructed for the Pastor of North Kenai Baptist Church in Nikiski, Alaska was completed in September 2002. This house was built in stages with a specific team organized to do a particular phase of work on an assigned date. Several churches in our association joined together to form teams to work on each step.

The Alaskan Partnership will continue for a few more years. The various requests from the State of Alaska for 2003 have been printed and sent to the associational office. You may check with the office staff or contact the Partnership Office of the North Carolina Baptist Convention to review the request list.

The Baptist State Convention is also partnering with Southeast Asia. Contact Mark Abernathy at the Baptist State Convention if you are interested in a mission trip to Southeast Asia.

There are also opportunities to do mission work in Honduras. Information is available upon request.

Respectfully submitted,
The Associational Staff

| Celebration Baptist Church | April 14 |
| Zion Hill Baptist Church | July 14 |
| Liberty Grove Baptist Church | October 13 |

The preacher for the annual sermon will be the Rev. Timothy Shaw, with the Rev. Nicholas Cheek as alternate.

Respectfully submitted,
Rev. Robert Webb, Chairman

## PROPERTIES COMMITTEE REPORT

The committee decided upon and presented to the Brushy Mountain Baptist Association a parcel of property located on Hwy 268W for the relocation of the office. The motion was approved and purchase of the property was made.

The committee has had several meetings for updates and to discuss decisions to be made concerning the sale of the associational property. The decision was made to sell the house and office in two separate parcels, which involved getting septic tank rights, and both properties plotted separately. According to the market, separation of the properties seemed the most realistic and marketable route to enhance the sale.

The committee is encouraging everyone to pray and ask God's guidance in this great endeavor. Churches and individuals are asked to pray for leadership in the financial support of this undertaking.

Respectfully submitted,
Mrs. Lois Woodie, Chairman

## SCHOOL OF CHRISTIAN STUDIES REPORT

This past year, the SCS completed a two-year Bible study from the Basic series. A total of six classes were required. Three of these classes were held in the past year.

For the two-year period, there was an average attendance of nine students per class. There were three students who successfully completed each class and received a Certificate in Church Leadership on behalf of the six seminaries of the Southern Baptist Convention. Due to a lack of sufficient interest, there were no seminary credit courses offered.

This year we hope to again offer credit and non-credit seminary courses, plus the basic courses.

While these Bible study classes are usually held at the Brushy Mountain Baptist Association office, we are willing to hold them at any church if a group of six or more is interested.

For more information, call the Brushy Mountain Baptist Association office at 838-4407 or me at 667-7575

Respectfully submitted,
Mr. James Carson
School of Christian Studies Director

## SUNDAY SCHOOL REPORT

First, **I would like to thank all the c**hurches and their leadership for their support in attending training opportunities this year. Also for the Sunday School Directors, Teachers and other leaders that have given input to help determine the specific needs of the Association. (Thank YOU!)

In August, we offered a special training event that featured Dr. Bruce Wilkinson by way of a video presentation that was entitled "THE 7 LAWS OF THE LEARNER." We had nine **c**hurches represented with a total of twenty in attendance. **We all were encouraged and challenged to go back to our churches to train others just as Paul challenged Timothy.** (2 Tim. 2:2 *And the things that you have heard from me among many witnesses, commit these to faithful men who will be able to teach others also.*)

Special thanks, for the churches that held other Sunday school training events through out the year and invited others to attend.

**We have planned one more training event in this calendar year and a few for the up coming year. Please check your email or with the associational office for these dates. I would like to encourage you by email with ideas; Sunday schools helps, training** opportunities **and info! If you would like to be put on my email list, please drop me an email at: ServantRichardW@aol.com**

If any Sunday school leaders have a need or ideas that you would like to share, please contact me by email, or phone, at 838-8808 or the associational office at 838-4407.

Respectfully submitted,
Rev. Richard Whittington, Director

## VACATION BIBLE SCHOOL REPORT

This year our Vacation Bible School Clinic was a huge success; there was a great deal of excitement in the air. We had 177 people in attendance, representing 25 different churches. All the people who helped put together this evening of wonderful ideas worked many hours and their true love of God and children showed through in every area. I am always amazed at how much time and love is used in order to make our clinic something that God is so very proud of. The people of this association should be proud to serve in God's army with so many loving and caring Christian people. I know from the people that I spoke with at the clinic, there was still excitement from last year's Bible Schools, people are seeing children touched by God's love and they are seeing children come to know Christ. Continue to carry the excitement of God's love into every adventure you have throughout this year, and remember it is definitely not too early to start praying for our Vacation Bible Schools for 2003.

Respectfully submitted,
Diana Goodman, Director

## WMU REPORT

As we strived to "Discover the Joy of Missions," we again began our hands-on mission projects by helping out with our Associational Apple Festival Ministry and the Fair Ministry. At the Apple Festival we helped with handing out tracts and water and by having a baby changing station. For our part of the Fair Ministry collected items for hygiene bags which we gave as the Brotherhood provided a meal.

Our World Hunger Day collection of food and money was again an overwhelming success. In November we collected packs of chewing gum for the NC Women's Correctional Center. Our goal was 1,500 packs and we received in excess of 3,000…WOW!

In February we again collected money for Martha Colwell, our missionary to Rwanda. We received $1,356. Thanks!

I regret to report that some of our associational events were canceled for different reasons this year, but in spite of this we had a *Beyond Belief!* Year.

We are trying some new things, such as our Annual Celebration was in September instead of the traditional time of May. Mrs. Phyllis Foy, a member of the North Carolina WMU Resource Team and a very dynamic speaker, from Mooresville was our speaker.

Looking forward to another great year learning about *God's Plan…My Part!*

Respectfully submitted,
Mrs. Betty Pardue, Director

## YOUTH COMMITTEE REPORT

Although we got off to a slow start this year, we ended with a BANG! On August 2, we had the first ever Associational "Late-Nighter." Millers Creek Baptist Church was gracious and allowed us to use their facilities for this event. The evening started with the "adrenaline pumping" West Wilkes drum line under the direction of Mr. Mack Bryant.

After the opening, each church was given a list of items to find, and do, for the video scavenger hunt. Upon returning to Millers Creek Church, everyone was treated to a pizza supper while we viewed the scavenger hunt videos. Then we were privileged to hear an inspiring message brought by Rev. Richard Koons, Pastor of Celebration Baptist Church. There were 122 Youth present and one profession was made during the invitation. To God be the glory!

There were seven of 39 churches represented at this event. Just imagine what a blessing we would all receive if the Youth from all 39 churches participated!

We also financially supported the "Back 2 School Bash" which was held at Millers Creek Baptist Church on August 17. In the coming year we hope to have more activities for our Youth.

If you have any questions or suggestions, please feel free to contact the association or me. We are always looking for new ways to help our young people grow spiritually. Likewise, if you want to help with any of our activities by either organizing or chaperoning, please call the associational office.

Respectfully submitted,
Mr. Wade Collins, Associational Director

**OAKWOODS** – Oakwoods Baptist Church continues its strong support of missions this year, both financially and with participation. Many members participate in local missions with our tape ministry, handyman ministry, and housewarming ministry. In December five members went with other associational members to New York, handing out warm clothing to the homeless there. Our Youth Minister, Rev. Victor Church, along with three other adults and seven youth, went to New Orleans, Louisiana in July of this year and worked in a homeless shelter for a week during the day. In the evening they worked with members of Bright Star Baptist Mission Church. Feeding and working with the homeless was a new experience for them, but a blessed one. Six men received Christ at the shelter and several youth at the church did as well the week they were there. In February, our Associate Pastor along with eight other men from our church and four other men from other churches in the Association went to Sao Paulo, Brazil. Their mission was to work on the construction of the new Parque Vienna Baptist Church. These men helped in laying approximately 2,700 blocks to construct the four walls of the new mission church. Revival services were held nightly and many Brazilians received Christ that week. In July we started a Meals on Wheels program with Michael and Shannon Goodman as directors. We purchase the meals from the Senior Citizens Center in Mulberry and members of the church deliver them to the elderly five days a week. We deliver between twelve to fifteen meals a day. This is a great service for the elderly in our church and community. Besides providing a well-balanced hot meal each day; it also give these folks human contact at least once a day. Our church membership continues to grow with nineteen baptisms this year and twenty-five other additions. Our total membership is 767. We have an active Long Range Planning Committee in place to determine what the long-range needs are for our church and to put in place plans to meet these needs. God continues to bless at Oakwoods.

The Baptist Men raised money through chickenques to send four men to West Virginia, six men to South Africa, and two men to Alaska. Our men worked during the year to make improvements on our church, and they joined with others to work on a local church. The WOM collected food for West Virginia flood victims. Baby booties were made and donated to the Wilkes Crisis Pregnancy Center. They collected gum for women inmates, and Kool-Aid for the Graffiti ministry in New York City. The GA's handed out gospel tracts at the Brushy Mountain Apple Festival. They helped collect Kool-Aid for the Graffiti House, and school supplies for their Christmas in August project. They sold candy and gave money to the Lottie Moon Christmas offering, and the Annie Armstrong Easter offering. They have also started a card ministry. Our Mission Friends group has grown from six children to fifteen on a regular basis. They have enjoyed making crafts, singing, and learning about Jesus. They are making cards and sending them to church members that are sick. The Senior Group went to Bob Timberlake's Gallery in Lexington, and to see the lights at Tanglewood. Our church hosted a "Fishers of Men" fishing demonstration. The building program continues to move forward. Computerized renderings of the new church have been completed and are on display. Work is now in progress for getting a definite price on the building.

**PLEASANT HOME** – Three new Deacons were ordained in October 2001 to include Rick Dameron, Terry Greene and Larry Perry. Kiker were ordained as Deacons in May 2002. A team of 15 people went to Kentucky on a mission trip. In July we broke ground for a new educational building/fellowship hall. On August 25, 2002, our church building was destroyed by fire. We are currently meeting at West Wilkes High School. Work continues on the fellowship hall. Upon completion, we will meet there until our sanctuary can be rebuilt.

**WALNUT GROVE** – WMU raised $1,220 for Lottie Moon. Updated maps for the cemetery and leveled all graves. Mack Brock made a cross for the baptistry and we incorporated the church.

**WELCOME HOME** – Updated sound system, updated air conditioning system in educational building.

**WILKESBORO** – This past year was wonderful! In September, we were well into our building program with hopes of being in the new addition by the end of January 2002. As it happened, we were in the new building with dedication services on May 5, 2002. It is a wonderful facility and we are so happy to have adequate Sunday school rooms. Our church family has been very active this year. We have participated in two bloodmobiles. Our Handyman Ministry has been busy building handicap ramps and repairing bathrooms, etc. We had a wonderful Vacation Bible School with the largest enrollment ever. Our Music Ministry, under the direction of our Minister of Music, Mike Norman, has been wonderful. The Adult Choir presented a Christmas musical, "Christmas Canticles", and a post Easter music/drama, "We Have Seen the Lord", based on Jesus' resurrection appearances. The Youth Choir presented a musical, "Because We Believe", and also presented a Christmas Carol collection, "Colors of Christmas", as part of the Hanging of the Greens Service in December. The Adult and Youth Choirs sang together for the new facilities Dedication/Open House. The church purchased a three octave set of hand chimes and began a children's chimes group for grades 1-6. The Young Musicians (grades 3-6) presented a staged musical, "Amazing Grace", with Children/Education Minister, Patricia Turner, in the title role. Sixteen older children and adults attended Wingate Choir Camp at Wingate University. Adult hand bells participated in the State Hand bell Festival in April. A Women's Ensemble has been formed and they sing at the early service the 3rd Sunday each month. Ms. Patricia Turner, our new Minister of Children and Education, has been hard at work with the children. Monthly outings for the children were held at different places; they participated in the associational and state RA events; several children attended RA camp; family wide summer outings were held; held a fall festival and Easter egg-stravaganza, participated in Wilkesboro Christmas parade and participated in Sunday school, Discipleship Training, Children's Choirs, and mission organizations. The Youth, under the direction of Rev. Roy Dobyns, have had a busy year. They moved into the complete top story of our new addition and "love" it. The Puppet/Clown ministry has performed at the Merlefest for the past 10 years. They went on a mission trip to Scarborough, Maine. They attended a spring retreat in Gatlinburg and went to Caswell in the summer. The College Youth went on a mission trip to Graffiti in New York City. In July, 12 adults headed to Nehoiu, Romania on a mission trip. While there, they participated in Bible schools for the children in Hehoiu and Fura Teghii plus adult and youth bible study in Nehoiu. This is the fourth year WBC has sent a mission team to Romania. Eight of our adult men traveled to Nikiski, Alaska during Memorial weekend at which time they installed reinforcing steel, underground plumbing, in slab heating coils, forms for the concrete slab and foundation, then poured and finished 73 yards or concrete (approximately 400,000 lbs.) for the North Kenai Baptist Church parsonage. This is the second year they did mission work in Alaska. Our GA's and Acteens continue to be very active and have weekly meetings and activities. They participated in the "Samaritans Purse", rice bowls, and game night. Our RA's are also very active, visiting the nursing homes, raking leaves, participating in the State Track Meet, were active in the Associational RA Car Competition, went caroling at the Wilkes Senior Village, had a recognition service, attended the RA Congress and four attended the RA camp. Vote to make formal application for

membership in the Brushy Mountain Baptist Association. We have been introduced and have knowledge of the Baptist Faith and Message statement and do accept its teachings in belief and practice. We pledge to contribute financially to the Cooperative Program of the Southern Baptist Convention which supports the work of Baptists in the state, nation, and overseas, to give evidence of our missionary zeal. We further pledge to adhere to the Articles of Incorporation and By-laws of the Association and fully understand that we must comply with the guidelines for membership set forth in Article IV of the By-laws.

We commit to be a duly-constituted and organized Southern Baptist Church, and will maintain this status at all times, or will voluntarily withdraw from the Association.

We understand that upon submitting this application, accompanied with a Southern Baptist Convention Annual Church Profile, to the Association and its Membership Committee, and an investigation is completed and found favorable, the committee may recommend at any regular quarterly meeting that the church applying for membership be granted associate membership for one full year. The association may, then by majority vote, receive them as associate members. During that year, the associate member church must submit monthly written reports on forms provided by the associational office, and shall have the right to send non-voting messengers to the associational meetings.

We also understand that when the year has expired, the membership committee will further review the status of the church making application, and, if found favorable, will then recommend to the association in a regular quarterly meeting full membership of the church into the association. the association may vote to grant full membership, to extend the associate member status for another year for further review, or deny the application and terminate the associate member status. If the association then votes to receive the church, having the same rights and privileges as the other member churches, the moderator shall extend the hand of fellowship to its messengers.

**THE DEDICATION OF ANNUALS COMMITTEE RECOMMENDS THAT THE MINUTES OF THE ONE HUNDRED THIRTY-SECOND ANNUAL SESSION BE DEDICATED TO**

**REV. JAMES MARVIN GORE, JR.**

Brushy Mountain Association and Millers Creek Baptist Church have been blessed by the ministry of Rev. Jim Gore for almost 21 years. **JAMES MARVIN GORE, JR.** was born September 18, 1938 in Columbus County, North Carolina. J.M., as he was called, was the youngest of James Marvin, Sr. and Mary Alma Gore's five children. Reared by hardworking, devoted Christian parents, he learned respect, honesty, the value of hard work, and good Christian principles. He spent most days working with tobacco and doing chores on the family farm. He was saved at the age of 13.

J.M attended Guideway Elementary and Tabor City High School where he was a good student and excellent at sports. After graduating from high school in 1956, he joined the United States Air Force and was stationed at Charleston Air Force Base in Charleston, South Carolina. Later, he served oversees for eighteen months on the Island of Guam in the South Pacific.

While in Charleston, Jim, as he was now referred to, met Rebecca Sue Swicegood on a blind date. A courtship of two years followed. Jim and Rebecca were married in August 1960, soon after Jim was honorably discharged from the Air Force. Later, Jim went to work for the Public Finance Company.

In 1961, Jim and Rebecca had the first of their two children, Rebecca Celeste; and, in 1966, Leslie Alyson was born. Jim was active in the churches he attended, serving as a Sunday school teacher, Sunday School Director, Deacon, and sang in the choir.

In 1974, Jim resigned from his position as a vice president from the company he had been working with for fourteen years. The Lord had spoken to Jim and Rebecca and called Jim into the ministry. The Gore family moved to Hendersonville, North Carolina where Jim enrolled in Fruitland Baptist Bible College. He graduated in 1978 and was ordained to preach the gospel. That same year,

Jim was called to Pastor Lily Branch Baptist Church in Bakersville, North Carolina. After four years of ministry at Lily Branch, Jim and Rebecca were called to Millers Creek Baptist Church. Jim began his pastorate at Millers Creek in the fall of 1982 and continues to serve as their Senior Pastor.

Jim has been a strong supporter of the Brushy Mountain Baptist Association. He has served as Moderator, Stewardship Director, as a member or chairperson of various committees and been actively involved in the ministries of this association.

Jim has a heart for missions. His first real burden for missions was in 1974 while living in New York. God laid on the hearts of Jim and his wife, Rebecca, a strong burden for his home church in North Carolina. Following the Lord's leadership, they left New York to be near his home church. Not knowing what God had in store for them, they obeyed His calling and soon, God opened a door of opportunity for them to serve in the church. Several young people were influenced by their dedication and today these people are strong leaders.

Since then, Jim has taken several mission trips. Some of these include Korea, Brazil (4 times), South Africa (2 times), Honduras, Alaska, and others.

Jim Gore is a very active person in every aspect of his life. Jim enjoys being outdoors—whether he's working in his gardens or taking his daily jog. He also enjoys his five grandchildren. He is truly a devoted Christian and a daily witness for Jesus Christ. For these reasons, the Dedication of Annuals Committee dedicates the minutes of the 132nd Annual Session to you, **Rev. James M. Gore**! Thank you for all you do, and may God continue to bless you in your ministry.

Respectfully submitted,
Mrs. Margie Laney, Chairman
Rev. Rex Foster
Mrs. Betty Pardue

History of

# LIBERTY GROVE BAPTIST CHURCH
## *1886-2003*

On the third Saturday in December, a Presbytery consisting of Elder T. W. Parish, I. N. Hayes, and J. W. Burchette, met in the school house in District No. 36, Wilkes County, North Carolina for the purpose of organizing a Missionary Baptist Church. Elder T. W. Parish was elected Moderator and I. N. Hayes, Clerk. After a devotional exercise was conducted by the Moderator, the Presbytery proceeded to complete the organization of the church.

The following brethren and sisters presented letters to become members: A. M. Church, Susan Church, E. S. Church and M. O. Church from the Wilkesboro Church. Hiram Wiles, Sarah Ann Wiles, G. M. Woodruff (who was recommended and received as a Deacon), S. C. Woodruff, K. J. Woodruff, and W. D. Woodruff, from the Rock Creek Church. T. W. Parish, J. W. Burchette, Suzanna C. Stafford, C. S. Stafford, I. J. Haynes, M. O. Church, and R. L Church. The letters were read by the clerk and received by the presbytery.

The right hand of fellowship was given by the presbytery and Elder J. W. Burchette led in prayer. Then the Presbytery recognized them as charter members of the Liberty Grove Missionary Baptist Church. A. M. Church was elected as the first Clerk. The church then presented the Presbytery Hiram Wiles to be ordained as a Deacon. Prayer was led by Elder J. w. Burchette, and the laying on of hands by the Presbytery. Elder T. W. Parish gave a charge, with the presentation of a Bible.

The church has had Pastors as follows:

On January 14, 1998 a new Fellowship Hall Committee was formed consisting of John A. Bauguess, Chairman, Gracie Call, Glenn Mitchell, Steva Shumate, and John L. Wyatt. This committee was in charge of location, design, and approximate cost. Later, Bill Shepherd became the Chairman and was in charge of seeing that the Fellowship Hall was built. On July 22, 2001, our beautiful new Fellowship Hall was dedicated.

**Senior Citizens:** The Senior Citizens' monthly dinner was started on the last Thursday of the month in 1977. The day is changed only in November and December in order to have it before the holidays. It was started by Paul and Emma Bumgarner because Emma wanted to do something for the Senior Citizens. They fixed the first several meals; then, different ones started helping out until it became what it is today…most everyone brings a covered dish.

Dorris Sebastian started keeping the names of those who came, along with their birthdays. A basket was used to collect donations to pay for tablecloths, cards, stamps, and gifts for the sick. This was discontinued after the church put the Senior Activities in the budget. A breakfast was held at Shoney's once a month until August of 1998. Then the Seniors began meeting at the Cottage House until September of 2003 and now they meet at the Bus Station Café on the 2nd Tuesday of each month.

We, the Baptist Churches of the Brushy Mountain Baptist Association, Inc., unite according to the plan, purpose, and work of New Testament churches in our world. To this end and according to the following articles, we cooperate to the fullest extent possible with the State and Southern Baptist Convention and subscribe to the principles of the 1963 Baptist Faith and Message statement.

## ARTICLE I. NAME

This body shall be known as the Brushy Mountain Baptist Association.

## ARTICLE II. PURPOSE

The Brushy Mountain Baptist Association is a fellowship of churches who are reaching the lost with the gospel of Jesus Christ, growing disciples, and helping to meet the needs in our communities and around the world.

## ARTICLE III. GOVERNANCE AND AUTHORITY

SECTION 1. Member Governance.
The government of this Association shall be Baptistic in nature, and the final authority for the operation and management of the affairs of this corporation, spiritual and temporal, shall be vested in the member churches, which authority shall be exercised in the manner set forth in the bylaws. Members alone, acting in the manner and through the messengers as set forth in the bylaws, shall have the authority to adopt and amend bylaws, approve budgets, receive members and govern and conduct the affairs of this corporation.

SECTION 2. Independent.
Consistent with Baptist doctrine and practice, this body is independent and sovereign in its own sphere, and accountable to no other ecclesiastical body.

SECTION 3. Limited Authority.
The Association does not claim, and will never attempt to exercise any authority over any other Baptist Body.

## ARTICLE IV. MEMBERSHIP

SECTION 1. Conditions.
The Association shall be composed of cooperating Baptist churches who have requested and been received as members by the Association in accord with the procedures set forth herein. The Association shall be sole judge of its membership and may receive churches, or reject churches, according to its Articles and Bylaws.
SECTION 2. Procedures

A. Application. Any church desiring to become a member of the association shall present its request through messengers chosen for that purpose on an application for membership form provided in the annual minutes, along with an Annual Church Profile provided by the church clerk to the associational office.

B. Review and Interim Status. The Moderator or Associational Missionary shall present the request form and the Annual Church Profile to the Membership Committee for study and investigation. After the investigation is completed and found favorable, the committee may recommend at any regular quarterly meeting that the church applying for membership be granted associate membership for one full year. *The Association may, then by majority vote, receive them as Associate Members.* During that year the associate member church must submit monthly written reports on forms provided by the associational office, and shall have the right to send nonvoting messengers to Associational meetings.

C. Associational Action. When the year has expired, the Membership Committee will further review the status of the church making application, and, if found favorable, will then recommend to the association in a regular quarterly meeting full membership of the church into the association. The Association may vote to grant full membership, to extend the Associate Member status for another year for further review, or deny the application and terminate the Associate Member status. If the association then votes to receive the church having the same rights and privileges as the other member churches, the Moderator shall extend the hand of fellowship to its messengers.

SECTION 3. Rights of Members

A. Voting. Member churches shall have rights to vote and participate fully in the ministry and governance of the Association through their elected messengers.

B. Records. Members shall have access to the principal records of the Association including minutes of its governing bodies and principal financial reports. However, consistent with Baptist doctrine and practice, these rights shall not include the right to review or inspect any individual donor records, or minutes of meetings involving confidential personnel matters.

SECTION 4. Termination of Membership.

A. Withdrawal. Member churches may withdraw from the Association as they desire.

B. Review. A cooperating church shall be defined as one which sends an annual report to the Association and messengers to Associational meetings, and contributes to the financial program of the Association. Any church in the Association which fails to cooperate with the Association shall, upon the recommendation of Associational Council, be contacted by the Membership Committee to determine the intentions of the church regarding its remaining in the Association.

C. Suspension or Expulsion. The Association may by majority vote suspend voting rights or may terminate the membership of any church which shall be found to be disorderly in faith and practice, but not until written charges are brought against the offending church. **NOTE: The "Policies and Procedures," "Committee Handbook," and "Employee Handbooks" are available for review at the associational office upon request.**

**MINUTES OF THE**
**ASSOCIATIONAL COUNCIL MEETING**
**November 18, 2002**

The Associational Council met on November 18, 2002 at the Brushy Mountain Associational Office with Mr. Harold Bass, Mrs. Lib Billings, Mr. Raymond Blevins, Mr. James Carson, Rev. Lawson Horton, Rev. Lynn Lambert, Ms. Eileen McNeil, Mrs. Diane Shaw, Rev. Tim Shaw, Mrs. Kim Walker and Mr. Richard Whittington in attendance.

Rev. Lawson Horton called for special prayer request. Among the requests were those for persons going on mission trip to New York and Stephanie Huffman.

Rev. Lynn Lambert led in opening prayer with the following reports being presented. Mr. Raymond Blevins discussing Stewardship training that will be offered to churches to help better plan for accounting and reporting of money, in particular that of pastors and how state money is appropriated through financial accounting. The training program is planned for January 21,2003 at Hinshaw Baptist Church at 7:00 p.m.

Mrs. Lib Billings reported on the Missions Volunteer Banquet and its success that was held November 16, 2002 at the First Baptist Church in Wilkesboro.

Mr. James Carson reported on the study taught by Mr. Dennis Love on preaching. Mrs. Kim Walker reported on the toothpaste drive by the Woman's Missionary and would be picking up the items for distribution to the Women's prison.

The budget summary for September - November 2002, by line item, was available for review as presented by Mrs. Diane Shaw. No changes or questions were made.

The Quarterly Meeting of the Association will be held January 13, 2003 at Welcome Home Baptist Church.

Rev. Lawson Horton asked for comments in evaluation of the Annual meeting or any other meetings. Discussion was held regarding the time, music presentation, etc. with all favorable comments. Mrs. Lib Billings asked about an Associational Choir with Mr. Harold Bass responding in saying that in the 80's, music was not as strong in churches as it is today and with the limited amount of time people have now, it would be difficult to have a choir established to fit times schedules.

Rev. Lawson Horton presented the Council with a brochure on the new ministry he is forming called Wilkes Ministry 0f HOPE. The HOPE is derived from Help; Qther; People; Excel. The purpose is to involve the churches and others in the surrounding area in ministering to the total person(s), physically, emotionally, and spiritually, particularly among the poor in Wilkes County. Don Abernathy, formerly with Wilkes Cares, has endorsed the program. Several churches have already committed to help monetarily. Rev. Horton asked if anyone had heard any input into the program from a negative point of view with the response of only one, who is primarily working with BROC.

Rev. Horton stated he had spoken with the Associational Attorney who advised that the Associational Council would make up the Board of Directors for HOPE. The new ministry would be strictly an affiliation of the Brushy Mountain Baptist Association; however, any church can participate.

Realizing there will have to be a safeguard preventing people from using this ministry and the others available, abusively, it was discussed to have churches screen those seeking the assistance and follow through with meeting the need that caused the problem initially. A part-time person would be employed with a salary in the range of $10,000 - $12,000 per year; working between 20-25 hours per week. A suitable building will be rented with the monthly rental of not more than $1,500.00 per week. The anticipated yearly cost of operation being in the range of $30,000.00 per year. No funding has been allocated from the Association this year for this program.

Concluding the discussion, motion was made by Mr. Raymond Blevins, seconded by Mr. Richard Whittington and approved to present the request to establish Wilkes Ministry of HOPE at the next Quarterly Meeting of the Association.

There being no further business, the meeting was adjourned with prayer led by Rev. Lawson Horton.

Meeting adjourned at 8:37 p.m.

Respectfully submitted,

Eileen McNeil, Clerk

**PROCEEDINGS OF THE**
**QUARTERLY MEETING OF**
**BRUSHY MOUNTAIN BAPTIST ASSOCIATION**
**WELCOME HOME BAPTIST CHURCH**
**January 13, 2003**

The quarterly meeting of the Brushy Mountain Baptist Association was held at Welcome Home Baptist Church beginning at 7 pm on January 13, 2003.

Prior to the meeting being called to order, the Welcome Home Baptist Church Choir presented a prelude of music under the direction of Mr. Anthony McNeill with Ms. Cynthia Cress on the piano and Mrs. Julia Webb on the organ.

The meeting was called to order by Rev. David Sparks, Moderator, reading scripture from Psalms 40. The congregation, led by Mr. Harold Bass, sang "How Firm a Foundation."

Rev. Robert E. Webb, Interim Pastor of Welcome Home Baptist Church, welcomed everyone and read from Colossians, Chapter 3, verses 1-17 for the devotional, followed by prayer.

Reports were presented as follows:

SUNDAY SCHOOL REPORT: -Rev. Richard Whittington-Biblically based principles for teachers, parents, and employers will be held February 20, 21, and 22 at the Millers Creek Baptist Church beginning at 7 pm on the 20th & 21st, and at 8 am on the 22nd. The cost will be $12 per person and includes the workbook, and a light breakfast and lunch on the 22nd. There were approximately 20 individuals this same course in August 2002.

TREASURER'S REPORT: -Mrs. Diane Shaw-Ending balance for all accounts we $100,039.97.

ASSOCIATIONAL COUNCIL REPORT: -Rev. Lawson Horton-ON recommendation of the Associational Council, Rev. Horton made a motion for the formation of a new ministry called Wilkes Ministry of HOPE. The floor was then opened for questions and/or discussion. Several questions were asked; some of them were—how would this ministry be different from Wilkes Cares; could this ministry be done through Wilkes Cares; is there someone in place to oversee this ministry, will government funds be accessible? Rev. Horton explained that training from professional personnel would be offered to help those requesting assistance to enable the individuals to help themselves through financial counseling, mentoring, job training, etc. There will be programs offered that are not offered through Wilkes Cares. Some assistance from government funds, such as the food bank will be available. It has not been decided as to how many days per week HOPE will be open or the hours. Approval by the North American Mission Board has to be obtained; refrigerators and other items will have to be in place. Rev. Chad Hendren has agreed to serve as director and through the generosity and godly love of a couple, a 7,000 square foot building has been donated to the association with delivery of the deed expected toward the end of January. Motion to establish Wilkes Ministry of HOPE was adopted.

Churches with new Pastors are: Shady Grove-Rev. Jerry Reavis, Oak Grove, Millers Creek-Rev. Ken Minton, and Pleasant Home-Rev. Michael Church.

Special Music was provided by Mr. Mark Triplett, II, followed by everyone joining together and singing, "Children of God," led by Mr. Harold Bass.

Dr. John German spoke on Congregational Health emphasis, reading scripture from Romans, Chapter 12. Dr. German presented the questions, "What do I expect a Pastor to do for me?" In his response, Dr. German said each of us expect our Pastor to be friendly, a mentor, a roll model, and a source of information, to know and teach the Bible. Dr. German reflected on the impact that the late Dr. John T. Wayland had made on his life and remembered a quote of Dr. Wayland's for a way to guide, "well, the good Lord will work all that out in His own way."

The, "To Worship, Work, and Witness," was sung by the congregation with accompaniment on the piano and organ to the tune of, "Stand Up, Stand Up for Jesus."

The guest speaker for the evening was Rev. Robert Livingston, Pastor of Yadkin Baptist Church in the Caldwell Association. Reading for Exodus, Chapter 17, verse 8 and other passages, his sermon was based on relationships with one another and the need to prevail in those relationships. Stating that each one is in a personal battle with Satan and that we must live our lives for the Lord. Rev. Livingston reminded everyone that we must be prepared and on guard to be ready to fight in the spiritual battle that we face, and that being a family in Christ, we are a seed bed for those without Christ to come to know him. Pastors must actively pray for their congregations, for individuals' needs and that although God is always there, the Pastor's face, in the time of our needs or on Sunday morning, is a reminder that God loves and cares for us always. A Pastor carriers the sword of the spirit, the Holy Bible, and is our reminder that God is there. Concluding the sermon, Rev. Livingston asked the question, "Are you holding up the hand of your Pastor?"

The Moderation announced that were 101 messengers and 18 visitors attending the quarterly meeting and concluded with the reading of Colossians 3:17.

Meeting adjourned at 8:40 pm with the joining of hands and singing, "Everyday with Jesus."

Respectfully submitted,
Ms. Eileen McNeil, Clerk

Horton were reminders of the quarterly meeting on April 14; Council meeting on April 24, and a reminder of the cancellation of meetings due to bad weather would follow the rule of school closings.

A financial report was distributed for review. Mrs. Diane Shaw reported that the budget was behind approximately $28,000 at this time from the projected goal.

Rev. Horton discussed mission partnerships and Rev. Richard Whittington announced the possibility of a partnership with Brazil.

Rev. Horton reported on the new ministry stating that the council, in accordance with the By-laws, was responsible for accepting any gift of property to the association and that the building formerly known as the Foster-Sturdivant Building on Highway 268 East was the location of the building being offered to the new ministry. The building has been upgraded with new electrical wiring, air conditioner replaced, the back deck has been replaced to allow for receiving. The building consists of two floors with two handicapped restrooms. An appraisal is being done by Charles S. Sink, III.

Motion was made by Rev. Richard Whittington and seconded by Mrs. Lib Billings to accept the donation of the building, subject to preparation and completion of the necessary and appropriate documentation, for the transfer of title to the Brushy Mountain Baptist Association. Motion carried.

Motion was made by Mrs. Lib Billings to appoint the Brushy Mountain Baptist Association Moderator, Rev. David Sparks, as the person authorized to sign any necessary documents for the acceptance of the building for the new ministry. Motion was dually seconded by Mr. James Carson and Mr. Raymond Blevins. Motion carried.

A sample "Application for Assistance" was distributed for review and comments to be used in screening and accepting clients for the ministry. Discussion was then held on several topics of concern such as; how many times to assist the clients; if abuse of the assistance was observed, how would the situation be handled; how would certain requests be fulfilled such as requests for fuel oil, kerosene, phone, electricity, etc. It was suggested that a review committee might be appropriate and Rev. Horton volunteered to prepare documentation that might be a guideline for the review committee to use in answering these concerns.

Mrs. Diane Shaw commented that food would not be a problem to obtain as this would be available through the Second Harvest Food Bank. A suggestion was made of the possibility of asking the Citgo service station to work with the ministry in accepting vouchers for fuel assistance since the station is close to the new facility.

Rev. Horton informed the council of a need that could be filled through the HOPE ministry since there have been funds donated already. This need concerned an individual in the community of Mt. Zion Baptist Church on the Pleasant Home Church Road. Rev. Horton stated that the individual was in need of $267.52 to pay his bill for the month of February for medicine that he requires. This bill needed to be paid before the individual could obtain his medicine for March. Rev. Horton investigated the situation and found that, in fact, everything the individual had told him was factual. Mrs. Lib Billings and Mrs. Diana Goodman felt that their respective churches would be acceptable to assisting this need. Both Mrs. Billings and Mrs. Goodman would notify Rev. Horton of the decisions.

Motion was made by Mrs. Kim Walker, seconded by Mrs. Lib Billings and approved to authorize Rev. Lawson Horton to be allowed to disburse the sum of $100 toward any critical situation that might arise in someone needing assistance.

Rev. Horton reported that several person(s) have looked at the present association property and he felt that by spring it might be necessary to call the council together for the purpose of accepting an offer to sell the property since the council has the authority to act for the association on this matter.

There being no further business, motion was made and seconded to adjourn.

Meeting adjourned at 1:38 pm

Respectfully submitted,

Ms. Eileen McNeil, Clerk

**PROCEEDINGS**
**OF THE**
**BRUSHY MOUNTAIN BAPTIST ASSOCIATION**
**ASSOCIATIONAL COUNCIL MEETING**
**April 24, 2003**

The Associational Council met on April 24, 2003 at the Brushy Mountain Associational Office. Present were: Mrs. Lib Billings, Mr. Charles Billings, Mr. Eddie Billings, Mr. Raymond Blevins, Mr. Harold Bass, Rev. Shannon Critcher, Rev. Chad Hendren, Rev. Lawson Horton, Mr. John Jones, Mr. Eric Mastin, Ms. Eileen McNeil, Mrs. Diane Shaw, Rev. David Sparks, Rev. Sherrill Wellborn, and Rev. Richard Whittington.

Rev. David Sparks, Acting Moderator in the absence of Rev. Horton who later joined the meeting, asked Mrs. Lib Billings to begin the meeting with prayer.

There being no reports from the Council members, the Calendar of Events was as follows:

Mrs. Diane Shaw announced a VBS Clinic on Monday, April 28, 2003 at Millers Creek Baptist Church beginning at 7 pm.

Rev. Richard Whittington – Sunday School Leadership Training Seminar, "The Passion of the Teacher" – 8:30 am – noon on Saturday, May 3, 2003 at Mt. Vernon Baptist Church in Boone.

Mrs. Diane Shaw gave a financial report stating that the budget was $40,000 behind the amount needed and that was, in part, due to the economy. All of the bills are paid up to date (4/25/03). There is approximately $151,000 in the Building Fund. As of 4/25/03, some 20 churches have not contributed toward the finances of the association during this past quarter; however, this is partly due to them reporting on a quarterly basis.

Motion was made by Mrs. Lib Billings, seconded by Mr. Harold Bass and approved to accept the minutes of the February 19, 2003 Council meeting as presented by the Associational Clerk.

Rev. Chad Hendren gave a report on the H.O.P.E. Ministry. The ministry is open on Monday, Tuesday, and Thursday from 9 am – 5 pm. There is still a need for volunteers and as of 4/25/03 there have been 139 clients to seek assistance. Rev. Hendren would like to request that each church challenge each member of their respective church to give $1 per month toward the support of the ministry. Rev. Hendren is working closely with other agencies; i.e. BROC, Wilkes Cares, Byrd Ridge, etc., to eliminate any misuse of the services and has received 10 or more referrals from Wilkes Cares. Monetary assistance is provided for fuel and power with the money being paid directly to the service supplier, not the individual. Clothing is on the voucher system through Ebenezer's Attic. Food is provided through the Food Bank and distributed from the H.O.P.E. ministry.

Discussion was held regarding referral of clients to churches in the areas where the clients reside for follow-up; interaction between H.O.P.E. and other county agencies to prevent misuse of the intended purpose of the ministry.

Rev. Horton presented the Missionary report, asking everyone to pray for the Association and that key emphasis for the Association will be in October this year instead of May. Other items on the Missionary report were:

- The Program Committee believes the Annual Meeting in October should highlight the Association. Rev. Horton suggested this would be an opportune time to be prepared to do a skit, power point, visuals, etc.

- Events should be coordinated with the scheduling calendar kept in the office to prevent conflicts. The July 28, 2003 Council meeting will be used to establish dates for upcoming events.
- Budget request forms are available and should be completed and returned as soon as possible, or no later than May 8, 2003. The requests will not be effective until September 1, 2003; however, they will be of help in preparing for the new Associational year. The budget is to be voted on at the July quarterly meeting.
- An Associational Leadership Training event is scheduled for all organizational directors September 5-6 at Ridgecrest beginning with dinner at 5 pm. It will be the same time as the Equipping Today's Church Leadership Training. Expenses will be paid for any Council member wishing to participate. If you are planning to attend, please let the office know by August 1, 2003. Rev. Richard Whittington commented that this was an excellent meeting last year and recommended it.
- A list of personnel and telephone numbers at the Baptist State Convention were provided.

Rev. Horton reiterated the possibility of other agencies utilizing a portion, or portions, of the H.O.P.E. Ministry building with the only charge to those agencies being the portion of the power bill and insurance for the space they occupy.

Mrs. Diane Shaw reported that Rev. Hendren had not been able to find a computer program that would satisfy the specific need he had at the H.O.P.E. ministry and that a member of one of the Brushy Mountain Baptist Association churches had written and implemented the computer program now being used by Rev. Hendren and the H.O.P.E. Ministry.

It was reported that at the present time there are no inquiries about the remaining portion of property still available for sale by the Association. The former Parsonage and land have been sold but the current Associational office and remaining land are still on the market for sale.

There being no further business, the meeting was adjourned with Mr. Harold Bass leading in prayer.

Meeting adjourned at 8:10 pm.

Respectfully submitted,

Ms. Eileen McNeil, Clerk

******Monthly amount needed to meet Budget needs: $15,589.68******

Due to the economy, some items in this year's budget had to be reduced or eliminated. The only major increase was in the amount budgeted for the "On Missions" Conference scheduled for March 2004. This event will require the purchase of airline tickets, hotel accommodations, food, etc. for 8 missionaries and their spouses. Also, there were no salary increases for the associational staff this year. The staff asked that no increases be given so that the mission ministries of the association could remain at last year's level or be increased. The Finance Committee agreed to this; however, it is our recommendation that, in lieu of an increase in salary, each member of the associational staff be granted an extra one week's vacation for this budget year only. Please give careful consideration to the proposed budget, which is to be voted on at the July Quarterly meeting. The budget, upon approval, becomes effective September 1, 2003.

Respectfully Submitted,
Mr. Jerry Woodie, Chair
Mr. Robert Baity
Mrs. Kim Walker
Mrs. Ruby Wayne
Mr. Len Moore
Mr. Les Dyer, Co-Chair

## ASSOCIATIONAL MISSIONARY REPORT

Looking back over last year's written report, I am happy to announce that several goals that I mentioned are already functioning, or are in the planning stage:

- A ministry to assist the poor in Wilkes County became a reality in March of this year. See the ***Ministry of h.o.p.e.*** Report for more insight.
- March 28-31, 2004, we will have an "On Mission" Celebration (World Missions Conference) involving 14 of our churches.
- Steps are now being taken to develop a strategy that should help us as an association of churches determine the future direction we should take. This will be accomplished through surveys, research, dreams, projected outcome, and goal setting.
- Many of our churches are participating in the distribution via mail of the ***Jesus*** video into every home in the county via mail. I am pleased with the response of our churches to this project. I am a very strong supporter of this tool being used to penetrate the homes in Wilkes with the gospel.
- The last goal that I had suggested in my report to the association was the construction and occupancy of a new office building. A design drawing of a proposed building has been completed and is to be on display at this annual meeting.

I rejoice over how the Lord has allowed us to put into motion several things that were mentioned in last year's report. I am definitely please with the progress.

During the associational year, I was privileged to visit at least twice in each of our churches. I conducted several conferences regarding Deacon training, spoke in several churches, provided counseling to Pastors, church staff, and lay people. Much has been done, but much is yet to be accomplished.

The future of our association is dependent upon us seeking the Lord's guidance in our strategy and development of the resources that will get us to the place He wants us to be.

The prayers, financial assistance, cooperation, and participation by the churches in the mission of this association will certainly help us reach the spiritual goals before us.

May we let God lead us to reach more unbelievers and teach those who are saved! Let us focus our attention on the Mind of Christ and faithfully follow Him in the next steps that we will be led to take.

Respectfully submitted,
Rev. Lawson D. Horton, Jr.

## BAPTIST CHILDREN'S HOMES REPORT

For 117 years, Baptist Children's Homes has cared for needy boys and girls in our state. Due to the difficult economic situation, this year they conducted the first-ever statewide *Food Roundup for BCH.* The response from the churches in the Brushy Mountain Baptist Association was overwhelming: **thirty-one churches participated**! The church list: Oak Grove-North Wilkesboro, First Baptist-North Wilkesboro, Mt. Pleasant, Edgewood, Liberty Grove, Beaver Creek, Walnut Grove, Moravian Falls, Pleasant Grove, Roaring River, Hinshaw Street, Bethany, Elk, Northside, Purlear, Lewis Fork, Wilkesboro, Greater Vision, Oak Grove-Millers Creek, Fishing Creek, Mt. Zion, New Hope, Pilgrim, Boiling Springs, Stony Hill, Welcome Home, Cub Creek, Little Rock, Zion Hill, Goshen, and Davis Memorial.

After the food was collected in the individual churches, deliveries were made to the ***h.o.p.e. Ministry*** building to be stored until the pick-up date of August 28. Volunteers who helped with boxing and loading were: Chad and Christy Hendren, Violet Francis, Judy and Frank McGee, Raymond Blevins, Jeff Gibby, Nelson Granade, Jerry Francis, Glenn Mitchell, James Huffman, Gary Newman, Worth and Linda Bentley.

Please keep the Baptist Children's Homes in your prayers and support them with your gifts as they face these challenging times.

Respectfully submitted,
Mrs. Linda Bentley
Associational Representative

## BIBLE DRILL REPORT

This year forty-nine children and youth in our association participated in Children and Youth Church Bible Drills/Speaker's Tournament and qualified to participate in the Associational Bible Drills/Speaker's Tournament held at Wilkesboro Baptist Church on March 30, 2003. This year's participants were from the following churches: Goshen, Lewis Fork, Millers Creek, and Moravian Falls. They did an outstanding job and many of them advanced to the State Drills held April 25-26, 2003 at Millers Creek Baptist Church. The Brushy Mountain Baptist Association also had two youth advance to the State Finalist Youth Bible Drill and State Speaker's Tournament in Thomasville.

The Children and Youth Bible Drills are valuable discipleship training programs designed to encourage children (grades 4-6) and youth (grades 7-9) to expand their knowledge of God's Word and develop skills in effectively using the Bible. Participants learn the books of the Bible, memorize selected verses with references and learn to locate key passages.

This association also offers an abbreviated drill for younger children, which encourages participation in Bible Drill from those who are Pre-K through grade 3.

In addition to the above drills, there is also a speaker's tournament (grades 10-12) which requires older youth to think seriously about what they believe and why, and then to verbalize their thoughts clearly and communicate them to a listening audience.

We are looking forward to another great year of Bible training for our children and youth. We would like to encourage all churches in our association to participate and for those that are not currently participating to prayerfully consider providing a Bible Drill and Speaker's Tournament program in your church this year.

Please remember the 2004 participants and leaders in prayer.

Respectfully submitted,
Mr. Sherrill Lowe and
Mrs. Wanda Lowe, Co-directors

## BROTHERHOOD REPORT

With the strong desire to follow Jesus' Great Commission as found in Matthew 28 18-20, I accepted the position of Brotherhood Director in April 2003. Having organized and participated in several mission trips with my home church, Fishing Creek Baptist, I feel fortunate for the opportunity to share the many wonderful opportunities and blessings that are available through participation in the Brotherhood.

Prior to my accepting this association title, the RA Competition was held in February 2003. There were 140 participants, representing 14 churches. David Sparks presented the message. Thanks to all that helped and all that participated.

A Brotherhood Training event was scheduled for September 9, 2003 at Fishing Creek Baptist Church. This meeting provided help with brotherhood groups or RA's. This training is led by North Carolina Baptist Men.

The RA Jamboree was placed on the associational calendar for October 10, 2003. This event is for those who want to learn more about God and the great outdoors.

Any church desiring assistance in establishing a Brotherhood or RA group, please feel free to contact me. I will be most eager to come and speak to you or your church about how the state mission trips that our Brotherhood have attended have blessed many, including myself, as we have traveled across the state to assist in rebuilding damaged homes. I am eager to serve you in this capacity and look forward to visiting the churches of the association within the upcoming year.

Respectfully submitted,
Eric J. Mastin
Associational Brotherhood Director

## DISCIPLESHIP TRAINING SUPPORTER REPORT

Last fall we "kicked off" the idea of a Christian Study "College" by offering discipleship courses at different locations in our county. Two courses were offered at Oak Grove Baptist in North Wilkesboro, *"Living Free"* by Beth Moore and *"How Much is Enough"* by Larry Burkett. Both were well attended and I praise God for any decisions made by the students in regards to their walk with Christ. In the spring, at Millers Creek Baptist, we offered *"A Time for Healing."* This class focuses on the issues and challenges of divorce. Eight ladies attended and I've heard that the Holy Spirit did some healing and brought about spiritual growth in all those involved. In fact, the ladies still keep and touch and lift each other up in prayer. We tried offering a men's course during both fall and spring semesters, but no one expressed interest.

The Discipleship Prayer and Study Team has not met at the time of this writing to discuss where we go from here. We would like to see each of our churches develop a vibrant discipleship program which encourages believers to become what Christ died for us to be…disciples. Following Jesus is not always easy to do in this world, but if He is going to be who we claim He is in our lives…Lord…then follow Him we must…no matter the cost.

Don't forget that the Associational office has several great short-term and long-term courses for churches to check out and use in their local congregations. Please come by the office and see what they have. God just may use it to change the lives of several folk in your church. He might even change you.

If I can ever be of assistance, please call me at 838-4446.

Respectfully submitted,
Shannon Critcher
Discipleship Training Director

## FRUITLAND BAPTIST BIBLE INSTITUTE REPORT

The Baptist State Convention of North Carolina had a vision in 1946 of beginning this school to provide training for individuals who were- called to the Christian ministry and, for some reason were not candidates for enrollment in other schools. The vision of our founders still guides the present ministry. Our mission is to provide training for Christian service which balances academic, inspirational, and practical emphases. The students who enroll here have unique needs that this school provides. Our total non-duplicated, cumulative enrollment for the year was 258.

Fruitland has changed through the fifty-seven years of its existence. Facilities have been replaced and the program has been revamped to meet changing needs. However, we endeavor to be steadfast in our commitment to be "true to God's word and loyal to His purpose." We are grateful for the continuing support of the Baptist State Convention and our friends everywhere.

In September 2002 we had the joy of dedicating the Randy Kilby Memorial Library. This magnificent facility houses our library, our computer laboratory, and will soon house our bookstore. We are happy to report that the debt on the building is paid in full.

A number of special events are held each year on our campus. Alumni Day and Preaching Week was held in October with Gene Mims of LifeWay Christian Resources, Nashville, Tennessee, as the visiting speaker. A Women's Retreat was held in October with Alice Lowrie of Lubbock, Texas as the guest speaker. In November, the staff of the Baptist State Convention conducted Sunday school seminars. The annual Founders' Days were held in May with Gray Allison of Memphis, Tennessee and Herb Revis of Jacksonville, Florida as the speakers. We anticipate the return of D. L. Lowrie of Lubbock, Texas as a visiting professor in the fall of 2003.

Some transition in our faculty has taken place during this year. Henry S. Beck, III, Director of Missions for the Carolina Baptist Association, is now teaching Church Administration. He replaces David Treadway who moved to another ministry. With the retirement of Ed. St. John, Victor Rampey, pastor of Main Street Baptist Church of Hendersonville, is now teaching Music. He has served as a Minister of Music as well as a Pastor. With the resignation of Roy Houston, Zollie Ward is now teaching Computer Science. He also teaches Computer Science at Blue Ridge Community College, Hendersonville.

Reports continue to come to us of the academic achievement and practical effectiveness of our graduates. Some graduates achieve highest academic honors in other schools. We are confident in saying that a student who does well with studies at Fruitland is prepared to do well in further study. Also, we are gratified to hear good reports of the ministry of our graduates in churches and other ministry settings.

We welcome visitors to our campus. Our offices are open except for holidays. Our school schedule is year-round. For a tour of the campus, contact may be made with our Campus Services Director, Todd Edmiston, by calling 828-685-8886, or by our e-mail address, fruitland@mchsi.com.

Rev. Mike Hamby

## MISSION DEVELOPMENT COUNCIL REPORT

In October 2002 we had the booth at the Apple Festival. Also in October we prepared 75 meals for the Fair workers. The Volunteer Mission Banquet on November 16th was a great success. This year the H.O.P.E. ministry has become a reality. We plan to feed the Fair workers and have the booth again at the Apple Festival this year. The On Mission Celebration will be March 28-31, 2004. We have 14 churches participating . This is always a great time meeting the missionaries and hearing about God's work through them. We covet your prayers as we seek God's guidance for a Toy Store in our association. All these ministries require many VOLUNTEERS. Please pray about your availability in serving God through these ministries as well as in your own church.

Respectfully submitted,
Mr. Charles Billings
Mrs. Elizabeth Billings

**The** ETC Equipping Today's Church **Training at Ridgecrest was scheduled for September 5th and 6th. All of your church leaders can find training opportunities there, including Sunday school workers for all ages. Call the associational office for future details.**

## WILKES MINISTRY OF *h.o.p.e.*

(**h**elping **o**ther **p**eople **e**xcel)

This is a new ministry started this year by the Association and opened on March 24, 2003. The reason for this ministry is to reach out to the citizens of Wilkes County during this time of growing financial burdens and hunger.

Our main goal is to give spiritual support to those in need. Clients come with a wide variety of needs and problems in their lives. Through our interview process we are able to talk one on one with clients, seek out their needs, and pray with them for God's guidance and strength.

Since we opened our doors we have assisted over 600 different families. We have issued $1535.00 in clothes vouchers, $6334.25 in financial assistance, and giving out over 21 ½ tons of food. But the greatest of all, we have had 11 people to make professions of faith in our office. God is hard at work and so are we.

Respectfully submitted,
Rev. Chad Hendren, Director

## WMU REPORT

First of all, I would like to thank all the members of the WMU Leadership Team for their help in making my first year as WMU Director such a joy! We are blessed to have such a group of women so dedicated to mission work.

We began our year by collecting items for hygiene bags for the fair workers in October. They were so thankful for the bags and the meal that the Brotherhood provided. It's amazing how much small things can mean when they are done in the name of Christ!

In October we also observed World Hunger Day by collecting nonperishable food items from all the churches in the association. We collected over 6500 items, which were given to BROC and Wilkes Cares to be distributed to the needy in the area.

In November we participated in the North Carolina WMU's project to provide Christmas gifts to women inmates at the North Carolina Women's Correctional Center. We collected over 500 tubes of toothpaste! Again, thanks to all who helped with this project. We also met together on November 4 to pray with women all around the world as we observed the Baptist Women's Day of Prayer.

Our annual WMU Prayer Retreat was held in March and was a great success. Sandra Harrison from the West Yadkin Association led the women in discovering their spiritual gifts.

Our annual associational WMU training was held in August. We had 48 women from 13 different churches come out to share ideas and learn how to be better leaders in our churches.

We again held our Annual Celebration in September. In keeping with the WMU Project, Restorative Justice, our speaker was Scottie Barnes, founder of Forgiven Ministry. Scottie grew up as the daughter of an inmate and now reaches out to inmates all over the world.

I am truly looking forward to another year in WMU as we continue to "Discover the Joy of Missions!"

Respectfully submitted,
Mrs. Kim Walker, Director

## YOUTH COMMITTEE REPORT

First, I would like to thank the members of the Youth Committee for their hard work and patience. Whenever I am with these folks, either as a group or one on one, I can feel God's spirit all around. Thank you Lord!

I am filing this report before the year is over so I'll tell you what we have planned. That New Thing Tour (TNTT) from Camp Caswell will be coming up this fall. This group teaches our youth to witness more effectively with praise and worship music, bible study, and how to turn a regular conversation into one about Jesus.

This winter there will be a Youth Rally hopefully bringing in kids from the surrounding area. There will be live music and more importantly the Gospel of Jesus Christ will be preached.

Next spring we are planning an outdoor concert. We want to bring together all the praise and worship groups, soloist, quartets, drama groups, etc. Our prayer is that God will lead us.

Respectfully submitted,
Eddie Billings, Director

**OAK GROVE-MILLERS CREEK** – Ordained two additional deacons on May 18, 2003: Bobby Harless and Kenneth Wayne

**OAKWOODS** – We continue our strong support of missions this year, both financially and with participation. Many members participate in local missions with our tape ministry, handyman ministry, and housewarming ministry. In September our Pastor, Rev. Robert Duncan, traveled to the country of Latvia to preach in the prisons there with Rev. Fred Hawks. Rev. Hawks is a full-time missionary to Latvia that our church supports. While there, he witnessed many souls being saved. In December, John L. Jones, Edwin Cochrane, and Clinton Reins traveled to Guatemala. They went to several churches there and gave out clothing and shoes to the children in each church. In December, five members went with other associational members to New York, handing out warm clothing to the homeless there, giving them gifts and sharing God's word and love with them. In January, our Pastor went to Sao Paulo, Brazil and preached at the dedication service of a new church that our church helped build in 2001. He preached at services during the week and saw many people accept Christ. In July, our Associate Pastor, Rev. Victor Church, and Rev. Grant Caudill traveled to Sao Paulo, Brazil to work in the Third Baptist Church of Osasco. The primary goal of this trip was to share the gospel and encourage this church and their Pastor. They preached in several churches there and say many people accept Christ. In July 2002, we started a "Meals-on-Wheels" program with Michael and Shannon Goodman as directors. We purchase the meals from the Senior Citizens Center in Mulberry and members of the church deliver them to the elderly five days a week. From July 2002 to August 31, 2003, we have delivered a total of 3,177 meals. This is a great service for the elderly in our church and community. Besides providing a well-balanced hot meal each day, it also gives these folks human contact at least once a day. The folks who deliver the meals receive as much a blessing as the ones who receive the meals. In January the church voted to sell the church parsonage. In March, the church voted to purchase 5.13 acres of adjoining land to the church. In April the church voted to purchase playground equipment. We also voted to purchase a 15-passenger bus for the church and to build a 3,000 square foot addition to the back of the sanctuary. This addition would be made up of a choir room several offices/Sunday school rooms and two restrooms. God continues to bless at Oakwoods.

Also started a committee "Cricket" cheer and encourage members and community.

**PILGRIM** – We had two revivals this year that were blessings to our church. In November we had a Harvest Crusade and in May we held an Old Fashioned Tent Revival jointly with Mt. They helped raise money to send the Youth Director to England and Ireland on a mission trip and the church building fund. The WOM collected recipes from ladies of our church and had their first cookbook made entitled, "Feed the Flock" with the proceeds from the book going to the church building fund. They also sold tote bags with the proceeds going to "Feed the Children". Baby booties were donated to the Wilkes Crisis Pregnancy Center. A bloodmobile was sponsored, and money donated to Millers Creek Christian School for scholarship fund. Our Youth group went to Ensenda, Mexico. While there they worked with children at an orphanage and helped build sidewalks at a church. Vote to make formal application for

membership in the Brushy Mountain Baptist Association. We have been introduced and have knowledge of the Baptist Faith and Message statement and do accept its teachings in belief and practice. We pledge to contribute financially to the Cooperative Program of the Southern Baptist Convention which supports the work of Baptists in the state, nation, and overseas, to give evidence of our missionary zeal. We further pledge to adhere to the Articles of Incorporation and By-laws of the Association and fully understand that we must comply with the guidelines for membership set forth in Article IV of the By-laws.

We commit to be a duly-constituted and organized Southern Baptist Church, and will maintain this status at all times, or will voluntarily withdraw from the Association.

We understand that upon submitting this application, accompanied with a Southern Baptist Convention Annual Church Profile, to the Association and its Membership Committee, and an investigation is completed and found favorable, the committee may recommend at any regular quarterly meeting that the church applying for membership be granted associate membership for one full year. The association may, then by majority vote, receive them as associate members. During that year, the associate member church must submit monthly written reports on forms provided by the associational office, and shall have the right to send non-voting messengers to the associational meetings.

We also understand that when the year has expired, the membership committee will further review the status of the church making application, and, if found favorable, will then recommend to the association in a regular quarterly meeting full membership of the church into the association. the association may vote to grant full membership, to extend the associate member status for another year for further review, or deny the application and terminate the associate member status. If the association then votes to receive the church, having the same rights and privileges as the other member churches, the moderator shall extend the hand of fellowship to its messengers.

**The Dedication Of Annuals Committee Recommends That The Minutes of The One Hundred Thirty-Third Annual Session Be Dedicated To**

**Mr. Raymond Blevins**

If there is a term that describes the character of Raymond Blevins, to whom this annual is being dedicated, it would be Servant Leader. Yet it is not his nature to desire public recognition for the meaningful tasks that he does for others and the leadership he provides in the First Baptist Church of North Wilkesboro and the community at large.

Raymond has served in several key positions in his church. He was ordained as a deacon in 1953, and has held numerous chairmanships. He was elected to serve as a Sunday School teacher to youth (at that time they were called Intermediates), and is currently a Bible Study leader for adults. He has also had the responsibility of being the Sunday School Superintendent in his church and the Northside Mission that was started by First Baptist.

Other church mission service opportunities were: the first president of the Men's Brotherhood, and later Chairman of the Men of the Church.

His interest in missions has taken him beyond the church to meet the needs of people in crisis, and to serve effectively in places of leadership in the Association. His involvement in the Association gave him an opportunity to serve as its Brotherhood President, and as Director of Stewardship.

Raymond has provided good leadership in financial management in the secular world as well as in religious circles. He has taken his professional skills as a CPA and applied them in the spiritual realm of the church and Association. He has previously served as co-chairman of the Fund Raising Campaign to build the Wayland Building at First Baptist North Wilkesboro. He also chaired the church finance committee. There have been many committees that have benefited from his wisdom and knowledge in achieving worthy goals in all places where he has been willing to serve.

With his experience and christian maturity, others have recognized his leadership qualities and have bestowed upon him several places of christian service. He once served as a member of the General Board of the Baptist State Convention of North Carolina. He has recently been elected as a trustee for the Baptist Children's Home of North Carolina.

Though he has been influential to many throughout life, he has never sought public recognition. His friends are glad that he is receiving attention for the good he has done for all mankind. Someone has said that Raymond does many things to help people especially the most needy. We may not know all that he has contributed to the Kingdom of God, but one day he will hear the Master say, "...well done thou good and faithful servant: thou has been faithful over a few things, I will make thee ruler over many things: enter thou into the joy of thy Lord" (Matthew 25:21)

History of

# Pilgrim Baptist Church
## *1850-2004*

Pilgrim Baptist Church was organized on March 7, 1859 at the Free Will Meeting House in Wilkes County. The first pastor of the church was A. W. Vannoy, who served the church from 1850 until 1863. From the organization of the church, to the present, thirty- five pastors have served the Lord here at Pilgrim.

The minutes for the first seventy-five years were taken up almost entirely with the discipline of the members of the church.

After years of meeting in a small, white, wood framed building, the church voted to purchase an acre of land across the road from the church to build a new sanctuary. On July 15, 1962 the congregation met for its first worship service in the new building.

On April 5, 1970 the church voted to purchase land surrounding the sanctuary to build a fellowship hall and educational building. This construction began in 1973 and was completed in 1974. A dedication service was held on November 24, 1974.

In 1986, renovations began on the sanctuary and the educational building. These renovations were completed in 1987, bringing them to how we know them and see them today.

In 1991, the church called Dennis Love to be our pastor.

In 1992, a picnic shelter, and barbecue pit were built behind the fellowship building. Grading and the paving of the lower parking lot was also completed in 1992. During this same year, our mission groups were organized to include: The Baptist Men, Women on Mission, Youth Group, Girls in Action (GA's), Royal Ambassadors (RA' s), and Mission Friends.

In 1993, the church voted to support Rev. Dennis Love as our first full time minister. From 1996-1998, we supported Dennis as he furthered his education at Fruitland Baptist Bible Institute where he earned an Associate degree in Religion and Church Ministries. Dennis continued his education through Covington Theological Seminary where he earned his Bachelor of Ministry degree in 1999, his Master of Ministry degree in Pastoral Studies in 2000, and his Doctor of Ministry degree in the Bible in 2001.

In 1994, the church voted to expand the fellowship building and to renovate the existing seating area.

In 1998, the church voted to remodel the kitchen in the fellowship building making it a very nice facility to accommodate all of our church meals and fellowship gatherings.

In the spring of 1998, the church voted to install a new lighted sign at the front of the church to share messages of inspiration and information to the community.

In the winter months of 1999, the church voted to rent the billboard on Highway 421 at the entrance of Pilgrim Baptist Church Road as an ongoing outreach ministry to our community.

In the spring of 2000, the church voted to begin a county-wide video ministry. Our services are being video taped and aired on the local cable TV channel as an outreach ministry.

In the spring of 2000, renovations to the cemetery grounds were completed with the work and help of our Baptist Men.

In 2000, Brian Sampson announced his call into the ministry and the church granted him a license to preach the gospel.

In 2001, the church began a CARE Team Ministry that meets the third Thursday of each month. Teams meet to pray, to write cards, and to make door-to-door personal visits.

In 2001, the church voted to give the building committee the approval to secure an architect and to begin their work on a complete set of drawings for a new sanctuary.

In November 2002, the church had a Harvest Crusade with Evangelist William Blackburn. The church experienced a great harvest of souls and baptized 41 people back into the church.

In June 2003, the building committee presented the price, the plans, and the construction company to the church for a new worship center. Cost for the new sanctuary is 1.7 million dollars.

In November of 2003, new playground equipment was installed to help meet the needs of the growth we're experiencing with the church's new "His Kids" ministry.

On Sunday, April 25th, 2004, a special day of singing, preaching, and ground-breaking service was observed for our new worship center. At the present, we are in the process of "Rising Up To Build" a new sanctuary for the honor and glory of our Lord and Savior Jesus Christ.

Rev. Jeffrey Gibby, Moderator, called the meeting to order at 7:00 o'clock p.m. followed by Mr. Harold Bass leading the congregational song "More About Jesus", concluding with Rev. Curtis Williams, Associate Pastor of Mt. Pleasant Baptist Church, reading scripture from Matthew, Chapter 25, verse 31.

The moderator called for any miscellaneous business. (none reported)

Reports presented were as follows:

"Jesus" Video

Rev. Dennis Clonch addressed the "Jesus" video distribution stating that as of December 31,2003, twenty-two counties have received the video.

Rev. Clonch, with input from Rev. Ken Pardue, suggested that churches should select a "follow-up" Captain to attend an orientation meeting to be held February 12, 2004 Ebenezer Garden Christian Children's Home Chapel to provide more information about doing door to door visitation in the respective church communities. Following a question and answer period, Rev. Clonch stated that a series entitled, "Sharing Jesus Without Fear" would be a useful tool to familiarize the team's with and also the use of any of the plans of salvation certainly would be beneficial.

**On Mission Celebration**

Rev. Lawson Horton gave a report on the "On Mission" Celebration stating that those churches involved will be learning about the ministry of missionaries who are supported through the Cooperative Program and special mission offerings. Those churches who are not involved should try and attend a session at one of the participating church.

**Baptist Children's Home**

Linda Bentley presented a report on the Baptist Children's Home. In her report, Mrs. Bentley stated that in years past people use to consider the Home as an orphanage; however, it is not an orphanage home anymore but is filled with many abused and neglected children. Mrs. Bentley suggested that the Children's Home would be an excellent facility for youth groups to visit. Also, in speaking of time and efforts toward the Home, Mrs. Bentley stated that one of the best ambassadors to the children's home is Raymond Blevins who was instrumental in providing 30,000 pounds of chicken to the home through Tyson.

Reading from II Corinthians, Chapter 5, beginning with verse 15 through the end of the chapter and portions of Chapter 6, verses 1-10, Rev. Hollifield based his sermon on goals and vision of what God want you to do in your life, pointing out that each of us are compelled to take the word of God to help others reach God. Rev. Hollifield asked how many homes could we see through the front windows of our churches that do not know Christ. Each one needs to ask God for new vision, then listen for Him to speak, follow his calling, knowing that the love of Christ constrains us and his power compels us to seek his presence. We are to spread the news of Jesus Christ and the distribution of the "Jesus" video is a powerful tool in this effort. Rev. Hollifield concluded his sermon with prayer followed by the Moderator asking Rev. Lawson Horton to continue with the prayer and during this time, many of the congregation came to the alter.

The congregation sang "Amazing Grace" and adjourned the meeting at 8:37 p.m.

Prayer will bring revival; however, it must begin with each individual. Mr. Osment stressed that over two million dollars would be spent in benevolent care over the next year assuring that no one is left without care even thought they may not be in a position to continue to pay their own way. Approximately

ninety percent of the money received by the Baptist Retirement Homes is used to provide nursing care and the money is always applied where most needed.

The truths are trying to be held back but Gods truth will prevail but doesn't matter to those who continue to try to destroy the truth. All you have to do is look around, even the unbelieving, and know that God created what is around us. If you accept the Creator then you love the Creator. At the first Thanksgiving, the pilgrims gave thanks to God but now it is not mentioned in the text books of the thanks to God. The educational service now does not allow the mention of God but the U.S. Constitution never intended for reference to God to be removed. The suppression of Gods truth in Alaskan schools forbids any student to mention the word Christmas because it contains *Christ.* It is each person's duty to work diligently, and be responsible in conveying Gods truth.

There being no further business to come before the meeting, motion was made, seconded and approved to adjourn. Rev. Jay Johnson offered the closing prayer.

Meeting adjourned at 8:38 o'clock p.m.

The afternoon session was dismissed by Rev. Dennis Love at 5:58 o'clock p.m. in prayer and offering of the blessing of the forthcoming meal that was prepared and served by the members of Pilgrim Baptist Church.

There were 97 messengers and 32 visitors registered for the afternoon session.

## EVENING SESSION

Rev. Jeff Gibby called the evening session to order at 7:00 o'clock p.m. followed by Rev. Tom Bartlett reading scripture from Deuteronomy, Chapter 4, proposing a challenge to Pastor's to reserve time with their own families, teaching them through the Ten Commandments and through prayer to enrich the lives of those they minister to, concluding with prayer.

A delightful program of music through song and was presented by Pilgrim Baptist Church Children's Choir.

Rev. Chad Hendren read scripture from Matthew, Chapter 25, verse 40 and Luke, Chapter 4, verse 18. Rev. Hendren spoke on the work of **h.o.p.e.** ministry and upcoming events and forthcoming plans for the ministry. Some of the hopes and desires for the **h.o.p.e**. Ministry include the building of a wood shed to store wood for families in need of fuel for the winter, to plant a garden beginning in March 2005 that will be a source of fresh vegetables for the needy next summer, life management skill classes to begin in January, 2005 and the placement of an office manager at **h.o.p.e.** relieving Rev. Hendren to be more available to assist Rev. Horton and carry out the duties of the CCM.

Rev. Tom Bartlett led the congregation in singing, *"I Stand Amazed in the Presence/Give Us Clean Hands.* „Rev. Bartlett introduced Mr. Brian Lowe who provided guitar accompaniment throughout the meetings.

Rev. Jay Johnson gave a report on Prayer Emphasis stating that 11 churches have committed to this program with the first meeting being held on September 20, 2004 at Cub Creek Baptist Church. Rev. Johnson read from Acts, Chapter 4 and 2nd Chronicles, stressing that the country needs to come together "on their knees" in prayer.

On behalf of the Resolutions Committee, motion was made, seconded and carried to accept the "Committed To Kingdom Families" resolution as read earlier and printed on page 38 of the Book of Reports and to also accept the resolution as printed on page 45 *OJ* the Book of Reports expressing thanks to Pilgrim Baptist Church and the pastor, Rev. Dennis Love, for the hospitality to the messengers and visitors of the Brushy Mountain Baptist Association and to the Associational Staff for their labors of love during the past year. Adopted.

Bringing the evening message, Rev. Hadley Triplett spoke on "Strong Family/Strong Ties. Reading scripture from Genesis, Chapter 2, verses 18-24, Rev. Triplett emphasized that the bible calls for one man and one woman and the protection of family that God created through them. Referencing Exodus, Chapter 20, and specifically to wherein it speaks of how God built safeguards for the family in the Scripture of the Ten Commandments and that Proverbs gives insight on how to listen, providing strengths to a family. Rev. Triplett stated that we must submit ourselves, one to another in the fear of God, being obedient in nurturing and admiration of the Lord. In conclusion, Rev. Triplett read the words to the song, "Blessed Be The Ties That Bind," stating that these words were penned in 1782 concluding his sermon in prayer..

There being no further business requiring the attention of the Association, motion was made, seconded and approved to adjourn the 133rd Annual meeting of the Brushy Mountain Baptist Association, concluding with prayer.

Adjournment at 8:38 o'clock p.m. There was a total, including afternoon and evening sessions, of 113 messengers, 37 visitors and 19 singers (Pilgrim Baptist Church Children Choir).

Respectfully submitted,

Eileen McNeil, Clerk

## ASSOCIATIONAL MISSIONARY REPORT

This past year I had the privilege of conducting revival services, discipleship classes, deacon retreats, filling the pulpit in the absence of pastors, and participating in special services that were planned by various churches.

Some of the highlights during the year were the On Mission Celebration held in March 2004, the Prayer Conference held at the Millers Creek Baptist Church, which led to the formation of an associational Prayer Team, consisting of individuals chosen by the pastors of participating churches. Other events included, were the creation of a Christmas Toy Store that will be in operation December 10-11. Our goal will be for God to use us to express the joy of the Lord in the homes of many oppressed people.

I am grateful for the work of our team players as they provided leadership in their respective area of ministry. This leadership team met at least four times to transact the business of the association when we were not in session, and performed admirably. Several committees were put into action during the year and served us well.

I am pleased with the support that our churches gave this year as they rallied to meet the financial obligations of the association. My desire is to lead this association to have a great spiritual impact here and around the world. That will happen as we stay, pray, and work together with God's leadership. Hopefully our churches will be pleased with the direction the association is going and will continue to give support that is needed.

Almost always negative experiences can be expected. These situations can make us stronger as we work through them, or leave us weak and inept with the challenges facing us. The association was challenged when we lost our secretary, but I believe we will continue to make great strides with the kind of help we will be getting from our new one. I am satisfied with the work that is being done, and confident that our new secretary will be very productive.

During the annual meeting, I will share some of my dreams and reveal some of the awesome work our God here and in other places. God is about to do something, and we do not want to miss the blessing.

Respectively submitted,
Rev. Lawson D. Horton, Jr.

## BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

(July 2003-July 2004)

***Above and beyond - these words best describe what North Carolina Baptists did last year !...*** Churches around the state came mightily to the aid of Baptist Children's Homes in 2003-04 as their beloved institution faced one of its most critical financial times. Prayers, money, and gifts of food, towels, sheets, school supplies, and clothes flooded in. 'These showers of blessings softened the blow of a nearly four million-dollar budget cut. ***Thank you.***

History was made as churches from all 80 Baptist Associations gave food to BCH's first--ever statewide food roundup. Nearly 500,000 pounds of food were collected filling every available space on our campuses. Directors of Missions graciously opened their offices as collection points for the food. Churches delivered food filling their offices, halls and storage rooms. Trucking companies picked up the food from the association offices and delivered this great expression of your love and concern. ***Thank you!***

(The next food Roundup is slated for April 2005.)

Last year, nearly 2000 videos of ***Jennifer's Story*** were distributed to churches. The video told how North Carolina Baptists made a difference in the life of Jennifer Shore. Jennifer found hope and healing at Baptist Children's Homes. As an adult she and her husband returned to become child care workers. More than 600 churches invited BCH representatives to share how the lives of children, children like Jennifer, are being changed every day. United together, North Carolina Baptists not only met the 2003 Thanksgiving Offering goal, but exceeded it! ***Thank you.***

Baptist Children's Homes is at the center of North Carolina Baptists' hearts. Their actions prove it! Jesus challenged us all when he said, "In the same way, let your light shine before men, that they may see your good deeds and praise your Father in heaven." Our children and staff, the people in your communities, and the citizens of North Carolina saw Jesus in action and our Heavenly Father was glorified! ***Thank you.***

***Blackwell marks 20th year president...*** *On July* 1,1983, Michael C. Blackwell became president of BCH. Trustees honored his twenty years of ministry during their September 2003 board meeting with "A Celebration of Ministry."

***BCH begins strategic planning process...*** BCH president Michael C. Blackwell initiated an agency year-long strategic planning effort. Blackwell says this is the most comprehensive effort since he became president. All are of the agency are involved in the development of the plan. Recommendations will be presented to the Trustees at their September meeting. The plan will debut in January 2005.

***Shine your light!...***Inspired by North Carolina Baptists, this year's Thanksgiving Offering theme is "Shine your light." Although blessings flowed freely in 2003 helping to avert more difficult hardships, our need remains great. Children and families continue to pour out their hurt in our doorsteps. Alone and suffering, children need to know that in their journey of darkness there is a light shining, guiding them to a better day. You help keep the light on and shining bright as we, day-to-day, offer help in Jesus' name. Our statewide Thanksgiving Offering goal this year is $1,300,000. This represents a $75,000 increase

over last year's offering goal. An increase demanded by necessity. Challenge your church to participate in the 2004 Thanksgiving Offering. ***Our success depends on you.***

***BCH...Focused on the Future.*** Despite the trying times, Baptist Children's Homes continues to be committed to providing only the highest quality of service. Children who come through BCH's doors continue to receive an abundance of love, care and healing. A dedicated staff serves and gives of themselves sacrificially. The lives of children and families are worth every effort. BCH holds true to its mission of ***"helping hurting children... healing broken families."***

The support of North Carolina Baptists through the Thanksgiving Offering, Cooperative Missions giving, church and individual gifts, memorials, honors, and estate gifts enables BCH to provide care for more than 2000 children through our locations across the state. *Thank you, North Carolina Baptists, for your continued prayers and support. We could not do what we do without you.*

Respectfully submitted,
Michael C. Blackwell, President
Abe Elmore, Board of Trustees Chair Fall 2004

## BIBLE DRILL REPORT

This year thirty-two children and youth participated in their church Bible Drills/Speaker's Tournament and qualified to participate in the Associational Bible Drill held at Wilkesboro Baptist Church on April 4, 2004. These participants were from Goshen, Lewis Fork, Millers Creek, Moravian Falls and Wilkesboro Baptist churches. They all did an outstanding job and fourteen participants advanced to the State Bible Drills/Speaker's Tournament. The Brushy Mountain Baptist Association also had two youth advance, for the second consecutive year, to the State Finalist Youth Bible Drill and State Speaker's Tournament held in Thomasville.

Bible Drill is an effective program designed to encourage children (grades 4- 6) and youth (grades 7-9) to expand their knowledge of God's Word and develop skills in effectively using the Bible. Participants learn the books of the Bible, memorize selected verses with references and learn to locate key passages. This association also offers an abbreviated drill for younger children, which encourages participation in Bible Drill from those who are Pre-K through grade 3. In addition to the Bible drills, there is also a speaker's tournament (grades 10-12) which requires older youth to think seriously about what they believe and why, and then to verbalize their thoughts clearly and communicate them to a listening audience.

We are looking forward to another great year of enhancing Bible skills and understanding of God's Word through participation in Bible Drill/Speaker's Tournament. We would like to encourage all churches that are not currently participating to prayerfully consider providing this program for your children and youth. Please remember the 2005 participants and leaders in prayer.

Respectfully submitted,
Sherrill and Wanda Lowe Co-directors

## BROTHERHOOD REPORT

Many opportunities to serve and fellowship in His love were available during the past year. In February, 2004, the RA competition was held at Wilkesboro Baptist Church. Approximately 80 participants competed in the annual car race and around 200 people attended total. The track meet was held in April, 2004 at Wilkes Central High School. There were only 4 participants, but we are hoping for more participation next year. A Baptist Men Training is set on the calendar for the month of September. The RA Jamboree is also scheduled for September. The jamboree will be held at W. Kerr Scott Lake. I would like to thank all the people who help put these events together, and also who participated in the events.

Any church, desiring to do God's work by starting a Brotherhood or RA group, please feel free to contact me. I am most eager to come speak to you or your church about the In State Mission trips that I have participated in with my home church, Fishing Creek Baptist. Those who have served have blessed many, as well as been blessed themselves, as assistance was provided to people needing their storm-damaged homes repaired.

I hope to work with others by assisting them in the initial organization of a Brotherhood or a RA group at their church. I look forward to visiting the churches of the Brushy Mountain Baptist Association. If I may be of assistance to you in any way, please feel free to call my home at 984-4840.

Respectfully submitted,
Eric J. Mastin

Associational Brotherhood Director

## DISCIPLESHIP REPORT

"Come, follow me." These words of Jesus echo through the ages and off the pages of Scripture to remind us of this great command. Following Jesus is not as easy as it sounds. Sometimes our Shepherd leads to peaceful streams and green pastures, while other times he may lead through a scary valley or even prepare a table before us in the presence of our enemies. But following Him is worth it, because of His presence. He promises to go with us every step of the way. His Spirit indwells His people to give them power, peace, and abiding sense that He will never leave us nor forsake us.

Discipleship is the act of doing what a disciple does... following Jesus. The discipleship arm of our association is meant to be an encouragement to you and your family as you keep in step with our Master. I hope you will take advantage of not only associational opportunities to grow, but also of those classes your local church offers.

A few weeks ago we had our fall course for the Brushy Mountain Association. Marty Dupree of the NC Baptist State Convention taught a course on Witness Training on September 7 at Millers Creek Baptist Church. At the time of this writing the course had not taken place yet, so I am unable to tell you much about it. But I trust that it was a blessing to those who were able to attend.

May God bless you as you follow Him. .. I know He will. If I can ever assist you or your church in the area of discipleship, please do not hesitate to call. My daytime phone number is 838-4446 or you can email me from our church website-millerscreekbaptist.org.

Submitted out of service to our King,
Rev. Shannon Critcher,
Associational Discipleship Director

## FRUITLAND BAPTIST BIBLE INSTITUTE
## July, 2003 - June, 2004

Our mission at Fruitland is to provide quality training for Christian ministry that balances academic, devotional, and practical emphases. Academically, we aim to lay a foundation for any further study that the student may undertake. Our graduates have demonstrated the academic quality of our program by doing well in a number of schools across the country to which they have transferred. The devotional atmosphere which we seek to maintain in our classrooms and on our campus challenges students to grow spiritually. Worship in chapel is a daily part of our campus life. The fact that most of our faculty members are involved in some regular ministry enhances our practical emphasis and helps prepare our graduates to enter various positions of Christian ministry. Our student body is diverse in ages and backgrounds. Several international students have been enrolled.

Several of our students are involved in regular ministries during their Studies. Student family housing and dormitory housing provide for resident students and we have many commuting students. Our cumulative, non- duplicated enrollment for the past year was 257. In consultation with Hispanic church leaders and Larry Phillips of the State Convention staff, we began classes in Spanish in the Spring of 2004.

On September 9, 2003, administration, faculty, staff, Students, and alumni joined in the celebration of the fiftieth anniversary of Dr. John Rymer as a faculty member. Although Dr. Rymer has taught several different subjects during the years, he continues to teach Old Testament which he has taught during his entire tenure. Joe Stoneham is the newest faculty member. He teaches Computer Science. He is a native of Dallas, Texas, where his parents were married by Dr. George W. Truett, noted pastor of the First Baptist Church. He is a graduate of Old Dominion University, Norfolk, Virginia, with a B. S. degree in Electrical Engineering Technology. He is married to Judy Bates Stoneham who is a staff member at Blue Ridge Community College. They are active in the First Baptist Church of Henderson vii Ie, NC. In the Fall Quarter of 2003 we had Dr. D. L. Lowrie of Lubbock, Texas, as visiting professor of Old Testament and Pastoral Ministries. Dr. Lowrie is scheduled to return for the Fall Quarter of 2004.
A number of special events are held on our campus annually. In October we observed Alumni Day and Preaching Week. Visiting speakers were Joe Brown of Charlotte, NC, and D. L. Lowrie of Lubbock, Texas. On Founders' Days in May our guest speakers were Dr. Gray Allison of Memphis, Tennessee and Dr. Elmer Towns of Lynchburg, Virginia. Alice Lowrie was the guest leader for the Women's Retreat held in October. Sunday School Seminars were conducted by the staff of the Baptist State Convention in November.

Preliminary plans have been made to renovate the Crouch Building which houses our chapel and eight classrooms. This would include the enlargement of the chapel to provide better for graduations and special events and the equipping of the classrooms for the use of the latest technology in multi-media presentations.

Fruitland continues to adapt to changing needs and opportunities while endeavoring always to remain "true to God's Word and loyal to His purpose." We are grateful for the continuing support of the Baptist State Convention in providing for us the opportunity to participate as partners moving toward the fulfillment of the Great Commission. Our alumni continue to assist us in the fulfillment of our mission by praying, recommending the school to prospective Students, and giving. Visiting groups and individuals are welcome to visit our beautiful campus. Our offices are open except for holidays. For a tour of the

campus contact Todd Edmiston, our Campus Services Director by telephone at 828-685-8886 or by E-mail at fruitland@mchsi.com.

## Mission Development Council Report

The Missions Development Council is currently making plans to prepare 75 meals and health kits for the fair employees in October. We plan to further this ministry by having a nurse available to do blood pressure checks for the employees. We will also be presenting the Jesus video each night during the fair except Wednesday for any workers who would want to watch it.

Plans are underway for a booth at the Apple Festival on October 2nd. As an added feature this year there will be character balloons and face painting for the children.

Development of a Toy Store for our association is well under way and will be in operation for the 2004 Christmas season. The Toy Store will be located at the HOPE center. You will hear more about this in the near future as volunteers and donations will be needed.

There are many local opportunities for anyone who would like to volunteer for mission work. The HOPE ministry, the fair, the Apple Festival, and the Toy Store are just a few. Please pray about the possibilities of you serving God through one of these ministries. The Mission Development Council continues to covet your prayers as we seek God's guidance in all of these ministries in our association.

Delores Broyhill

We have enjoyed serving our Lord our first full year. God has been so good to this ministry. We have had 24 people to make a profession of faith in our office and two to rededicate their life to the Lord.

This year God has blessed us with many things. We have a van for making trips to the food bank in Winston, a walk-in cooler and many exciting plans getting ready to start broadening our ministry so that we can help assist the people of Wilkes during their time of need. This past year from August 1, 2003 thru July 31, 2004 we administered the following:

- 3526 Client visits in our office . 66.9 tons of food given out
- Fed 11594 people
- $12,164.05 in Financial Assistance

We do not have a set budget at the ministry. We are never sure how much money will be received any given month. We use a floating budget which simple means, if we have it we give it. The following pages will give you an idea how we have to spend our money to maintain operations.

All of this is possible by your continued prayer and support. Thank you for a wonderful year. May God bless you greatly through your giving to His Mission.

These are the operating costs per month using only the following categories:

Employee Salary Payroll Tax
Employee Insurance Benefit
Utilities: Power, Telephone, Water, Sewer, Garbage Mileage Reimbursement

January 2628.27
February 2416.70 includes mileage reimbursement of$ 265.50
March 2608.43 includes mileage reimbursement of $ 309.75

May 2218.79 includes mileage reimbursement of$ 265.50
June 2195.87 July 2629.03

Total $16896.39

Average Operating Cost per Month $2413.77

- Other costs include:
- Food Purchases Office Supplies
- Insurance on Building
- Maintenance of Building
- Misc.
-

The amount of money that we know we will receive each month is $ 3116.33.
There are other churches, businesses, and individuals that give money but not on a regular basis that can be counted as definite inflow.

## WMU Report 2003-2004

This has been a great year in WMU as we have continued to explore God's Plan, My Part! We once again began the year with our ministry to the fair workers. We collected items for hygiene bags and distributed them to the workers during the meal provided by the Brotherhood. Again the workers were so appreciative of everything that was done.

We observed World Hunger Day in October by collecting nonperishable items from all churches in the association. These items were given to HOPE Ministry to help feed the hungry here in Wilkes County.

Our foreign mission celebration was held in November at Moravian Falls Church. We had a wonderful time at the "Balkan Coffee Shop" as we learned about life and missions in the Balkans. We also collected over 500 tubes of toothpaste in November as part of North Carolina WMU's ministry to provide Christmas gifts to the women inmates at the North Carolina Women's Correctional Center.

In February we asked all of the churches in the association to collect a love offering to send to Martha Colwell and her work in Rwanda. We were so excited that over $1,100 was collected.

Our annual celebration was held in May at Hinshaw Street Church. Siv Ashley shared her touching story with us of her escape from Cambodia and the wonderful ways God has worked in her life.

We finished up the year with our annual training for all the church WMU leaders in August. It was a wonderful time of sharing ideas and fellowship as we learned how to be better leaders in our churches.

We begin a new emphasis in WMU in the coming year-"Christ Followers". I look forward to exploring ways as we as WMU leaders can follow Christ in ministry and witness.

Respectfully submitted,
Kim Walker, WMU Director

## THE DEDICATIONS OF ANNUALS COMMITTEE RECOMMENDS THAT THE MINUTES OF THE ONE HUNDRED THIRTY – FOURTH SESSION BE DEDICATED IN THE MEMORY OF

## MRS. JUDY McGEE

Judy McGee was born in Wilkes County on January 19, 1940 to Smith and Zilla Rhoades. Judy graduated from West Wilkes High School, and continued her education at Appalachian State University where she received her teaching degree.

Judy married her high school sweetheart, Frank McGee, and settled into a teaching career in the Wilkes County School System.

Through the next few years Judy and Frank were blessed with three children, Billy, Julie, and Keith, whom they taught the importance of loving and serving the Lord. As time went on this family was blessed with three beautiful grandchildren, Jacob, Will, and Allie, to whom Judy gave her full love and devotion.

Judy gave her life to the Lord at a young age and was a very active member of Mt. Pleasant Baptist Church. Over the years, she served in almost every ministry of the church. She spent many years working with Acteens and helped establish strong Christian Foundations for numerous young ladies. She taught Sunday school in both the Adult and Children's Departments while serving on many committees. Judy had a great love for missions and spent countless hours serving as the WMU Director. She coordinator special programs, outreach projects, and participated in the ladies Bible study group. Judy showed a personal commitment to visiting shut-ins in the community. Judy also had a vision for the growth of Mt. Pleasant Baptist Church. She therefore served many years on the building committee and was instrumental in planning the existing educational building and the new Family Life Center currently being built.

Judy didn't stop with serving in her community and church, she also served in the Brushy Mountain Baptist Association. For many years, she was a member of the WMU Leadership Team, serving as a GA Director, Acteens Director as well as WMU Director. It didn't matter if she was serving a meal at an International Mission Study, handing out tracts and a cup of water at the Fair Ministry, being a mentor to her school children or Acteens, she gave her best – her all!

"For I was hungry, and you gave me something to eat, I was thirsty, and you gave me a drink, I was a stranger and you invited me in; naked and you clothed me, I was sick and you visited me, I was in prison and you came to me." (Matt. 25:35-36.We watched her do this and it made us want to do likewise.

Therefore we the Committee on Dedication of Annuals are honored to recommend that the 134th Annual of the Brushy Mountain Baptist Association be dedicated in memory of Mrs. Judy Rhoades McGee.

Thank you Judy, you were truly a Christ follower.

## THE DEDICATION OF ANNUALS COMMITTEE RECOMMENDS THAT THE MINUTES OF THE ONE HUNDRED THIRTY-FIFTH ANNUAL SESSION BE DEDICATED TO

## REV. SHERRILL WELLBORN

Rev. Sherrill Wellborn has blessed Brushy Mountain Baptist Association and Lewis Fork Baptist Church since April 1971. Pastor Wellborn was born November 8, 1940 to John and Blanche Greene Wellborn in Watauga County at Stony Fork, N.C. His mother was very nervous about having a child. Her mother came over to their home and suggested they get down on their knees and pray to the Lord to give them a son and to call him to preach when he grows up. His mother told him this after he preached his first sermon. His parents were God fearing loving, hard working folks. He helped the family by putting up hay, hoeing corn and picking up apples.

He had a sister, Martha Jean, 18 months younger than him and a brother, Jerry, 10 years younger. Martha Jean and her baby died as a result of a wreck when she was 19.

Sherrill was saved at Stoney Fork Church when he was 15. He attended Stoney Fork School, Parkway Elementary and graduated from Watauga High School. Being rather mischievous in school some friends could hardly believe he was a preacher!

He married Mary when he was still 18 years old. They moved to Florida for a short period and then moved back to Watauga. He delivered candy products to stores in 12 counties for a long time. He and Mary have one son, David, who is pastor of Fishing Creek Arbor Baptist Church in Wilkes County. David and Chasidy have two children, McKenna and Nathaniel.

Sherrill was ordained as a deacon at Stoney Fork about 2 years before he was called to preach. He served as pastor of 4 churches at one time – Mt. Paron, Mt. View, and Stoney Fork in Watauga and Yellow Hill in Wilkes. He later went to Mt. Zion in Ferguson. He was called to Lewis Fork in 1971. After much prayer and a dream about a man he didn't know and himself gathering corn in a field below Lewis Fork Church, he asked God what does this mean – the Lord revealed that the fields are white unto harvest. This spoke to him to go to Lewis Fork as

This spoke to him to go to Lewis Fork as pastor. God has blessed at Lewis Fork under Sherrill's leadership seeing growth, young men called out into the ministry, remodeling of the church building adding classrooms, and in 2000, and completion of a new facility. Altogether, in all the churches that Sherrill has pastured, he has baptized more than 1100 souls, married numerous couples including an uncle, brother and son, conducted about 800 funerals and preached unnumbered revivals in North Carolina and other states.

Sherrill has gone to the Holy Land, Russia, Romania, and Hungary, handed out Bibles and preached in Romania.

Sherrill was instrumental in helping raise funds for the West Wilkes Medical Center. He has served on various boards in community services. He has supported the Brushy Mountain Baptist Association, serving on numerous committees and being moderator. He also has served the North Carolina Baptist State Convention on the General Board, Budget and Resolution Committees.

Most recently, he has written a book about his journey as a preacher. He gave it the title the Rev. W. T. Furr gave him as a young preacher, "The Country Preacher".

Sherrill lives his call daily – whether visiting in the hospital, counseling, comforting the bereaved or just being Sherrill!

Thank you for your many years of dedication to the ministry and our community. They are appreciated.

## GREATER VISION BAPTIST CHURCH
## HISTORY 1991-2006

Greater Vision, a Missionary Baptist Church, was established October 27, 1991. Thirty-two persons attended the first meeting at Charter House Restaurant, Wilkesboro, NC. We voted on a church name and began working on Constitution and By-laws.

January 1992 was designated as "Charter Member Month". At the end of January, we had forty-seven charter members. The first business meeting was held on the fourth Sunday to elect officers and name a Church Council. Three deacons were elected. Rev. Mike Walker was called as the first pastor. He served from May 13, 1992 until March 28, 1993. In October three acres of land were purchased from Russell and Betty Eller. As soon as we had a street address--1090 North Minton Road, Millers Creek, NC--we filed incorporation papers. A Brotherhood and two WMU mission groups were organized.

In February 1993, a grading and construction bid to start construction on the first phase of the building - a sanctuary (later to become a fellowship hall), five classrooms, nursery, kitchen, two restrooms and storage - was received. Rev. Lyn Lambert was called as pastor in 1993 and is still serving as pastor. Greater Vision became a member of Brushy Mountain Baptist Association in October 1993.

On January 2, 1994, sixty-two persons met for the first time in the new building. Dedication was held on April 10, 1994. In July of that year, 17 feet of sanctuary space, four additional classrooms, pastor's study, library, and partial basement were added. 3.15 acres on the south side of the church was purchased for an athletic field and cemetery, and we paved the parking lots. The Brotherhood erected a picnic shelter.

In 1995, the original property was landscaped; grass and shrubbery were planted. The first pictorial directory was printed in 1995.

January 1997, Rev. Terry Strickland was called as youth pastor. He served until August 1999. Total membership was 150.

In 1998, a building fund and committee was approved for future expansion. The Brotherhood erected a barbeque pit for fundraising.

In November 1999, an architect was secured to draw a floor plan and outside building design on how to best use existing property in a three-phase expansion.

In August 2000, the mortgage was paid and a note-burning was held in October.

Rev. Tim Roten was called as youth pastor in January 2001. The Brotherhood erected a garage for the van. A ten-year Anniversary Celebration was held on October 14, 2001. Another pictorial directory was printed. We had a total membership of 216.

In September 2003, the church voted to begin construction on the new building consisting of a new sanctuary, choir room, three classrooms, pastor's study, office, bride's room, three restrooms, changing room for baptismal services and a baptistery. Approximate size was to be 10,000 square feet at a cost of 1.2 million dollars. The ground breaking service was held on October 12, 2003.

In 2004, AWANA programs for youth began on Wednesday nights. Construction on the new building began in July. An additional two acres of land was purchased from Russell and Betty Eller.

In 2005, the new building was completed. Anonymous donors purchased chairs, stained glass windows, a grand piano, a keyboard, pulpit furniture, office and foyer furniture, landscaping, and beautification of the grounds. The first service was held on May 1, and on May 15, Open House was held.

At present our membership is 262. The Lord has really blessed, and the glory is given to Him.

The council could also determine the amount of insurance, especially the liability insurance, and the content of the leases required with tenants. Motion was made, seconded and approved to refer this matter to the Associational Council for them to act upon the advice of the Associational attorney and complete the necessary steps to arrange the best method of ownership and operation of this (Woodward) facility.

Brookshire's message focused on *break out* into revival, evangelism, discipleship, and fellowship, to be centered around the Lord Jesus Christ. Our ministry should be to express all these things to one another through service to each other. The burden needs to be of great concern for the renewal of morality. All things can be accomplished through unity by the churches, including all members, pastors joining together as one, to rise and build the walls of our homes, churches and families. Rev. The trailer is an enclosed 8' x 20' tandem with electric brakes, in good shape, and can be purchased for $3,800. The trailer may be four or five years old. The trailer can also be used to house things, especially overnight at events. Rev. Horton indicated that the money is available to purchase the tent and trailer in an accumulated account for mission development having a balance of $13,577.53, these funds being contributions to the Association. The estimated costs for the tent and trailer: $9,800. Rev. Jay Johnson made a motion to purchase trailer with a second by Eric Mastin. Further discussion regarding insurance and use: Rev. Sparks questioned and suggested graphic lettering on the trailer of "Brushy Mountain Baptist Association". The motion was amended to include up to $500 for lettering. The motion carried.

Rev. David Sparks proceeded to make a motion to purchase a used 40' x 60' tent at a cost of up to $6,000 (plus tax) from Hendersonville Tent Company, second by Dolores Broyhill. Question regarding chairs. Most churches have some chairs, but, the Association may need to purchase some chairs in the future. Motion voted and approved

Guidance and Direction on Missions: Rev. Lawson Horton reported on his plans to have one annual event for the Association each year 2006 through 2009. Beginning in 2006, May 5 - 7, with the Associational Lay Renewal Weekend Churches needing to register right away for the event. In 2007 spring training on how to share faith without fear. The Association will try to furnish video and audio materials ("Share Jesus with Fear"). In 2008, a countywide crusade; and, in 2009, On Mission Celebration.

Schedule Correction: Mike Norman noted a schedule correction. The North Carolina Baptist Singers will be at the Walker Center on the last Monday in March, March 27, 2006.

Board of Directors for Woodward School Property: Rev. Horton referred everyone to a letter written to him by Raymond Blevins recommending that a separate corporation be formed to hold title and manage the rental property. This corporation would be owned by the Association. This matter having been voted on as reflected in the minutes of the October 10, 2005 annual meeting. Rev. Horton informed that our attorney is advising on financial and guideline issues and is ready to incorporate a body to take care of the building (property closing set for November 2, 2005). Everyone's attention was called to the second page of the October 10, 2005 minutes, third paragraph under Miscellaneous Business, in which this matter was referred to the Associational Council for them to act upon the advice of the Associational attorney. The minutes further reflect the names of those individuals voted to serve on the Woodward School Utilization Team who are to draw up guidelines for the use of the building, make suggestions concerning use and help with other matters deemed necessary by the Association or Council. Discussion as to these individuals serving as the board of directors. These people were asked to serve on the "utilization team", and have not been asked if willing to serve as board of directors. If they decline to serve, the Council would need to decide if the current moderator would appoint a board to work with these people. Rev. Horton would like to have nine people serve, including two with expertise in engineering. QUESTION: "Do we want to ask these people to serve as the board of directors?" The space

will involve a lot of tenants. Raymond Blevins addressed his concerns of liability with the building and the need for strict leases as far as insurance and liability. He indicated that there will no problem with taxes. Rev. Hendren reported that there are seven tenants currently and that others have expressed an interest.

Discussion: That the board is to be elected by the Association or Council for a fixed term. That the "title" of Board of Directors or Board of Trustees is the same. That the Woodward School Utilization Team is to draw up guidelines for the use of the building and if the board is not the same, the guidelines would need to be presented to the board of directors for approval. Seven or more board members discussed with at least one being an engineer. Question regarding attorney's fees. Mr. Timothy Joines does charge some for his legal services when in excess.

Mike Norman suggested seeing if the seven individuals serving on the utilization team will serve as the Board of Directors. Rev. Hadley Triplett further suggested that the two engineers should, also, be asked (Jim Shumate, Wilkesboro Baptist and James Lovette, First Baptist). One other person mentioned by Robert Blevins, if possible, Frank Bryant. Agreed, resulting in ten names. Rev. Horton asked if other council members had other recommendations. With no further recommendations, Robert Blevins suggested establishing a twelve member board. Concerns expressed regarding individuals willingness to serve and the number necessary to conduct business. Rev. Chad Hendren questioned if a member of the Council should be on the board of directors. Response, "Yes". Shirley Randleman was recommended to serve, but, declined. Delores Broyhill was recommended and said she would try. Lois Woodie was named, but, since she serves on the properties committee, it was felt that a conflict might develop. Wanda Mathis named as the twelfth prospective member to be asked. The attorney is to be consulted regarding duties of the directors and the terms of service. More discussion regarding staggered and successive terms. Raymond Blevins was asked to draft wording of duty description to be used in corresponding with prospective board of directors. A follow-up "Called Meeting" was set for November 22, 2005, 7 o'clock p.m., at the associational office.

Eric Mastin suggested giving the building a name.

Rev. Horton brought up the issue of re-zoning stating that the attorney had said that if we incorporate the building, we should also apply for re-zoning. One of the tenants is not "non-profit", but faith based, resulting in a violation of the zoning laws. Rev. Jay Johnson made a motion to apply for re-zoning, second by Mike Norman, voted and carried.

Miscellaneous Business: Rev. Chad Hendren went over corrections and additions to the "Guidelines for Assisting Clients" as follows: (1) Moving the language from the "FOOD" section to the "GENERAL INFORMATION" section which reads, "If the Director has difficulty making any decision, he may get a committee of three (3), consisting of the Brotherhood, WMU, and Mission Development Directors, to assist in determining the need. If any one of these three is not available to help make a decision, then any member of the Executive Officers can be consulted, equaling three (3) in number to decide a client's request. (ex., If only one or two of the mission organization leaders can convene, then the Director can contact either the Moderator, Vice-Moderator, Clerk, or Treasurer to make up the number needed to transact business).", (2) Added language regarding the Woodshed, and (3) Under "FUEL/UTILITIES/HOUSE PAYMENT OR RENT" changes to read as follows, "Assistance for heating fuel amounts will be set by the minimal amount of the company's policy in which they will deliver gas or oil. Ex. Most require a minimum of 100 gallons. Costs varies constantly." For re-clarification, the last paragraph, "This financial assistance can only be granted twice (2 times) per year per household " to explain only two (2) times for any type of assistance. Raymond Blevins made a motion to approve these corrections and additions in clarification, second by Rev. Robert Sparks, motion carried.

Rev. Lawson Horton presented a letter from the NC Baptist Men who, at the request of The Mississippi Baptist Convention, are sponsoring a plan to partner North Carolina churches, Associations or volunteers with families affected by Hurricane Katrina in the Gulfport area to rebuild homes and churches. Our Association would be responsible to help with one home for every ten churches. With thirty-nine churches in our Association, we would be responsible to help with four homes. Our churches will partner with churches in Mississippi. Issue tabled for discussion at the meeting on November 22, 2005.

At this time, Rev. Horton made inquiry as to how the Council members felt regarding the location of the associational office. Rev. Jay Johnson and Mike Norman expressed use of the existing building at the "Woodward" location. Eric Mastin voiced concern for Rev. Horton being located at the "Woodward"

building. Rev. Chad Hendren explained how the busy traffic will be in the back of the building. Dolores Broyhill added that if the associational office is moved to the "Woodward" location, it should be separate and apart. She, also, added that it needs to be better than what has been in the past, a nice facility. Rev. Hadley Triplett commented on the "Woodward" facility and its possible use in meeting the needs for an associational office. Dolores Broyhill questioned if there will be someone at the "Woodward" building in charge of the building. Response, "Yes".

With no further business, the meeting was closed with prayer.

Respectfully submitted,
Mrs. Shirley Randleman, Clerk

**BRUSHY MOUNTAIN BAPTST ASSOCIAITION MINUTES**
**OF THE ASSOCIATIONAL COUNCIL (BOARD OF DIRECTORS) MEETING**
**NOVEMBER 22, 2005**

The Associational Council met for a "called" meeting at 7 o'clock P.M. on November 22, 2005 at the associational office. Members present were: Rev. Lawson Horton, Rev. Hadley Triplett, Mrs. Shirley Randleman, Mr. Raymond Blevins, Mr. Eric Mastin, Mr. Mike Norman, Mr. Jeff Collins, Rev. Ronald Brookshire, Rev. Jay Johnson, Mrs. Delores Broyhill, Mrs. Linda Glasco, and Rev. Chad Hendren.

Woodward School Property:

Following prayer, Rev. Horton proceeded with the introduction of Mr. Tim Joines, our attorney, commenting on the amount of time he has put into advising and researching for, the association.

Mr. Joines stated that a survey of the property has been done by Jerry Lackey, the property not having been surveyed since the mid 1950's. (plats were available for inspection.) As a result of the survey, it has been determined that there is no recorded right-of-way for the drive on the west side which crosses Cornerstone Church property. The Association is in the process of obtaining a 20 ft. right-of-way from Cornerstone. There is access on Winston Street. The property consists of 15.3 acres and is zoned for single family residential. He, then, stated that he has been in discussion with the city and county regarding property tax issues. That the new corporation would own the title to the property protecting and barring the association from liability. That the property would stand good for liability, not the assets of the Association. This would not change the tax exemption status. Rent is not collected since monies paid are to help with expenses. The County Attorney and Assessor are of the opinion that creating a new corporation to hold title should not affect the tax exemption status. If in the future space is leased to a "for profit" business, that portion of space would be taxable. Discussion: Council members felt that any taxes due should be collected from the "for profit" tenant. The County has assessed a value of $900,000 on the property.

On the issue of federal taxes, Robert Blevins explained how the income would be less than the expenses, and, that taxes should not be affected by a "corporate" status.

Further discussion on "for profit" with Christian base and the need for bylaws to be drafted and approved. Potential board members have not been contacted. At the last meeting, the Council discussed a board consisting of at least (12) members serving staggered terms with (I) member being a council member.

Mr. Joines, referring to a letter from the Town of Wilkesboro, suggested filing a petition for re-zoning of the Woodward property. Adjoining property owners must be notified. He stressed how a strong presence will be needed at the re-zoning hearing (possibly tenants, Cornerstone representative, neighbors of existing locations, etc.). Question as to liability insurance, effective as of the date of closing.

Raymond Blevins expressed how the Woodward School Utilization Team needs to meet.

Following further discussion, Mr. Jeff Collins made a motion to appoint (12) board members, Mike Norman gave second to the motion. Discussion. Motion carried.

At the November I meeting, Mr. Robert Blevins was asked to draft wording to be used in contacting potential board members, his suggestions were passed out. A quorum needs to be determined as soon as sufficient board members are available.

Mr. Joines cautioned, "Don't get to ahead", because of not having answer on the taxation issue.

Robert Blevins commented on how a copy of a tenant's exemption status should be obtained.

**Hurricane Katrina-Gulfport, Mississippi:**

Rev. Horton briefly explained the project for those council members not at the November 1 meeting. Questions as to the costs and size of the homes. Rev. Horton stated that he has not received any further information. With insufficient information available at this time, no action was taken.

**Miscellaneous:**

Rev. Chad Hendren gave an update and commented on the "wise" decision of getting the tent stating that he had been contacted about the pastors of the association ministering to teams at the Saturday races at the North Wilkesboro Speedway.

Rev. Horton informed that the next work day is December 3rd, 8 A.M. to 2 P.M.

Rev Hendren, also, said that the woodshed is working well. Further, that money is needed to carpet the toy store.

The meeting was adjourned with prayer.

The next scheduled meeting: March 13,2006.

Respectfully,

Shirley Randleman, Clerk

# MINUTES OF THE
# BRUSHY MOUNTAIN BAPTIST ASSOCIATION QUARTERLY MEETING
# JANUARY 9, 2006
# PLEASANT HOME BAPDST CHURCH

On January 9,2006, the quarterly meeting was held at Pleasant Home Baptist Church with seventy-two (72) messengers in attendance and fifty-seven (57) visitors, including the five (5) officers. The meeting was opened with a medley of songs sung by the Pleasant Home choir, after which the congregation was led by Mr. Mike Norman in singing "To The Work". Pastor Mike Church welcomed everyone to Pleasant Home Baptist Church and briefly detailed the accommodations.

Rev. Hadley Triplett, Moderator, expressed appreciation to Pleasant Home Baptist Church for graciously hosting the quarterly meeting. He then proceeded with the committee reports calling upon Rev. Chad Hendren.

**TOY STORE REPORT:** Rev. Chad Hendren expressed praises for how fabulous the Toy Store was this year. He "thanked" Kathy Nichols for her untiring work and made mention of her, also, being "Teacher of the Year" at Millers Creek Middle School. He reported eight (8) professions of faith this year. He, then, shared an emotional event which occurred at the store and urged all the churches to get involved.

**WOODWARD SCHOOL REPORT:** Rev. Lawson Horton began by saying how grateful the Association is for the contribution of the Woodward School Property. He briefly explained how the Association is an incorporated body and, how the Associational Council acts on behalf of the Association when not in session. That the Associational Council agreed to take the Woodward Property as a donation by the donors. That workdays have been held and a lot of time and effort donated. He reported that there is a "Board" to operate the property in the future. That rezoning is being worked on for future use of the property. Tenants will include both "non-profit" and "profit" religious faith businesses and the Bible College.

**FOOTHILLS BIBLE COLLEGE TESTIMONY**: Mr. Thomas Bumgarner introduced himself and gave testimony as to the effects the Bible College has had on his life saying the teachers are wonderful and the spiritual growth and knowledge endless. He explained that the College is not just for preachers, but, teachers and lay people, as well.

The Moderator then called upon Mrs. Christy Hendren to present the Treasurer's Report. She noted that the report is as of November 2005 because all of the bank statements have not yet been received. She was available for question.

With no miscellaneous old business, the Moderator called upon Rev. Dennis Love to present the special music and quest speaker.

Mrs. Kelly Church, awesomely, praised our Lord in song.

Rev. Darrell Tate from the Stone Mountain Baptist Association delivered a wonderful sermon using scripture text "Ephesians: Chapter 6, verses 1-16".

The Moderator presented and read a note from Mrs. Kay Steelman as to Mike's progress referring to Hebrews 11: 6 asking the Association to continue to remember them m prayer.

**DISCUSSION OF OFFICE RELOCATION**

The Properties Committee was called forward with the Rev. Dennis Love spokesperson for the committee. Rev. Love explained how the committee has been hard at work for five (5) years, and how they came to refreshen as to the intent of five (5) years ago. He informed that recordings of past meetings gave the "okay" to search out property as the site for a new associational office. With the recent donation of the Woodward School Property and the exploration of the associational office being at the Woodward location, the committee noted the following recordings:

January 10, 2000- The Properties Committee Report was given by Rev. Jim Gore. A motion was made and carried, based on the building survey 13 of 17 pastors preferred relocating our office facilities, that the Properties Committee be permitted to investigate the available options of relocating.

July 10, 2000-A motion was made "That the associational office, now located at 396 Welcome Home Church Road, be relocated" and that the Properties Committee be authorized "to seek a lot for building a new office facility or an equally suitable existing building".

November 27, 2001-The Properties Committee was authorized to engage an architect and to acquire temporary office facilities.

January 14, 2002-Mr. Harold Bass presented two (2) motions from the Associational Council, which carried authorizing the Properties Committee to place for sale the property at 396 Welcome Home Church Road, and, to engage the services of an architect to
provide designs and plans for a new associational office and/or acquire temporary office facilities.

February 11, 2002-Rev. Horton reported that the Properties Committee would meet February 13, 2002 to discuss the design for a new Associational Office.

July 29, 2002-Rev Jim Gore reported that land had been purchased on Hwy. 268 West, Wilkesboro, to house the Associational Office, and that Mr. Keith Hubbard is beginning to sketch out plans for the new office. The present facilities are on the real estate market with Applefield Realty.
Rev. Love made comment regarding drawings of an office building with an estimated $600,000 mark, as he recalled. Afterwards, the Woodward facility was donated. Rev. Love informed that the Properties Committee toured the Woodward Property with Keith Hubbard to investigate possibly modifying and renovating the space. The Properties Committee asked Mr. Hubbard to also scale back the original plans and estimate costs. Based on this estimate, the Committee found that it is almost as cheap to build.

Mr. Keith Hubbard was called forward to present drawings. Drawings were passed out. Mr. Hubbard began by commenting how the original design would meet the needs of the Association and act as a beacon to the community. He detailed the drawing locating the different areas and their respective use. He explained how the original design was larger, designed specific for the property on Hwy 268 West with a covered drive-thru and an extra wing for storage. In scaling the design back and making it more costs effective, the covered entry was removed and storage wing eliminated. Also, the design was decreased by 300 gross sq. feet. That the estimate for the original design was $125 per sq. foot and with the current design approximately $100 per sq. foot. He called attention to the fact that there has been no soil test and the estimate is a budget number, only. The design does have an entry porch.

Rev. Mike Church questioned the costs to renovate the Woodward facility. By way of explanation, Mr. Hubbard detailed a comparison to another mid year 2002 project in Ashe County stating that the project was very similar in scope. That it consisted of 2,580 sq. feet with no restrooms costing $126,000 or $48.84 per sq. foot. With a 5% inflation, current costs would be roughly $60 per sq. foot, or, with a 10% inflation, $71 per sq. foot. He remarked that in comparing a $60-$70 per sq. foot space that will do to a $100 sq. foot space that will be the home and hearth of the Association, in a great location, his recommendation would be to invest in the 268 West location.

Rev. Dennis Love, on behalf of the Properties Committee, proceeded to present their sixteen (16) "positives for 268 office relocation". *(Attached hereto for reference.)* He, then, proceeded with a motion from the Properties Committee, "that we the messengers of the Brushy Mountain Baptist Association vote in our April quarterly meeting to build a new office building on our 268 West owned property".

The Moderator explained how this coming from the Committee would not require a second or vote, and opened the matter for discussion. The Committee was congratulated for their work and the following issues discussed:

(1) Where would the funds come from to pay for a new building?
(2) If building on 268 East is to be sold in the future?
(3) If the 268 East property is liquidated, *two* buildings would still be operated.
(4) If the Association owns the 268 East property? Answer "Yes".
(5) If the building at the 268 East location is suitable? Answer: The Properties Committee looked into the suitability of the 268 East location in 2002 and found it unsuitable. Hope Ministry took up a lot of the space.
(6) Building Fund Balance per the Treasurer's Report confirmed, $255,406.34.

(7) If the building at the 268 East location has been appraised to sell to help pay for the new building? Answer: *"No* dollar amount."

(8) What will happen to the 268 West property if not built on? Answer: "No plans."

(9) Further comment pertaining to "obligating" the churches in the association and the idea of working within the Woodward Building and selling the other properties.

(10) Question regarding an estimate of property value on 268 East property and the lot on 268 West. Answer: *"No* estimates acquired."

Mr. Marshall Long proceeded to make a motion for the Properties Committee to get an appraisal of the 268 East property by the April meeting, second by Mr. Bill Johnson. Discussion regarding costs of appraisal and funding. Rev. Chad Hendren informed that the property was purchased for $150,000 before renovations, and as he recalled, on the market for roughly $230,000. The motion was amended to have the Committee get the best estimate they can come up with, second, voted and carried.

Mr. Sherrill Gambill, a member of the Properties Committee, made further comments about the value of property being what someone will pay. He, also, stated how the Director needs to be housed separately. That other agencies are not open all of the time; consequently, people go to the Director's office for information.

The meeting was adjourned with the congregation singing "Bless Be The Tie That Binds".

Respectfully
Shirley Randleman, Clerk

Addendum:

The Properties Committee would like to make a motion that we the messengers of the Brushy Mountain Baptist Association vote in our April quarterly meeting to build a new office building on our 268 West owned property.

Positives for 268 Office Relocation:

1. A new office will firmly establish the Brushy Mountain Baptist Association in Wilkes County as a respectable and trusted faith based ministry for generations to come.
2. The cost to renovate the old Woodward facility into a nice office will cost almost as much as it will to build a new office on our 268 property.
3. The 268 location is easily accessible for all of our churches.
4. The 268 location will be a much more private location for individuals to come and interact with our DOM.
5. The 268 location will have space for plenty of parking for those coming in and out to access the office.
6. Visitors outside the county, and people within the county coming to the 268 location can be given simple and easy directions to the office.
7. A new facility speaks of growth, and is making a loud faith statement to the community.
8. We would not be encountering yearly expenses for maintenance and upkeep that could place a burden on the association.
9. Our DOM would not become a go-to-person, and his responsibilities as our DOM would not be hindered, bothered, or interrupted.
10. Our DOM would not be constantly sought out by people wanting information on the many ministries that will occupy the Woodward facility.
11. Our DOM would not automatically inherit more duties and responsibilities that could easily hinder his work in our association.
12. The Brushy Mountain Baptist Association would not become identified as owner and operator of the many ministries and entities coming into the Woodward facility.

13. No matter how you renovate the Woodward facility, you would always feel as if you are entering a school, not an office.
14. The property on 268 was an answer to prayer to fulfill our vision as an association for a new office.
15. A new office building on the 268 property will be a place of pride and joy for the staff, our churches, and all those who enter her doors for generations to come.
16. All of the property committee members are in agreement on the 268 property, and God knows how hard it is to get that many Baptist folk to agree together on anything!

**MEETING OF BOARD OF DIRECTORS (ASSOCIATIONAL COUNCIL)**
**BRUSHY MOUNTAIN BAPTIST ASSOCIATION**
**13 MARCH 2006**

The Associational Council met beginning at 7:00 o'clock p.m. at the Associational office with the following members present: Rev. Lawson Horton, moderator, Mr. Raymond Blevins, Ms. Dolores Broyhill, Rev. Jeff Collins, Mrs. Linda Glasco, Rev. Jim Gore, Mr. Eric Mastin, Ms. Eileen McNeil, Mr. Mike Norman, Mrs. Shirley Randleman, Rev. David Sparks, Rev. Hadley Triplett. Attorney Tim Joines joined the meeting later.

Calling the meeting to order, Rev. Horton ask for prayer requests which included Rev. Tom Bartlett, Mr. Tony Yates, Church's without pastors, Lay renewal and the Association, followed by Mr. Mike Norman offering prayer.

Motion was made by Rev. Jeff Collins, seconded by Mr. Eric Mastin and approved for the Association to speak against the Adult Restaurant Hearing at the County Commissioners meeting on March 21, 2006.

There were several other items for calendar review. Mr. Eric Mastin reported on Baptist Men stating there were 6 churches represented. Mr. Mastin informed everyone that he and his wife are adopting a son, "John Tate Mastin", from Guatemala.

Rev. Horton discussed staff changes since the position of Secretary at the Association is presently vacant. Until a secretary can be hired, various persons are filling in during this time. Motion was made by Raymond Blevins, seconded by Rev. David Sparks and approved to accept Mrs. Shirley Randleman as the treasurer and will be working from her home; however, she will be available on Wednesday and Thursday, every other week, and will make arrangements to be available at other times, at the Associational office, should the need arise and Ms. Eileen McNeil will be Associational Clerk. Rev. Jim Gore suggested that the Nominating Committee be notified of these personnel positions.

A report was given of the purchase of a sectional 30 x 70 tent for use by the Association and will be at the disposal of churches for their use. Guidelines will be implemented for said use with Rev. David Sparks providing training for set up of the tent.

Information was provided by Rev. Horton of the assistance given by Mrs. Diane Shaw in helping to sort through and organize files, etc. at the associational office. Thus far Mrs. Shaw has provided approximately 20 hours of service. Motion was made by Ms. Dolores Broyhill, seconded by Mrs. Linda Glasco to reimburse Mrs. Shaw for her time. Discussion was held regarding the amount, per hour, to pay Mrs. Shaw. An amended motion was given by Rev. Jeff Collins to pay Mrs. Shaw $10.00 per hour. Amended motioned carried.

Second quarter treasurer's report was provided as well as a budget summary for December-February 2006 as prepared by Mrs. Randleman.

Rev. Horton explained that since the duties of the treasurer would now be separate from that of the Secretary, adjustments would be in order as relating to the salary to be paid to a new secretary. Following discussion of hours, duties, salary, etc., Mr. Raymond Blevins suggested this was a matter that needed to be referred to the personnel committee and everyone was in agreement. It was announced that the Personnel Committee will meet on March 14, 2006 to review resumes received for the position of office secretary at the Association.

Ms. Dolores Broyhill gave a report on Mission Development stating that the Evangelism Team and the Mission Development Team would become one with the new name to be "The Great Commission Team". Mrs. Broyhill also reported on the Wilkes Central High School Spring Fair, the North Carolina Baptist Children's Home, the "Tent" as previously mentioned, the Apple Festival, Rotary Club Fair and expansion of the Toy Store. The expansion would be made to endeavor to work with the American Red Cross in assisting families with children who are

burned out, providing toys to the children and Bibles to the families, helping them to cope with their loss. Ms. Broyhill stated that Scott Glaze, Director at the Red Cross was very receptive to this idea.

The Personnel committee will be meeting at noon on March 14, 2006 to peruse the resumes received for the position of office secretary for the Association. Several factors will be taken into consideration including professional schedule and familiarity with Christian foundation principals.

Rev. Horton discussed the consideration of new/sustaining ministries including **h.o.p.e,** Missions Development, a new Hispanic ministry in the Millers Creek area, a cowboy church and disaster relief and recovery ministry. Motion was made by Rev. David Sparks, seconded by Rev. Jim Gore and approved to allow Rev. Horton to apply for cooperative monies that are presently available or that may become available to assist in the development of the aforementioned missions. Lee Hollis and David Taylor are diligently working to strengthen the disaster relief locally.

Rev. Horton stressed that he is not upholding any position pertaining to Woodward property and that his primary concern is that 20-30 years from now whatever is decided will continue to be serviceable. The Properties Committee plan to stick to the original plan and will present the Hwy. 268 West as planned and to ask the architect to take bids on the erection of a new building. It was disclosed that in order to occupy the Woodward building, it would have to be necessary to bring the building to code, in accordance with county and state regulations. An estimate was given by an appraiser of $200,000.00 just to prepare the Woodward building for entry. Alex Hamilton, tax collector for Wilkes County has informed the Association, that possibly, the Association could be held accountable to pay taxes on any portion of the building that is not being used as of 13 March 2006; however, at present we are being treated as a church and will have up to one (1) year with exempt status.

Attorney Tim Joines provided information of a new entity being established to hold the property at Woodward with a board of Trustees: also that the Woodward property value has been reassessed for total value from $2,720,380.00 to $899,670.00.

Following the discussion on the occupancy of the Woodward building and the controversy and perhaps misunderstanding, in general, Mrs. Dolores Broyhill stated that all messengers and others need to have the complete understating of the situation involving the need for a new Associational office.

Motion was made by Rev. Jim Gore, seconded by Mr. Eric Mastin and approved to request the Properties Committee withdraw the motion that they planned to present at the Quarterly meeting, in April, regarding the property on Hwy. 268 West for erection of the Associational office until messengers and others could be enlightened on the status of the Woodward building conditions.

Motion was made by Rev. David Sparks, seconded by Mrs. Shirley Randleman and approved to request the Board of Directors for the Woodward properties give a detailed report on the findings and development of the Woodward property.

With no further business to bring before the Council, meeting was adjourned at 9:13 p.m.

Respectfully submitted,

Eileen McNeil, Clerk

**MEETING OF BOARD OF DIRECTORS (ASSOCIATIONAL COUNCIL)**
**BRUSHY MOUNTAIN BAPTIST ASSOCIATION**
**5 MAY 2006**

Attendees for the Associational Council meeting on May 1, 2006, at the Associational office on Hwy. 268 East were: Rev. Lawson Horton, Mr. Dwayne Andrews, Mr. Raymond Blevins, Ms. Delores Broyhill, Rev. Jeff Collins, Mrs. Linda Glasco, Mr. Eric Mastin, Ms. Eileen McNeil, Mrs. Shirley Randleman, Rev. Handley Triplett, and Mrs. Kim Walker.

Rev. Horton called the meeting to order at 7:00 o'clock p.m. Prior to offering the opening prayer, specific prayer requests were tendered.

**ITEMS PRESENTED FOR ACTION AND/OR DISCUSSION:**

Budget Requests – Rev. Horton stated that the finance meeting would be held on May 12, 2006 and it would be appreciated if the various committees/individuals would complete the budget request form and submit it back to the Associational office no later than May 19, 2006.

Attorney Reimbursement – Following discussion of hourly wage to compensate Mr. Tim Joines, it was decided that Mr. Raymond Blevins would consult with Mr. Joines and reach an amount appropriate for the approximate forty (40) hours of time and efforts that Mr. Joines has given to the cause of the Woodward property without any suggestion that he be reimbursed. This reimbursement is to be a good gesture effort and is not something that Mr. Joines expects or ask for. Following Mr. Blevins speaking to Mr. Joines, Mr. Blevins will report to the finance committee for their decision of payment.

Gifts for Secretarial Help – Motion was made by Ms. Delores Broyhill, seconded by Mrs. Kim Walker and approved to give Rev. Lawson Horton permission to obtain commemorative gifts for those individuals who have so willing given of their time to the Associational office over the past several months.

Calendar of Activities – Any changes or additions to the Calendar should be submitted no later than July 21, 2006.

Mr. Dwayne Andrews spoke about trying to organize an Associational Praise Sing. This endeavor would consist of each church in the Association being offered the opportunity to present a couple of selections. The event, if materialized, would be held at one of the larger churches or perhaps the Walker Center (Wilkes Community College) and held on a Monday or Tuesday night.

h.o.p.e. Ministry – Motion was made by Rev. Jeff Collins, seconded by Mrs. Shirley Randleman and approved to allow the purchase of a weed eater and lawn mower by Rev. Chad Hendren for $200.00 with the maximum not to exceed $400.00.

Hispanic Report – Rev. Horton expressed the importance of assisting the Hispanic ministry and the work that Rev. Cantu is doing. Rev. Cantu is seeking to begin a new ministry in the Millers Creek area and continues to find where the Hispanic church might be able to relocate. It is presently using the old Cub Creek sanctuary and is in need of other facilities. Rev. Cantu has and continues to seek land (approximately 1 acre) that he could purchase for himself. Anyone wishing to donate land or know of vacant land, please contact Rev. Cantu or the Associational office.

Woodward Building – Efforts are continuing to resolve the issue with the Woodward building and the neighborhood residents. A meeting with the residents is scheduled for May 18th. Issues of the 501-C3, taxation with country, and many other factors and areas of concern linger. The Woodward Board of Directors continue, along with the Associational attorney, to resolve problems.

Rev. Horton, in conjunction with the Woodward discussion, stated that "we" have no funds beyond what is presently being done and budgeted; therefore, a plan to build the monies may need to be implemented and that perhaps with the 135th anniversary of the Association this would be an opportune time, in conjunction with the annual meeting, to implement a fund raiser, either by group (i.e., churches) or individuals.

Mrs. Delores Broyhill asked about the Woodward Board touring the old Ashe Central School to more amply being able to evaluate the Woodward building.

**Regional Bible Conference** – The conference will be held September 18-19th in Boone, NC and will be basically funded by Fruitland; however funds are being sought to help defray the expense. Motion was made by Mrs. Shirley Randleman, seconded by Mrs. Linda Glasco and approved to contribute $200.00 for participation in this conference.

The next quarterly meeting of the Association will be on July 10, 2006 at Boiling Springs Baptist Church.

Miscellaneous Business – Mr. Raymond Blevins stated that he would be going to the Baptist Childrens Home on May 34d and anyone wishing to go along would certainly be welcome. Mr. Blevins was taking generous amounts of food and supplies to Thomasville.

Mr. Blevins also informed the group of the organization "Angel Food". This is being sponsored through the Ruritan Clubs and will be set up as a store to purchase food for a very nominal fee, based on the income of the individual(s); hopefully leading the individuals to have a better mental and spiritual outlook.

Rev. Horton explained that he and Mrs. Diane Shaw have had difficulty in locating materials for the 2005 Associational Annual and both felt it would be in order to publish a dual annual (2005-2006) if the Council was receptive to the idea. Those churches that paid for the 2005 annual would not be expected to pay for the 2006.

Motion was made by Rev. Jeff Collins, seconded by Mr. Raymond Blevins and approved to publish a dual annual (2005-2006)

There being no further business requiring action by the Council, the meeting was adjourned.

Respectfully submitted,

Eileen McNeil

Rev. Hadley Triplett, moderator, called the quarterly meeting to order at 7:00 o'clock p.m.

Following the welcome by Rev. Joey Moore, Pastor of Boiling Springs Baptist Church and scripture reading from Second Timothy, Chapter 3; verse 12 and Proverbs, Chapter 3, verse 5, Rev. Moore concluded with prayer.

**BUSINESS:**

Mrs. Shirley Randleman stated that the 3rd quarter treasurer's report was published in the July issue of the Brushy Mountain Herald. Anyone needing a copy should see Mrs. Randleman. Having examined the books for Wilkes Ministry of **h.o.p.e.** and the Toy Store, everything was found to be in order. As of July 10, 2006, account balances are:

Mrs. Delores Broyhill gave a report on the Great Commission Team, formerly known as the Mission Development Team, and the activities being planned, i.e. upcoming fair and apple festival; inviting anyone wishing to participate with these and other activities to be in contact with her. Mrs. Broyhill also spoke on the N. C. Baptist Children's Home, in the absence of Mr. Raymond Blevins. Mr. Blevins is planning a trip to the Mills home on July 22, 2006 that has a new art exhibit and anyone desiring to make this trip should contact Mr. Blevins.

Rev. Lawson Horton began his Missionary report by providing an update on the Woodward School building. There have been zoning issues and issues with the residents that have resulted in ongoing negotiations between the resident's council and the Association and its council. Rev. Horton asked for Wilkesboro residents to support the efforts by attending the Town of Wilkesboro Commissioners meeting at which time the Association will request rezoning for the Woodward building.

Meeting with pastors approximately two months ago, it was decided to have an Associational outdoor baptism on September 10, 2006 at W. Kerr Scott Dam at the Shady Grove Baptist Church entrance.

Rev. Horton expressed the desire for the major event for 2007 to be a time to enter into training for persons in the churches as evangelists.

Rev. Horton introduced Mrs. Diane Shaw and welcomed her back as Secretary to the Association and also announced that there would be break-out sessions again this year at the Annual meeting and would focus on use of computers for the churches.

Mr. Dwayne Andrews led the congregation in singing *"Victory in Jesus"* and the chorus of *"Because He Lives"* followed by Lay Renewal Testimonies from Mrs. Carolyn Call, Pilgrim Baptist Church; Mrs. Jenny Wilson, Oak Grove Baptist Church NW; and Carley Welborn, Moravian Falls Baptist Church. Each expressed how meaningful this time had been and the greater understanding they have of their brothers and sisters in Christ and the deep spiritual renewal it brought to them.

Providing special music was Ms. Mary Byrd, soloist who sang "God is Still on His Throne" and "Alabaster Box".

Rev. Dennis Love of Pilgrim Baptist Church introduced the guest speaker for the evening, Dr. Johnny Tiller. Dr. Tiller has sixty-seven years of pastoral service and gave a report of Fruitland prior to his message. Fruitland is now in its 60th year and is continuing to do well. There continues to be excellent enrollment with various foreign countries attending as well as those from the US.

The message for the evening consisted of four evangelistic imperatives: (1) Matthew, Chapter 28 wherein Jesus commission the eleven; (2) Mark, Chapter 16, verse 15, *"Go ye into all the world, and preach the gospel to every creature"*; (3) Luke, Chapter 24; (4) John, Chapter 20 and Acts, Chapter 1, verse 8: *"ye shall be witnesses unto me both in Jerusalem, and in all Judea and in Samaria, and unto the uttermost part of the earth."* Dr. Tiller emphasized that churches exist for the sole purpose of bringing people to Christ and it is each person's responsibility to witness to the lost. Universalism is diluting and people have the misconception of thinking because their name is on a church roll makes it right with God; the distortion of Calvinism is there. Winning people to Jesus Christ should be everyone's goal. Dr. Tiller concluded by referring to a newspaper article showing public baptism and asking the congregation to repeat, "The main thing is to keep the main thing, the main thing." Pastors, Deacons and other's gathered at the alter for prayer led by Dr. Tiller..

There being no further business, Rev. Mike Church offered prayer. The meeting was adjourned 9:06 o'clock p.m.

There were 67 messengers, 43 visitors, and 3 officers present for the July quarterly meeting.

Respectfully submitted,

Eileen McNeil, Clerk

**MEETING OF BOARD OF DIRECTORS (ASSOCIATIONAL COUNCIL)**
**BRUSHY MOUNTAIN BAPTIST ASSOCIATION**
**SPECIAL CALLED MEETING**
**7 AUGUST 2006**

Those attending the special called meeting of the Associational Council on August 7, 2006, at the Associational office on Hwy. 268 East were: Rev. Lawson Horton, Mr. Dwayne Andrews, Mr. Raymond Blevins, Rev. Ronald Brookshire, Ms. Dolores Broyhill, Rev. Jim Gore, Mrs. Linda Glasco, Mr. Wayne Holcomb, Mr. Eric Mastin, Ms. Eileen McNeil, Mrs. Diane Shaw, Rev. Hadley Triplett, Mrs. Kim Walker, Rev. Richard Whittington and Attorney Timothy Joines.

The meeting was called to order by Rev. Horton with prayer being offered by Rev. Hadley Triplett prior to the business.

The purpose of the called meeting was to apprise the council of the meeting between Mr. Ken Noland, Wilkesboro Town Manager, Rev. Horton and Mr. Timothy Joines, Associational Attorney regarding the upcoming Commissioners meeting scheduled for Monday, August 7, 2006 and the Associational request for rezoning of the "Woodward" property.

Attorney Joines recapped the rezoning request change from R-8 to R-6 stating that Mr. Noland advised both he and Rev. Horton that the Board of Commissioners would be declining the Associational request for rezoning. Further, that it would be 12 months before another request for rezoning would be considered. Both Attorney Joines and Rev. Horton felt Mr. Noland was discussing the intent of decline as a friendly gesture and not in any way trying to intimidate or criticize the Association and that as Town Manager it was his job to protect the town from any unpleasant press exposure. It was the consensus from the meeting that neighbors, commissioners, employees, etc. of the town have been told untruths that were offensive and that it would be to the Associations benefit to define and provide evidence of just what the Association planned to do prior to requesting another rezoning.

Discussion was also made regarding the payment of property tax for next year (after December 31, 2006) since the tax office has previously stated they would work with us until the first of the year. If necessary, monies are available, through interest, to pay the approximate $3,500.00 total, county and city combined for 2007 taxes.

Motion was made by Rev. Jim Gore, seconded by Mr. Raymond Blevins and unanimously approved to have Attorney Timothy Joines withdraw the request for rezoning of the Woodward property from the agenda of the Town of Wilkesboro Commissioners meeting scheduled for Monday, August 7, 2006, allowing the Association to further study and formalize plans for the property.

Motion was made by Rev. Jim Gore, seconded by Rev. Ronald Brookshire and unanimously approved to appoint Rev. Horton and Attorney Joines as the only persons to speak on or behalf of the Brushy Mountain Baptist Association regarding the Woodward property.

At the suggestion of Rev. Jim Gore a letter of apology will be forwarded to Mr. Ken Noland regarding the Woodward property and the rezoning request.

The meeting was dismissed with prayer being offered by Mr. Wayne Holcomb

Respectfully submitted,

Eileen McNeil

## MEETING OF BOARD OF DIRECTORS (ASSOCIATIONAL COUNCIL) . BRUSHY MOUNTAIN BAPTIST ASSOCIATION 14 AUGUST 2006

Those attending the meeting of the Associational Council on August 14, 2006, at the Associational office on Hwy. 268 East were: Rev. Lawson Horton, Mr. Dwayne Andrews, Mr. Raymond Blevins, Rev. Ronald Brookshire, Ms. Dolores Broyhill, Mrs. Linda Glasco, Rev. Chad Hendren, Rev. Lyn Lambert, Mr. Eric Mastin, Ms. Eileen McNeil, Mrs. Shirley Randleman, Rev. Hadley Triplett, and Rev. Richard Whittington.

The meeting was called to order by Rev. Horton with prayer being offered by Rev. Ronald Brookshire, prior to the business session.

Rev. Horton gave everyone a moment to look over the minutes for any comments. The Associational Clerk brought to everyone's attention several errors in the May 5, 2006 minutes contained in the packet and corrections would be made and forwarded to the Associational office. The minutes were accepted as presented with corrections to the May 5, 2006 as stated by the Clerk.

Rev. Horton introduced Dr. Charles Whipple, Academic Dean of the Bible College and pastor of Community Baptist Church. Dr. Whipple presented, for thought, several ideas for use of the Woodward property that would meet the requirements of the zoning as it is now. Among those ideas presented were a private preparatory high school for educational, Christianity and life style teachings, a college church. A college orientated church could be done on off nights to not infringe on regular church night activities and would focus on the college and young singles. Also mentioned was a day care; however, with day care you would need to have a church affiliation (church umbrella). Dr. Whipple also stated that Community Baptist Church could possibly move and use the gymnasium at Woodward. Community Baptist is not looking to move from their present facility but would provide them with more room.

Dr. Whipple was very clear that in order to make any of the above mentioned suggestions happen, the Woodward facility would have to be ready to show people, have the facility nice and clean, especially the gym and library/media center "right" for parents and other to see, if a preparatory school is considered.

Dr. Whipple explained that younger adults between the ages of 17-24 are attuned to athletics, music and desiring to have straight forward answers to their questions however crude or undesirable those questions might be. Rev. Richard Whittington reiterated that the need to reach a larger and broader range of youth, pointing out that the age bracket mentioned doesn't get their questions answered and the need to train this age is important so they will then be equipped to provide answers to other of their age bracket when they attend secular schools.

Rev. Horton thanked Dr. Whipple for his input and suggestions and would be talking with him in the near future.

Rev. Horton informed the Council that the other alternative to the solution of the Woodward property would be to sell. Rev. Horton has spoken with donors who provided funding for the Woodward building and they do not want their money back and one donor was strongly in favor of implementing a school and Bible college. Rev. Horton was very clear that the Town of Wilkesboro was very kind and courteous in affording the Association an opportunity to come up with some type of plan. Rev. Horton also was clear that whatever came to fruition, he (Rev. Horton) would fulfill his duties as Associational Missionary and will not be responsible for administration of whatever entity or entities occupied the Woodward property. It would have to be self supporting.

Rev. Horton expressed his concern of several things, in general, that have caused him much stress and annoyance to him and once other data has been obtained (some from Ken Noland) and compiled, he will feel more amply prepared to discussed these matters in the near future.

Following other comments and discussions regarding the Woodward property, motion was made by Rev. Richard Whittington, seconded by Mr. Dwayne Andrews and approved to have the Board of Directors of the Woodward property, consult with Dr. Charles Whipple and provide a feasibility study to evaluate a cost for bringing the Woodward building up to the necessary codes for occupancy of the building beginning with the school gym and media/library areas.

Discussion of the **h.o.p.e.** Ministry revealed that as of 31 August 2006 there would not be enough funds to continue the operation of the ministry and that by remaining in the Woodward property, the Association is in direct violation of the zoning ordinances of the Town of Wilkesboro. The consensus was unanimous to move the **h.o.p.e.** ministry back to the Associational property on Highway 268 East by the last day of August. Directions were given to Rev. Chad Hendren to notify any clients that have appointments of the upcoming change. Suspension or closing of the **h.o.p.e**. Ministry will have to occur unless funds can be found to continue the support. The churches within the Association that have been supporting the ministry have slacked in the monetary support and the ministry cannot exist with full support and cooperation. The Toy Store will have to be closed unless a facility, such as a school would be willing to accommodate the need.

The proposed Agenda for the 135th Annual Meeting of the Association was provided for review. The meeting will be held at Greater Vision Baptist Church on October 9, 2006.

A "new" concept of Messenger registration for messengers to the quarterly and annual meetings will be required and was distributed for review. The card must be presented at the enrollment desk prior to the meeting in order to be counted and entitled to vote in proceedings.

Rev. Lyn Lambert was introduced and Rev. Horton announced that Rev. Lambert had agreed to be the Moderator for the forthcoming year's meetings.

It was also announced by Rev. Horton that the Moderator would appoint three persons to serve on the personnel committee followed by Rev. Horton sharing scripture reading from Jeremiah, Chapter 16; verse 6 wherein it states to "keep your eyes on the Lord"

Motion was made by Ms. Delores Broyhill, seconded by Mrs. Shirley Randleman and approved the sale of the trailer that is no longer required or useful for the Association.

Motion was made by Ms.Delores Broyhill, seconded by Mrs. Linda Glasco and approved to appoint Mr. Eric Mastin to make arrangements to sell the Old Van as scrap iron (this is the van that was given by Stoney Hill Baptist Church) as it is totally unusable due to its condition.

Motion was made by Rev. Hadley Triplett, seconded by Rev. Richard Whittington and approved to pay the difference between $2,200.00 and $1,500.00 to move the mobile home for Rev. Cantu to the Millers Creek area. Shumate Mobile Home Moving Services have agreed to move the mobile home and do the set up at the new location for the sum of $2,200.00. Rev. Cantu stated that his church would pay $1,500.00; therefore the difference being paid by the Association.

A request from Millers Creek Christian School was brought before the Council of their desire to have some of the desks, tables and specifically some of the lab tables and or other equipment that is presently in the Woodward building. After discussion motion was made by Rev. Hadley Triplett, seconded by Mrs. Linda Glasco and approved to let Millers Creek Christian School have the items they want.

A proposed organizational chart for the Association was presented by Rev. Horton. The changes would reduce the number of persons participating on committees that are basically inactive and drop the number of persons required from approximately 96 to 45 or 50.

The calendar for 2006 – 2007 depicting the various events and dates of importance and remembrance was discussed with comments by Mr. Raymond Blevins on the Baptist Children's Home collection; Ms. Delores Broyhill on the Fair ministry that will be from October 10-14 and the expansion planned to serve the workers.

Mrs. Broyhill also provided information on interest rates for the Associational funds and the various possibilities; however, it was the general consensus of the Council members to leave the account as it is presently.

With no further items to be brought before the Council, Rev. Richard Whittington offered prayer. Meeting adjourned.

Respectfully submitted,

Eileen McNeil

Wellborn was saved at the age of 15 and through the years of his ministry has baptized approximately 1100 souls, served around 800 funerals, united numerous couples in the bonds of matrimony as well as preached in unnumbered revivals throughout North Carolina and other states. Rev. Wellborn in his earlier ministry served four churches at one time and has written and had published a book titled *"The Country Preacher."* Rev. Wellborn has visited the Holy Land, Russia, Hungary and Romania, where he handed out Bibles and preached. Rev. Wellborn and his wife, Mary have one son, David Wellborn who is also a minister, and two grandchildren. For his many years of devoted and tireless service to his Lord, the Brushy Mountain Baptist Association dedicated the Brushy Mountain Baptist Associational Annual to Rev. Sherrill Wellborn with appreciation for the many years of dedication to the ministry and our community.

Rev. Lawson Horton presented a plaque to Little Rock Baptist Church from the Baptist State Convention of North Carolina for being the top percentage giver of the Cooperative Program for the year 2005.

Rev. David Sparks introduced Mr. Gayle Brown who gave a report on Baptist Retirement Homes stating that the fastest growing segment of population is over age 80 and facilities to help with the aging are becoming more populous. There are five Baptist retirement facilities in North Carolina, i.e., Asheville, Winston-Salem, Albemarle, Hamilton and the newest in Concord. There are over 700 adults in these homes and are provided with (a) independent; living style by choice; (b) assisted; requiring aid with medications, dressing, etc. (c) skilled nursing; where the individual is confined to bed or wheel chair. Referencing Psalms 71, verse 7, Mr. Brown reminded everyone that monetary assistance may be provided to these homes by offerings for older adults in February and that all monies received goes into a benevolent fund to help defray cost for those unable to pay the full amounts required to continue residence in the various homes.

Rev. Lawson Horton presented his Missionary report that had been deferred earlier in the meeting. Rev. Horton began by stating that financial support is greatly appreciated within the Association and because of the giving of the churches the Association has been able to have a successful Toy Store, minister to traveling carnival employees, shares the Gospel at the Apple Festival and countless other ministries.

The effectiveness of the Association depends on the churches. The relationship between the churches and the Association is essential; the Association exists to serve the churches; however, if the Association doesn't know of the "itch" of the churches, it cannot help with the "scratch". Each church should show its willingness to be involved. There have been six churches that have left the Association, with two leaving in the past year.

It is imperative that the key leaders in the churches or those receiving the mail, (information) provide and share information about work and events going on in the Association. The particular article of information sent to the churches or key leaders may not be of interest directly to the individual receiving the information; however, it may be of vital interest to someone else. Rev. Horton asked that the information provided by the Association be directed to the members of the churches.

Rev. Horton asked if everyone wanted to see Kingdom service? If so, then each one should be willing to serve as team players. Rev. Horton specifically asked for a show of hands of those that would like to see the Woodward property possibly being used as a Christian High School, or a college church and/or Bible college. The Foothills Bible College had an increased enrollment from 25 last year to 51 this year. Other possibilities for service would be to join with our sister Association, Stone Mountain Baptist Association in co-sponsoring the beginning of a Cowboy Church to reach people not attending a church regularly or are unsaved who enjoy the live of a cowboy. The Hispanic Church has made great progress. The Pastor is leading his congregation to start another mission church.

In conclusion, Rev. Horton stated, "From this day forward, let's get going, the time is now."

Rev. Homer Greene offered the benediction and blessing for the evening meal as the afternoon session of the Annual meeting adjourned at 6:01 o'clock p.m.

150 were in attendance for the afternoon session.

**EVENING SESSION**:

Following a delicious meal that was prepared and served by Greater Vision Baptist Church members, the evening Break out Session's began at 6:45 o'clock p.m. until 7:30 p.m.

Greater Vision's Praise Team led by Miss Summer Branch and Greater Vision Choir under the direction of Mrs. Debbie Lambert, provided music with accompaniment by Mrs. Lisa Dyer and Miss Donna Adams.

Throughout the afternoon and evening sessions, view point photographs were shown. The photography was provided by Mrs. Renee Eller.

The evening session was called to order by Rev. Hadley Triplett at 7:45 o'clock p.m. followed by the congregational hymns of *Set My Soul Afire/Glorify Thy Name* led by Mr. Dwayne Andrews.

Rev. Lyn Lambert welcomed everyone back from the afternoon session and meal and those who were just joining the meeting. Rev. Lambert read scripture from Nehemiah, Chapter 4, verse 14 followed by prayer.

Rev. Lawson Horton pointed out that the Association has two pastors who have books published and made special recognition of Dr. Nelson Granade, Jr.; "Lending Your Leadership" and Rev. Sherrill Wellborn, "The Country Preacher." Both Dr. Granada and Rev. Wellborn briefly spoke of what led each to write their individual books and briefly gave a summation of what each was about.

Mrs. Betty Pardue gave the ***In Memoriam*** report as printed on page 32 of the Book of Reports and read scripture from Acts, Chapter 13, verse 36, concluding with prayer.

Mr. Dwayne Andrews, along with his wife and two daughters presented special music during which time more photographs provided by Mrs. Renee Eller, were shown as power points.

Rev. Jeff Collins, pastor at Welcome Home Baptist Church was the guest speaker for the evening. Basing his sermon on 2nd Corinthians, Chapter 4, verses 1-6, Rev. Collins commented that we are called to the ministry, if we are Christians. As Christians we need to move from "inside" the church to the "outside" to spread the gospel; service is a thing of gratitude, and commitment should be grace. Each of us needs to be consistent, letting people see the good news of Jesus Christ. Recalling verse 2....."Commending ourselves to every man's conscience in the sight of God"....; having received God's mercy, we have a message to proclaim and we need to walk in a way of honesty and integrity. Rev. Collins used the theme of the annual meeting, tweaking it to..."That the World May Know Him". As we are all called to serve for Jesus, we need to evaluate the qualities and needs of our individual churches and use the gifts and talents given us. We also need to be flexible. We are each called to the ministry and we need to serve that call, whatever it may be. God knows our calling. It's our duty to serve that call.

Rev. Hadley Triplett expressed his appreciation and gratitude for the opportunity to have served as Moderator during the past year and thanked all those who have served with him during his tenure. Rev. Triplett called Rev. Lyn Lambert, who will serve at Moderator; Ms. Eileen McNeil, Associational Clerk; and Mrs. Shirley Randleman, Treasurer to the front so everyone could be aware of who will be serving in the forth coming year as the Associational Officers. Rev. Michael Church will be serving as Vice-Moderator.

There being no further business the 135th Annual meeting of the Brushy Mountain Baptist Association was adjournment at 8:57 o'clock p.m. in prayer.

There were a total of 137 messengers and 29 visitors attending the afternoon and evening meetings.

Respectfully submitted,

Eileen McNeil, Clerk

## ASSOCIATIONAL MISSIONARY REPORT

As I evaluate the Associational year, it has been one of highs and lows…and stagnated. To say the least, it has been an interesting year. Progress was made in some areas, but others were motionless or just plain regretful. Well, at least I see events and issues being in one of the categories mentioned above. I want to report on things in this order:

**The Bad:** Regretfully, we lost two churches because they have chosen to be solvent and independent of any denominational affiliation. I wish them well in Kingdom service.

During the year we lost a staff member which was not an easy task to consider. I pray God's blessings upon her and her family. Seeking employment is not an easy task.

It is necessary for me to relay to the messengers and members of all the churches in the Association that our ***h.o.p.e.*** Ministry is in need of financial, as well as volunteer, support. From the inception of this ministry until recently, progress in meeting needs and seeing people trust in Christ has been good, but now much support is needed. Many of our churches send canned goods and other staple foods which have been very helpful, but this will not pay for salaries or upkeep for the ministry.

During the year, a new Board of Directors was formed to oversee the development of the Woodward School property. The Board has met on several occasions and has had a difficult time putting a plan together because of the controversy with the neighbors which led to the withdrawal of our rezoning request. The Board is now meeting to seek a new plan that will meet with the current zoning code.

**The Good:** The giving of the churches has been very encouraging though we lost two churches during the year. We can only be effective and provide resources to the churches as the financial support continues. One of the requirements to be affiliated with the Association is through the financial giving of our churches.

Because of the giving of our churches, we were able to have a successful Toy Store, ministry to the traveling carnival employees, and share the Gospel at the Apple Festival. We gave more than ten thousand dollars to the Hispanic Ministry which is growing numerically and spiritually thanks to the leadership of Pastor Reynaldo Cantu and his sweet wife.

Other highlights for the year included: special meetings for prayer and spiritual awakening, six churches participating in a simultaneous Lay Renewal Weekend, and again six churches participating in an outdoor Baptism conducted at the W Kerr Scott Reservoir at the beginning of this new Associational year 2006-2007.

It is indeed a pleasure to have Mrs. Diane Shaw to return as our Administrative Assistant. She was missed but is welcomed back because of her ability to transact business and manage the office in an efficient manner. Thanks, Diane, for the ministry you provide to us and our Lord.

**The Indifferent:** One of the most difficult and frustrating tasks that our office faces is the lack of knowledge that church members from the participating churches have about the work and events provided by our office. We receive many calls from church members that are upset because they do not know of things taking place that are of interest to them. We reply by telling them that all publicity has been distributed to the churches via e-mails, newsletters, cards, etc. to key leaders in their church that should be announced to the congregation.

When we begin checking the breakdown in communication, we are learning that the information being sent to the churches falls in the hands of the person responsible for gathering the mail and never given to the people responsible for seeing that information is known to its members. Sometimes, mail is sent to key leaders of churches asking them to let the members know of coming events that may be of interest to them. The information gets lost, thrown in the trash, or stacked on a desk and found later under a pile of mail long after the event has occurred. If the news from the Association reaches the pew, someone needs to take serious responsibility to see that said information has been made known to the congregations. Why be affiliated if nothing the Association does is worthy of your consideration? To me, that is poor stewardship; therefore, I feel the church must make a valiant effort to keep its members informed or maybe we need to disband as an Association. Is that being harsh? I think not. We are wasting the Lord's money keeping a staff who desires to help our churches be more effective in ministry, but the involvement is practically nil. Though you many not be interested, others may be and will find it helpful and be purposefully used to help the church be more effective in ministry.

**Anticipation of the Future:** Let me briefly describe what is being considered for the future. In January of 2007, an effort will be made to kick off a campaign to teach local church members how to share their faith without fear. This could be advantageous to the Kingdom of God. The new believers that come to know Christ may be potential leaders in the church. Only God knows.

There are several good things being considered for the Woodward property that we think many of you will appreciate. Whatever we do will be for the good of the community.

We plan to make a final decision on a permanent home for our office. It will be nice to get settled in a nice location that we can then call home.

Our By-laws Committee is working diligently to draw up a structure for our Association to use that will enable us to be more efficient and productive. We hope this will be in place by April 2007.

The Personnel Committee is also making strides in helping the office staff to determine what can be done to make us more productive. You will most likely be informed of their report during the 2006-2007 Associational year.

Earlier I mentioned the progress that our Hispanic Church has been making. This church is doing well enough that the Pastor is leading his congregation to start another mission church in the Mountaineer Village Mobile Home Park using their own people to get the ministry established.

Our sister Association, Stone Mountain Baptist Association, is asking us to co-sponsor the beginning of a Cowboy Church in Wilkes to reach people that are not attending a church regularly or are unsaved who enjoy the life of a cowboy. This is something we will need to consider very soon.

My final plan for the near future is for us to consider developing a Drug and Alcohol Rehabilitation Center to help people attempt to overcome their addiction. I personally see a tremendous need for this facility. I have had an opportunity this year to get acquainted with one that meets these criteria. To say the least, it has been challenging but I can see the change it is making in this young man's life. I have the encouragement of some law enforcement officials, and one of our distinguished judges, to entertain the thought of having this type of facility. Are there others of you that would like to offer encouragement to develop this kind of ministry? It is a God-size task, but if God directs us to take on this task, it can be done.

The Apostle Paul was discouraged by his new converts from making a challenging visit to the mother church in Jerusalem, but Paul was determined, and as he decided to go forward, the people said, "...the will of the Lord be done." We need to know if this is God's will *for such a time as this* and if it is, *let the will of the Lord be done*!

Respectfully submitted,
Rev. Lawson D. Horton, Jr.

## BAPTIST CHILDREN'S HOMES REPORT

**(July 2005-July 2006)**

***Many Voices, One Story***. . .North Carolina Baptists attending the Baptist State Convention Tuesday evening, November 15,2005, sat as the lights in the Joel Coliseum in Winston-Salem dimmed. Messengers and guests arrived anticipating the night's report from Baptist Children's Homes (BCH). Every five years, the Institution presents a 30- minute expanded report, which many people view as the highlight of the convention.

The crowd present this night leaned forward as the first child stepped to the microphone to tell her story. Children and residents representing BCH's four campuses, wilderness camping program, group

homes and developmental disabilities ministry filled the stage area. The 2005 meeting was BCH's opportunity to share the ministry through children's testimonies and songs while highlighting the Institution's 120th Anniversary.

BCH President Michael C. Blackwell, enthusiastically addressed the group declaring: "We are uniquely, proudly, passionately, and incurably a part of the North Carolina Baptist family." To close the presentation, Broyhill Home resident, Jennifer, and developmental disabilities resident, Marcie, sang "Jesus Loves Me."

"These -are God's miracle children...," Blackwell said. "I want you to see in those eyes the eyes of our God who loves children." But the true pinnacle of the evening for one special child occurred away from the eyes of messengers.

"We were all saying goodbye when I looked down and saw Jennifer crying," said Lou Arnsdorff, Jennifer's child care worker. (Jennifer had just sung on stage.) A tearful Jennifer told Arnsdorff, "I just want to ask Jesus into my heart." In a crowded hallway outside the auditorium, Jennifer accepted Christ as her Savior.

***Show you love***. . . This year's Baptist Children's Homes' offering theme, "Show You Love," represents the pivotal role individuals and churches play in the lives of hurting children.

North Carolina Baptists show their love through their prayer and financial support. It is only through this commitment that BCH can continue to make a difference. This year's statewide offering goal is $1,375,000. This represents a $25,000 increase from last year. Challenge your church to participate in the 2006 Offering Campaign.

***Biography Unveiled***. . . The biography of BCH President Michael C. Blackwell was published and officially unveiled to the public in April. *Just Call Me Mickey: From Mill Village to Mills Home, The Journey of Michael C. Blackwell* was written by the late Wint Capel, former Editor of the *Thomasville Times*. The book chronicles Blackwell's life from his humble beginnings as a boy living in the mill village town of Gastonia to becoming president of one of the largest private children's homes in the southeast United States.

***New PMG members named***. . . Baptist Children's Homes President Michael C. Blackwell announced several key administrative appointments in June. Nancy McNeill was named BCH's Executive Vice President (EVP) of Operations overseeing the statewide Institution's day-to-day operations. Jim Edminson was appointed as BCH's Institutional Director for Communications directing the agency's statewide communications. Shane Nixon has been named BCH's Institutional Director of Information Services directing BCH's technology services and broadening his role of service. McNeill, Edminson and Nixon will serve on Blackwell's President's Management Group (PMG).

Former resident, BCH Child Care Worker, and Administrative Office Manager, Jennifer Shore, was appointed Executive Assistant to the President and longtime staff member Ron Richardson was named Manager, Institutional Support Services.

***Dedicated to the Glory of God***. . .Baptist Children's Homes set their sights towards the future expanding its services to children and families.

- The Alverta Bolick Home in Asheville was dedicated in May. The facility is home to developmentally disabled adults in the Asheville area.
- The campaign to build two similar facilities for special needs adults in the Sanford community began in August 2005.
- A state-of-the-art education center in Kinston was dedicated in July. The new Reverend Kenneth E. Haigler & William "Bill" Overcash Education Center offers an on-campus school to residents at BCH's Kennedy Home.
- The Winifred Lindsay and Three Forks Homes for developmentally disabled adults were dedicated August 27 in Boone.
- Groundbreaking for DDM homes in Sanford and Asheboro will take place September 10 and October 14 respectively.

## BROTHERHOOD REPORT

During the past year, the Brushy Mountain Baptist Brotherhood planned activities to further develop the lives of young men. In February 2006, the RA Competition was held at Wilkesboro Baptist Church. Approximately 78 participants competed in the annual car race and around 200 people attended total. A Baptist Men's Training was set on the calendar for the month of September 2005. The RA Jamboree was also scheduled for September 2005, and we had about 60 people who came and enjoyed a wonderful camp out. A September meeting was held at Fishing Creek Church for all Brotherhood Directors and their Pastors; we had about 30 people to attend. We talked about Local Missions and Gulfport, Mississippi Mission trips and had a great supper fixed by Fishing Creek Baptist Men's group. I would like to thank all the people who help put these events together, and also everyone who participated in the events. You are greatly appreciated.

If any church desires to do God's work by starting a Brotherhood or a RA group, please feel free to contact me. I am most eager to come and speak to you or your church about the in-state mission trips or a trip to Gulfport, Mississippi that I have participated in with my home church, Fishing Creek Baptist. A power point presentation has also been created to demonstrate the impact local Brotherhoods can have on someone in dire need. Those who have served have blessed many, as well as been blessed themselves, as assistance was provided to people needing their flood damaged homes repaired.

I hope to work with others by assisting you in the initial organization of a Brotherhood or a RA group at your church. I look forward to visiting the churches of the Brushy Mountain Association. If I may be of assistance to you in any way, please feel free to call my home at 984-4840.

Respectfully submitted,
Eric J. Mastin, Brotherhood Team Leader

## DISCIPLESHIP TRAINING SUPPORTER REPORT

It's that time of year when many churches are thinking about in-depth Bible studies; whether it's a separate men's and women's or combined study. As Discipleship Training Consultant for the Brushy Mountain Baptist Association, I would like to make you aware that there are various Bible studies available to you at the Associational Office. Just stop by and check out a study that will bring a closer fellowship with members of your congregation.

One of the men/women's studies that Zion Hill Baptist will be starting in August is *Sharing Jesus Without Fear* by Bill Fay. Also in September, Pastor Chuck Williams will be starting an early morning Bible Study at 6 am (once a week) for the men of his church called *The Quest for Authentic Manhood* by Robert Lewis. The women of Zion Hill have had several Beth Moore studies and have thoroughly enjoyed the fellowship and learning more about the Bible from a woman's perspective.

We would love to have the names of Bible Studies that have benefited your church or that you would be willing to share with a sister church in the Association. Please pass on your ideas so that we can reap the blessings that you have gotten from your experience with that particular study. Call me at 921-3951 or the Associational office 838-4407 to share your ideas and studies.

If you are interested in a Bible Study and need help acquiring it, please call me and I will be happy to assist you.

Respectfully submitted,
Mrs. Linda Glasco, Consultant

## GREAT COMMISSION TEAM REPORT

I know, you're thinking, "What is the Great Commission Team?" This is what has previously been called the Missions Development Team. The name was changed because the team has felt a calling to delve deeper into the work of reaching out to the needs of our county and have endeavored to do that this year.

Our first project for the year was a booth at the annual Apple Festival on October 1, 2005 with cold water and Bible tracts in both English and Spanish to offer everyone who visited the booth. A diaper changing station was also provided for mothers and their babies. A favorite of the children who visited the booth was the face painting and the balloons. A most wonderful thing happened that day! A young man was saved through the witnessing of a volunteer! This project is planned again for this year and we hope you will come by and visit...or better still, volunteer to help man the booth.

The week of October 10-15, 2005 was an exciting time in Wilkes County and also a very busy time for the GCT. The team started this week off by serving lunch and providing health kits to 35 employees of the annual Agricultural Fair held at the North Wilkesboro Rotary Park. This ministry was expanded by making available to the workers a break tent where refreshments were provided, blood pressures could be checked, the Jesus video was shown and a counselor was available if needed. Plans are underway for further expansion of this ministry in October 2006.

A new ministry has been started with the partnership between the GCT, the Toy Store, and the American Red Cross in Wilkes County. This involves providing toys for children of families who have lost their homes due to a fire.

Other mission projects the GCT assisted with were the Toy Store in December 2005 and the annual food drive for the NC Baptist Children's Homes.

The Great Commission Team is continually looking for ways to reach out to the lost and hurting in our county. The one person who was saved at the Apple Festival last year makes all the time and energy worth this result. No amount of time, energy, or money can be placed on one soul brought into the Kingdom of God. The GCT would like to say a huge "Thank You" to all who volunteer to help in these efforts. It takes many different talents and much time to make these efforts realities. How would God have you use your talents? As in previous years, this team covets your prayers that God will continue to open doors for this ministry to expand and that we will be receptive and available to do His will.

Respectfully submitted,
Ms. Dolores Broyhill, Chair

## MUSIC REPORT

I would like to begin by saying thanks to the Association for allowing me to serve as the music consultant this year. Also, many thanks to the churches, their choirs and special singers who have hosted or will be hosting our meetings this year. We are truly blessed with great musical talent throughout the Association. A couple of things I would like to report.

We have a lot of sheet music at the Associational building I would like to organize. My thoughts are to get it into some library type order where our music directors could look at it and check it out. I think this would be a good resource for our choirs.

It has been mentioned to me about having an Associational praise sing. All of the choirs of the Association will be invited to attend on a voluntary basis. Each choir would be introduced and sing one song. While the next choir is coming on stage, the choir director from that church will lead the congregation in a short hymn or praise chorus. I have attended such a service and the non-stop worship and praise of Jesus is truly awesome! Please be in prayer about this. It will take some work.

Respectfully submitted,

Mr. Dwayne Andrews
Associational Music Team Leader

## NEW YORK PARTNERSHIP

It has been another great year of partnership with Brushy Mountain Baptist Association and Graffiti Ministries in New York City. We have participated in various ministries in the name of Christ.

We have helped many men, women and children throughout the year by meeting their needs. We have provided scarves, blankets, food, thermals, knit caps, hygiene kits, toys and socks.

We provided transportation to the GA girls to and from camp in Virginia in July. A team went in August to provide an end of summer party for the summer mission outreach program. We participated in outreaches to the Bronx and the Lower East Side. We gave Christmas parties for underprivileged children along with gifts and entertainment.

We have provided food and assisted with F.L.I.P, free lunch in the park, outreach for the needy and the homeless. Brushy Mountain Apples and country ham is a special treat the people on the Lower East Side look forward to.

Handyman work and cleaning has been preformed again this year. We built decks on the roof of the church building.

God continues to work miracles in the lives of the people on the Lower East Side. Mary Carr has left New York in August. Please continue to keep her in your prayers.

I want to express how much I appreciate and am thankful for all your prayers and support, and a very special thank you to the churches that sent their church vans or provided funds to provide a van.

Respectfully submitted,
John Triplett
Graffiti Partnership Coordinator

## NOMINATING COMMITTEE REPORT

The Nominating Committee would like to recommend the following individuals to fill the offices of Moderator, Vice-Moderator, Clerk, and Treasurer for the 2006-2007 Associational year.

**MODERATOR**..... Rev. Lyn Lambert, Greater Vision Baptist Church
**VICE-MODERATOR**..... Rev. Michael Church, Pleasant Home Baptist Church
**CLERK**..... Ms. Eileen McNeil, New Hope Baptist Church
**TREASURER**..... Mrs. Shirley Randleman, Beaver Creek Baptist Church

Respectfully submitted,
Rev. Robert E. Webb, Chair

## PERSONNEL COMMITTEE REPORT

This past year our Personnel Committee began the task of evaluating the ministry effectiveness of our personnel. As we started that process it became evident that we needed to show some appreciation to our fine staff. We took the Association staff to a Christmas luncheon and gave some gifts just to say thanks for serving so faithfully. At that time Lawson Horton, Chad Hendren and his wife, Christy, were the only staff. Since that time, Christy has moved on, and Diane Shaw has come back to serve on our staff again.

Our committee would like to thank our fine staff for serving so selflessly this past year.

Respectfully submitted,
Rev.Thomas Bartlett, Chair

## PROGRAM PLANNING AND WORSHIP COMMITTEE REPORT

Special thanks are extended from your Program Planning and Worship Committee to all the Messengers and Pastors of our Association for your continuous support of our quarterly and annual meetings. We as a committee meet and plan our meetings with YOU in mind. We welcome your input and suggestions on various ways we may improve our quarterly and annual meetings. We hope that the break-out sessions now being offered are informative and inspiring.

We appreciate the cooperation and participation of the following churches for hosting our meetings in 2006.

Pleasant Home Baptist Church.....January 9, 2006
Hinshaw Street Baptist Church.....April 10, 2006
Boiling Springs Baptist Church.....July 10, 2006
Greater Vision Baptist Church..... October 9, 2006

The following churches have agreed to host our quarterly meetings in **2007**.

First Baptist Church, North Wilkesboro.....January 8, 2007
Zion Hill Baptist Church..... .....April 9, 2007
Purlear Baptist Church.....July 9, 2007

Our next *Annual Meeting* will be at Oak Grove Baptist Church, North Wilkesboro, on October 8, 2007. Dr. Dennis Love will be delivering the annual sermon. Dr. Charles Whipple is the alternate preacher.

God is Good,
Dr. Dennis Love, Chairman

## PROPERTIES COMMITTEE REPORT

The Properties Committee has had several meetings this past year about the direction that we should take concerning the location of the Associational office. The committee, after reviewing all options, decided that, for the present, the location should be on the property that we already own on Hwy 268 West. We also own the Woodward School property and the committee recommends, at this time, that we put the determination of the permanent location of the office and the pursuit of building plans on hold until further decisions can be made and more funds are available.

Respectfully submitted,
Mrs. Lois Woodie, Chair

## TOY STORE REPORT

We had a very blessed year with the Toy Store. We held the Toy Store at the old Woodward School building. In the new location it gave all the volunteers room to work. The common comment was "Are we not seeing as many people this year." It was just that we had a lot of room to work.
This year's store helped 98 families with a total of 247 children. There were 8 professions of faith. Give God the glory.

Also this year the Toy Store expanded its effort to meet the needs in Wilkes County. With the left over toys the Great Commission Team decided to find a way to distribute them to children in need. We contacted the Rainbow Center, and the house parents came and selected toys for the children. We also gave toys to BROC which helps parents after the toy store and Christmas in Wilkes are over. We then turned our attention to the rest of the year. It was set up with the Red Cross to help burn out victims in our county. When the Red Cross has a family with children that have lost their house to fire, they will call one of our contact people to meet the family at the store. This is a great way to minister to a family devastated by a great loss.

We are praying for another great year in the work the Lord has called us to do. Come and see what great things the Lord will be doing this year.

Respectfully submitted,
Toy Store Staff & Volunteers

## WILKES MINISTRY OF *h.o.p.e.*

(**h**elping **o**ther **p**eople **e**xcel)

This year we have gone through many changes. We are seeing great progress in our efforts to meet the needs of people that are hurting.

Our office has moved to the old Woodward Middle School which has helped us with our problem of being out of room. We also are operating with a new system in place which has taking the burden off of our volunteers.

Throughout the year we have seen a reduction in clients. This can be accredited to different things. The one major factor is the cooperation of agencies. This year strong efforts have been made to control a person from abusing the system. We have seen the good impact this has had in our statistics. The cooperation of agencies takes the burden off of one agency to try to meet the needs of everyone.

The one statistic that can never be compared to by any worldly possession is the number of people that made professions of faith. This year has truly been a blessing watching the Lord work in people's lives. This year we had 40 professions made in our office. This gives us a total, since we opened in March of 2003, of 97 professions. Glory be to God.

This past year from September 1, 2005 thru August 31, 2006, we administered the following:

- 3,194 Client visits in our office
- 204,095 meals of groceries which is 57 tons of food
- Fed 9,035 people
- $18,022.55 in financial assistance

We do not have a set budget at the ministry. We are never sure how much money we will receive any given month. We use a floating budget, which simply means, if we have it we give it.

We look forward to another great year serving our Lord and Savior. All of this is possible by your continued prayer and support. Thank you for a wonderful year. May God bless you greatly through your giving to His Mission.

Your Brother in Christ,
Rev. Chad Hendren
CCM Director

## WMU REPORT

This has been a year of change in WMU as we have continued the theme of "Christ Followers". Our Leadership Team reorganized as a team of consultants. Rather than hold so many Associational events, we made ourselves available to the churches to assist with their individual needs. During the past year, we assisted churches with their WMU training, did a presentation of World Hunger, and led the International Mission Study. We also continued our ministry projects of providing hygiene kits to the fair workers, collecting food for the ***h.o.p.e***. Ministry as a part of World Hunger Day, and collecting items for the Christmas boxes given to the women inmates at the North Carolina Women's Correctional Center.

This year has also been another year of loss for our WMU team. In March, Dottie Greer, a long-time member of the Leadership Team lost her battle with cancer. Dottie was a very special person who truly lived her faith every day of her life. She will be greatly missed by us all.

We finished up the year with our annual celebration which was held at Greater Vision Baptist Church. Each team member shared about the different WMU organizations, and we had a special memorial to Dottie Greer.

Next year we will begin a new emphasis in WMU: "Live the Call". My prayer is that God will equip us to do just that through our WMU organizations in the coming year.

# THE NORTH CAROLINA BAPTIST FOUNDATION, INC.
## 2005 ANNUAL REPORT

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in increasing an awareness among North Carolina Baptists of Christian estate stewardship principles as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, Will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

During 2005, the Foundation assisted individuals in establishing 49 endowment funds and 12 charitable remainder trusts totaling $1.8 million and received $7.1 million in contributions to existing endowments all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for churches and associations during the year to promote Make Your Will Month, Christian estate stewardship, and church fund management. Over $1.5 million from churches and institutions came under management to enhance numerous ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes. Overall, the Foundation received $10.6 million in contributions during 2005 for Christian causes.

The Foundation employs professional money managers to invest these funds according to an investment policy adopted by its Board. Four investment pools are offered: a growth fund, a balanced fund, an income fund and a fixed income fund. The Foundation uses the services of Salomon Smith Barney to help select top money managers and evaluate performance. As of December 31, 2005, the Foundation held $136.1 million under management.

During 2005, our distributions totaled $7.8 million, with charity receiving $5.7 million and individuals, through trusts, receiving $2.1 million. During the 85-year history of The North Carolina Baptist Foundation, Inc., $29.1 million has been distributed to individuals and $53.3 million to Baptist churches, institutions and mission causes for a grand historical total of $82.4 million.

# Report from the Baptist State Convention of North Carolina

*For period July 1, 2005 to June 30, 2006*

Executive leadership in the Baptist State Convention of North Carolina changed April 11, 2006 when Milton A. Hollifield, Jr. was elected executive director-treasurer. He was installed the same day during services at Calvary Baptist Church in Winston-Salem.

Hollifield declared that he intends to lead North Carolina Baptists "to become the strongest force in the history of this Convention for reaching people with the message of the Gospel."

Within months, Hollifield filled three executive leader positions. He eliminated the position of associate executive director-treasurer; and combined some of those duties with a newly named executive leader for administration and convention relations. Brian Davis, pastor of Beulah Baptist Church in Statesville, board member and Fruitland Baptist Bible Institute teacher, filled that position.

Hollifield called Don McCutcheon from the Florida Baptist Convention, to succeed him as executive leader for mission growth evangelism. He also brought on John Butler, pastor of First Baptist Church, Matthews and board chair in 2004-05 as executive leader for business services, replacing Glenn Harder who returned to corporate life.

Norman Jameson in public relations and resource development, and Lynn Sasser in congregational services, are the other executive leaders.

**Cause for Rejoicing**

BSC leadership rejoiced over many areas of progress that indicate God's blessing on the work. These include in part the 103 new churches started in 2005; thousands of volunteers participating in a national Crossover event in the Piedmont that sowed seeds for 27 new churches; continued strong support for Cooperative Program Missions Giving in which 1,672 churches increased their giving to missions through CPMG; a growing awareness of Pursuing Vital Ministry and coaching ministry; campus ministries growing in strength; powerful student weeks at Fort Caswell; burgeoning interest in church renewal weekends; nationally televised disaster relief efforts in Gulfport with Baptist Men; programs and services provided by Convention staff that serve countless churches; increasing visibility for prayer evangelism and personal evangelism strategies; well attended programs and special events and a convention of churches facing the future with the courage of their convictions and faith in Jesus.

Significant resources were committed to strengthening information technology services, recognizing that the Convention must stay current with technology to readily serve churches' needs.

The Convention is increasing emphasis on multi-cultural ministries—reaching people from the many and varied cultures present in North Carolina. The face of the Convention staff reflects that commitment as Ken Tan and Ralph Garay from the Philippines, Tayo Jolaoso, from Nigeria and Maria Luoni from Puerto Rico have joined the staff.

Of the 103 churches started last year, 39 are Anglo. The rest are a variety including Hispanic, cowboy, and several Asian languages. North Carolina Baptists now worship weekly in at least 33 languages.

Changed lives are **C**ertain **P**roof that missions giving through the **C**ooperative **P**rogram works. Each church received a **C**ertain **P**roof DVD of 90 second video clips that feature lives changed through a ministry sponsored by North Carolina Baptists.

The 2006 and 2007 budgets each send an additional half percent for Baptist work in North America and beyond and North Carolina led all

state conventions in designated missions gifts to the SBC.

**On Mission Celebrations**

On Mission Celebrations is the new name for World Mission Conferences. Coordinate a conference in your association through Dan Euliss, 800-395-5102, ext. 121.

These missions awareness events provide missionary speakers from the association, state convention, North American Mission Board and the International Mission Board. In 2007 six associations will host OMCs.

**Retirement Planning**

The importance of the insurance and health benefits provided to participating church staff members was never more dramatically demonstrated than during one week this year when two young pastors died. One was covered and his widow and children received an immediate death benefit of $50,000. The other was not a participant in the plan and his family faces a much more difficult struggle.

Are your pastor and staff participating in the church annuity programs that protect their families and the church in the event of death or illness? Call Johnny Ross at 800-395-5102, ext. 320.

We cooperate with GuideStone to provide financial assistance to retired ministers and widows of ministers who are living in poverty. As of June 30, 222 North Carolinians receive financial assistance. We could help others if we knew who they are.

**Winning North Carolina**

Don McCutcheon, new executive leader for Mission Growth Evangelism, brings a single goal to his task: To Win North Carolina to Christ – Acts 1:8

He will organize the work of his team around three priorities:

- Intentional, effective evangelism without apology
- Planting intentionally and effectively evangelistic churches
- Assisting existing churches in becoming intentionally and effectively evangelistic

In 2005 North Carolina Baptist churches reported 23,179 baptisms with only 75 percent of our churches reporting. If each of our churches will establish and reach a four-year goal to baptize just one more person than they did the previous year, we will surpass 43,000 baptisms in five years.

**Tent Ministry**

The evangelism tent will seat up to 1,500 people. It stays booked from March to November and is used for revivals, community outreaches, block parties, VBS and other evangelistic community events. Please reserve tent six to 12 months before your event.

**Coming Alongside**

Congregational services comes alongside congregations in their spiritual journey to help them become everything God desires for them. Coaching and consulting in the programmatic services of Sunday school, children's ministries and weekday education, deacon ministries, Bible drill, discipleship, Pursuing Vital Ministry, architecture, special ministries like deaf and developmentally disabled, senior adults, singles and others, our staff is eager to serve you.

## *Biblical Recorder*

2006 Associational Report

The *Biblical Recorder* is now in its 173rd year of service to Baptists in North Carolina, a ministry that now extends around the world. The *Recorder*'s mission is "to further Christ's kingdom among North Carolina Baptists by providing relevant news, insightful opinions, and supportive resources in a timely and accessible fashion."

The *Recorder* was founded in 1833 and has served since that time as the official news journal of the Baptist State Convention of North Carolina, even though it was privately owned and operated until 1939, when it became a convention agency. As it has from the beginning, the *Recorder* relates to the full spectrum of BSC churches and reports on matters of interest to them.

In keeping with principles outlined in its charter and reflected in the Baptist State Convention Articles and Bylaws, the *Recorder* staff works "to maintain and safeguard the inalienable rights and privileges of a free press, these rights and privileges being consistent with the traditional Baptist emphasis upon the freedom, under Christ, of both the human spirit and Baptist churches."

The *Biblical Recorder* is widely acknowledged to be in the top echelon of state Baptist papers, winning national honors from the Baptist Communicator's Association every year since 2000, including the prestigious Burkhalter Award for news writing in 2001 and numerous first place awards for news and editorial writing.

As many readers now prefer electronic media to traditional print formats, the *Biblical Recorder* maintains a popular and rapidly growing presence on the World Wide Web. The Website, *www.biblicalrecorder.org*, provides much of each paper's content online, as well as access to classified ads, online Bible study resources, and a portal to other news services. The site is updated frequently with breaking news items and other articles of interest.

A "blog" or "weblog" by the editor at *http://journal.biblicalrecorder.org* offers an additional source of news and opinion that also provides an online community for dialogue and an opportunity for readers to post their own blogs or comments.

The *Recorder* currently averages about 45,000 print copies per issue, most of which are read by more than one person. In addition, *www.biblicalrecorder.org* attracts more than 250,000 unique readers per month, giving North Carolina Baptists' state paper a wider reach than ever before.

As a BSCNC agency, the *Biblical Recorder* gratefully receives annual support from Cooperative Missions Giving contributions, making it possible to offer the *Recorder* at subscription rates below the actual cost. Information packets and free three-month trial subscriptions are available. For more information, please contact:

## Appreciate the Past, Celebrate the Present, Anticipate the Future

Across the years Campbell, Chowan, Gardner-Webb, and Wingate Universities and Mars Hill College have emphasized that all Christians are called to ministry whatever their vocation. Each of the schools has in the past and continues to assist students in understanding how they can live out their calling and faith in the world.

Each of the schools also places a high priority on educating persons for vocational ministry and missions. In 2005 there were 495 Ministerial Students in our North Carolina Baptist universities and college.

Thanks to your support for Christian Higher Education the Baptist State Convention provided financial aid to 551 North Carolina Baptist students in the amount of $1,176,551 in 2005. These students received an average of $2,135. From Brushy Mountain Association 2 students received scholarship aid. These students came from the following churches: Roaring River and Wilkesboro.

Without your assistance many of these deserving students would not have been able to attend a Baptist college or university. Thank you Campbell, Chowan, Gardner-Webb, Mars Hill and Wingate for providing education with a Christian mission. And thank you Baptist churches for supporting North Carolina Baptist students. Together you are honoring your heritage as you impact the world for good and for God.

**OAKWOODS** – Continued our strong support of missions this year, both financially and with participation. Many members participate in local missions with our tape ministry, handyman ministry and housewarming ministry. In October 2005, Rev. Robert Duncan and nine people from our church went on a mission trip to Brazil. They were able to share in schools during the day and preach in the churches at night. Jim and Fay Zimmerman were among the ten on the trip, and they worked in a new daycare at the church of Pastor Jairo Calvalcante Riberio. They were especially touched by these children. The children stay at the daycare free of charge and for many of these children, the meal they receive at the daycare is sometimes all the food they have that day. They brought pictures back to the church of the children. The fifth Sunday in January 2006 we had a dinner with the men doing the cooking and being judged on their cooking. This was done to raise money for

the daycare. We raised $1,700 that night and the money was sent to help support the daycare. In April 2006, Rev. Duncan and eleven others went on another mission trip to Brazil. Six from this team helped do construction work on a new church in Sao Paulo. Rev. Duncan and the five others visited many different schools in the daytime and spoke in different churches each night. Rev. Duncan said this was by far the best trip ever to Brazil. They were able to witness over two thousand people accepting Christ! Rev. Wayne Osborn has certainly been a blessing to our church since assuming his duties as Minister of Music/Minister of Senior Citizens in April 2005. The choir has grown and is outstanding every Sunday. He regularly visits the homebound and those in the nursing homes. His cheerful attitude and loving spirit brighten their days. He has kept the seniors pretty busy this year with trips to the beach, monthly outings, and holiday activities. Wayne and Stephanie gave the seniors a "Mystery Meal" in October. That was lots of fun. I think all of us gained a whole new appreciation for a "lapover" (napkin)! After almost ten years of service with us at Oakwoods, Rev. Victor Church resigned his duties as Associate Pastor/Youth Minister effective August 27, 2006. He feels God has led him in another ministry direction. We pray God will bless Victor, his wife, Robin, and their two children as they follow God's will. The first class of the Stephen Ministry participants have "graduated" and a new class will begin this fall. This class is being taught by Rev. Carlton Waddell and Jim Zimmerman. The church continues its support of the Wilkes Christian Sportsmen's Banquet. This year the meetings were held for two nights. Eight hundred tickets were given out for each night. We trust many accepted Christ through this activity as they have each year in the past. God continues to bless at Oakwoods. –Carl & Linda McCann, Church Historians

We concluded the "Forty Days of Purpose" study with a church-wide luncheon on Sunday, November 6. Kermit Rex Morris came to our church on September 12, 2005 as Intentional Interim Minister. In October, the church members nominated twenty-one people to service on the Church Transition Team. This team studied the history, leadership, and decision making process, denomination relationships, the congregation's identity, and prepared a ten-year church profile. In April 2006, about twenty-five percent of our average adult Sunday school attendees participated in a SHAPE seminar. We learned about our unique Spiritual gifts, Heart or Passion, Abilities, Personality, and Experiences and how we can use them in ministry and missions. The Pastor Search Committee began work at the end of May 2006 to elect officers and request and review resumes of prospective candidates for our new pastor. Please pray for this group and the man God has chosen to be our pastor. In March 2006, Inlightened Ministries led a Youth Revival at our church. Two adult mission groups and our youth mission team traveled to Mississippi to work with the NC Baptist Men in rebuilding houses damaged by Hurricane Katrina. Two members accompanied an Alabama medical, VBS, and construction mission team to Honduras in July. In August 2006, the church voted to donate our 1987 International School Bus to the Iglesia Bautista Hispana LaRoca which meets at Cub Creek Baptist Church and also in Millers Creek.

# APPLICATION FOR MEMBERSHIP IN THE BRUSHY MOUNTAIN BAPTIST ASSOCIATION OF NORTH CAROLINA

This is to certify that the

_____
(Name of Church)

_____
(Address)

in church conference_____
(Date)

Vote to make formal application for

membership in the Brushy Mountain Baptist Association. We have been introduced and have knowledge of the Baptist Faith and Message statement and do accept its teachings in belief and practice. We pledge to contribute financially to the Cooperative Program of the Southern Baptist Convention which supports the work of Baptists in the state, nation, and overseas, to give evidence of our missionary zeal. We further pledge to adhere to the Articles of Incorporation and By-laws of the Association and fully understand that we must comply with the guidelines for membership set forth in Article IV of the By-laws.

We commit to be a duly-constituted and organized Southern Baptist Church, and will maintain this status at all times, or will voluntarily withdraw from the Association.

We understand that upon submitting this application, accompanied with a Southern Baptist Convention Annual Church Profile, to the Association and its Membership Committee, and an investigation is completed and found favorable, the committee may recommend at any regular quarterly meeting that the church applying for membership be granted associate membership for one full year. The association may, then by majority vote, receive them as associate members. During that year, the associate member church must submit monthly written reports on forms provided by the associational office, and shall have the right to send non-voting messengers to the associational meetings.

We also understand that when the year has expired, the membership committee will further review the status of the church making application, and, if found favorable, will then recommend to the association in a regular quarterly meeting full membership of the church into the association. the association may vote to grant full membership, to extend the associate member status for another year for further review, or deny the application and terminate the associate member status. If the association then votes to receive the church, having the same rights and privileges as the other member churches, the moderator shall extend the hand of fellowship to its messengers.

## THE DEDICATION OF ANNUALS COMMITTEE RECOMMENDS THAT THE MINUTES OF THE ONE HUNDRED THIRTY-SIXTH ANNUAL SESSION BE DEDICATED TO:

## MR. JOHN C. TRIPLETT

**JOHN TRIPLETT** was born in Wilkes County on September 19, 1965 as the middle son of Judy and Charlie Triplett. John attended Union Elementary and graduated from West Wilkes High School in 1984. In 1990 John married his high school sweetheart, Sherrie Kilby. John and Sherrie were blessed with the birth of a beautiful daughter, Hollie-Anne, in June of 1996.

John is an active member of Welcome Home Baptist Church. He has served in numerous ministries of the church. John has served as a Deacon of the church since he was ordained in October 1995 and served several years as the Sunday School Director, RA Director/ leader and various other committee positions and outreach ministries of WHBC. John and his wife have been the Children's Ministry Coordinators for the past 11 years. John coordinates the van ministry and has driven the church van for11 years. For many years, John has been blessed to be able to do Children's Sermon Ministry on Sunday mornings; the adults really enjoy these quick sermons also! In October 2006 the church called John to become the Children and Youth minister. In November of 2006 he was licensed to the Gospel Ministry.

John has a passion for missions. His first experience on a mission trip was to Florida in 1992, after hurricane Andrew. Since then he has been able to go on various mission trips to places including Gulfport, Grifton, Greenville, West Virginia, Jordan, and New York

City. John is actively involved in leading the children's mission groups at Welcome Home in various mission projects throughout the year such as collecting paper goods for Ebenezer Children's Home, Operation Christmas Child Shoe box ministry and collecting food for ***h.o.p.e.*** John leads the children by his example to incorporate a missions-minded lifestyle. One of John's favorite quotes is "Preach the gospel wherever you go and *sometimes* use words".

John has not only served at his home church but also within the Brushy Mountain Baptist Association. He served as the associational RA director for many years and enjoyed organizing and planning the annual RA Racers Car Race and the annual RA Jamboree Campout. John served as the BMBA Partnership coordinator for Graffiti in New York City for several years. While doing so, he coordinated and/or led several mission trips per year up to the Lower East Side of Manhattan. John was filled with joy to see how God worked through BMBA to minister to the people in NYC, whether it was a work trip to help complete the new church, serving a thanksgiving meal, transporting the NYC GA's to camp in Virginia or handing out blankets, gloves and knit caps.

John has been active through the years not only in his church but also in the community showing God's love by reaching out to minister to others by volunteering at Samaritan's Kitchen, NC Baptist Men Disaster Relief, Upwards Basketball and the ***h.o.p.e*** center. All along the way. God had been preparing John for his next ministry adventure… In February 2006 he was placed in the position of director of BMBA Wilkes Ministry of ***h.o.p.e.*** John immediately jumped in and felt right at home. God has equipped him with a skill set to serve others. John has been blessed beyond measure already as a part of this wonderful ministry. He has the pleasure of seeing God work in the lives of the people in Wilkes County. Those around him say he goes the "extra mile" to minister to each person who enters into the ***h.o.p.e.*** Center. Through the help of all the churches and individuals, the ***h.o.p.e.*** staff and volunteers can meet the needs of people in a tangible way and that opens the door to proclaim the gospel. He has seen many people make professions of faith at the ***h.o.p.e.*** Center after receiving assistance and counseling. John is enthusiastic about the mission field where God has placed him.

One of John's favorite verses is Matthew 25:40, "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me". John constantly strives to show and proclaim God's unconditional love to all he encounters. His daily witness is a reminder to those around him that we are to love one another and serve others in Christ's name.

Respectfully submitted,
Ms. Patricia Turner, Chair
Rev. Robert Duncan
Mrs. Coleen Hayes
Mrs. Betty Pardue

Members alone, acting in the manner and through the messengers as set forth in the bylaws, shall have the authority to adopt and amend bylaws, approve budgets, receive members and govern and conduct the affairs of this corporation.

SECTION 2. Independent.
Consistent with Baptist doctrine and practice, this body is independent and sovereign in its own sphere, and accountable to no other ecclesiastical body.

Rev. Horton called for additions or changes to the calendar and brought to the attention of the members the State convention coming up; the Ministers conference and the Study for International Missions on Nigeria and the Lottie Moon offerings.

Rev. Horton, in giving an update of the Woodward property, provided copies of recent letters received from the Wilkesboro Planning Director, as well as an outline of the status. Rev. Horton advised that he had met with the Fire Marshall and Planning Director at the Woodward building and also advised of break-ins that have occurred, repairs requiring immediate attention, etc. Following discussion, motion was made by Rev. Jim Gore, seconded by Rev. Jeff Collins, and approved that the Associational Council recommend to the Brushy Mountain Baptist Association at a called meeting of the Association, "That the Woodward property be offered for sale to a potential group of buyers at an asking price of $395,000.00. If this sale does not materialize, the property will be listed for sale with a realtor selected by the Associational Council."

If the hereinabove stated motion is approved by the Association, motion was made by Rev. Jim Gore, seconded by Mrs. Shirley Randleman and approved that "the Associational Council ask the Brushy Mountain Baptist Association at the same called meeting for permission to negotiate the sale price of Woodward property with any perspective buyer, and that the Associational Council be authorized to make the final decision on price without returning to the Association for approval."

A cover letter from Rev. Horton, with copies of the letters from the Town of Wilkesboro Planning Director and Rev. Horton's Woodward Building Report, will be forthcoming explaining the decision for the above two motions on the Woodward Property.

Horton also announced the reorganization of committees wherein the By-Laws Committee have been meeting with key persons to structure the various committees to be more efficient and effective.

It was also suggested that the **h.o.p.e.** sign be removed to alleviate confusion of the location of the **h.o.p.e.** Ministry.

Reports were given on the Hispanic pastor whose home is now in Mountaineer Village and is training two members of the congregation to be co-pastors.

The Fair ministry was a success and the owner of the "fair" was well pleased with the devotions and meals served to the fair workers. With no further items to be brought before the Council, Mr. Holcomb offered prayer. Meeting adjourned at 8:49 o'clock p.m.

**BRUSHY MOUNTAIN BAPTIST ASSOCIATION**
***SPECIAL CALLED MEETING***
**HINSHAW STREET BAPTIST CHURCH**

The Brushy Mountain Baptist Association, in a special called meeting, convened at Hinshaw Street Baptist Church for the purpose of making a decision on the sale of the Woodward School property. There were 99 messengers, 6 officers and 3 visitors registered for the meeting.

Rev. Lyn Lambert offered prayer prior to calling the special meeting to order. Rev. Lambert recognized Rev. Jim Gore of the Properties Committee.

Rev. Jim Gore presented the following motion on behalf of the Associational Council: ***"The Associational Council makes a motion that the Woodward property be offered for sale to a group of potential buyers at an asking price of $395,000.00 If this sale does not materialize, permission is requested to pursue other options to sell the property, including listing the property with a realtor."***

Following the motion, Rev. Gore stated that the Council had struggled to utilize the property, researching many different avenues and after many months of prayer and deliberation, reached the conclusion that it would be in the best interest of the Association to place the property for sale. Rev. Gore opened the floor for questions regarding the motion. There being no comments, Rev. Lambert called for the vote. The motion as presented by Rev. Gore was approved.

Rev. Jim Gore presented a second motion on behalf of the Association Council as follows: ***"The Associational Council makes a motion that the Associational Council be given permission to negotiate the sale price of the Woodward property with any perspective buyer and that the Associational Council be authorized to make the final decision on the sale price of the property without returning to the Association for approval."***

**MEETING OF BOARD OF DIRECTORS (ASSOCIATIONAL COUNCIL)**
**BRUSHY MOUNTAIN BAPTIST ASSOCIATION**
**EMERGENCY MEETING**
**19 DECEMBER 2006**

An emergency called meeting was held December 19, 2006 of the Associational Council at the Associational office on Hwy. 268 East beginning at 5:15 o'clock p.m. with the following members in attendance: Rev. Lawson Horton, Mr. Dwayne Andrews, Rev. Ronald Brookshire, Ms. Dolores Broyhill, Rev. Mike Church, Rev. Jeff Collins, Mrs. Linda Glasco, Mr. Wayne Holcomb, Rev. Lyn Lambert, Mr. Eric Mastin, Ms. Gladys McGlamery, Ms. Eileen McNeil, Mrs. Shirley Randleman, Mrs. Diane Shaw, Mrs. Kim Walker and Rev. Richard Whittington.

Rev. Lyn Lambert called the meeting to order. Rev. Lawson Horton distributed a memo regarding events that have occurred since the special called meeting of the Association on December 5, 2006 to discuss the sale of the Woodward property. Prior to the December 5th meeting, all donors had been contacted to see if they wanted their money back if the Woodward property was sold. All donors stated they did not want their money back. On Monday, December 11, 2006, one donor went to the Associational office and vehemently expressed that the purpose of making a contribution toward the purchase of the school property was to help the people of Wilkes County and he did not want the money to be used to buy or construct an associational office. The donor also stated that the building that presently houses the Associational office was given for the **h.o.p.e.** Ministry and the office may have to consider moving to another place if **h.o.p.e.** and the office cannot use the same building because of space limitation. Following this discussion, Rev. Horton met with the other Woodward donor to see if his feelings were the same as the first donor. The donor indicated that his preference was for the building to be used to help better Wilkes County and not sold and the money used to build an office.

Rev. Horton commented that at no time prior, during nor subsequently to these recent events, was there a contract developed restricting the use of the property by the donors, as has now been revealed personally to Rev. Horton. The donor's wishes are for the Association to give the money or donate the property straight to a group of ministers and businessmen to further develop the Bible College, organize a Christian high school, etc., making it a spiritual learning center for future church leaders.

Rev. Horton is of the opinion that with all the roadblocks that have been encountered prior to his discussion with the original donors, and in the best interest of all parties, that the Woodward property be donated to a newly formed Board of Directors consisting of leaders and/or ministers of the Foothills Bible College Board of Directors as sincerely requested by said donors. Also, if the **h.o.p.e** Ministry and the Toy Store have to return to the Elkin Hwy. (North Wilkesboro) property, that an effort be made by the original Properties Committee to find appropriate facilities for an Associational office.

Rev. Horton further stated that a meeting of the messengers from the churches in the Brushy Mountain Baptist Association would have to be held to vote on the Council's proposal if the Council decides to change from selling the property to donating it as preferred by the donors. This will be addressed at the next regular Quarterly Meeting that is scheduled for January 8, 2007 at the First Baptist Church in North Wilkesboro.

Discussion was held with various Council members commenting and sharing their viewpoints of these developments, i.e.... 'what costs have been expended thus far; why is there a problem now with selling the Woodward property when there did not seem to be one at the time the donors were initially contacted'; one member spoke saying they found it offensive that the donors have now taken this position toward the Association. Other comments were made; however, the overall feeling was to be in one accord with a Christian attitude and act in and for the best interest of the full Association.

Rev. Horton also presented written positives of relinquishing the Woodward building to Foothills Bible College or other group. Some of those positive points included but not limited to: expenses, such as insurance, heating, electric, taxes, etc. would drastically drop; be able to reach out to more people culturally and ethnically locally; provide training for church leaders and potential leaders for churches in surrounding areas; cause us to trust God to provide our needs; no more "tug-of-war" over what the building will be used for; eliminate much stress for associational staff; keep current donors happy and show future donors that we, as an Association, as filled with the love of God and only want to strengthen His kingdom, while at the same time fulfill the wishes of donors, if at all possible. As expressed by a council member, peace and unity is the primary goal.

It was the general consensus that the Council would take the printed report, notes, etc. home for further study and to pray about a solution; meeting back at the Associational office at 5:15 on Thursday, December 28, 2006.

It was discussed briefly by Rev. Horton of the many hours of service provided to the Association by the Associational attorney and that reimbursement to the attorney needs to be forthcoming.

With no further items to be brought before the Council, Rev. Lyn Lambert dismissed the meeting with prayer. Meeting adjourned at 6:27 o'clock p.m.

Respectfully submitted,

Eileen McNeil

**MEETING OF BOARD OF DIRECTORS (ASSOCIATIONAL COUNCIL)**
**BRUSHY MOUNTAIN BAPTIST ASSOCIATION**
**SPECIAL CALLED MEETING**
**28 DECEMBER 2006**

The Associational Council met December 28, 2006 at the Associational office on Hwy. 268 East beginning at 5:15 o'clock p.m. for the purpose of continuing the discussion regarding the Woodward property. The following members attended: Rev. Lawson Horton, Rev. Ronald Brookshire, Ms. Dolores Broyhill, Rev. Mike Church, Rev. Jeff Collins, Mrs. Linda Collins, Mrs. Linda Glasco, Rev. Jim Gore, Mr. Wayne Holcomb, Rev. Lyn Lambert, Ms. Gladys McGlamery, Ms. Eileen McNeil, Mrs. Diane Shaw, Mrs. Kim Walker and Rev. Richard Whittington.

Rev. Lyn Lambert called the meeting to order, asking Rev. Mike Church to lead in prayer. Following the prayer, Rev. Lambert recognized Rev. Lawson Horton to bring the Council up to date with current developments of the Woodward property and the donors.

Rev. Horton stated that since our last meeting of 19 December 2006, it has been his hope and prayer that everyone had been seeking a clear sense of direction to be taken, as had he. Rev. Horton informed the Council of an additional meeting with the donors (approximately 3 hours) of the Woodward building that had occurred since our last meeting of the Council. Rev. Horton provided additional information of the concerns of the donors. The donors have clearly stated their preference for the Woodward building and the building presently housing the Associational office, to be used for ministry and missions only. The donors want it clearly understood that they were asked to help give on the bidding of Woodward and did not buy the property to be dumped on the Association. The donor's hearts are very strong in their desire to help the people of Wilkes County and gave both buildings with excitement when told of the needs. The donors have expressed their willingness to meet with the Associational Council anytime to clarify their feelings and interest in missions and especially Wilkes County.

The donors have stated that they are not against having an office; however, when the requests came and they were approached for help, they were given the understanding that both buildings would be used for ministry purposes. The donors have reiterated their overwhelming desire to see the Woodward property be used to aid people in Wilkes, whether sold, or donated, with their preference of it being donated, and should operations ceases and the property is no longer used to help Wilkes Countians, then any assets, proceeds, or facilities go to mission causes, not an office. The donors also informed Rev. Horton that, in the future, any donation(s) given, the purpose and intent would be in writing. The donors also stated that when the time came for an office and money was needed, they would be willing to help.

Rev. Horton welcomed any suggestions, etc. Among the comments and suggestions discussed were: (a) the monetary loss in strictly donating the property to any entity; loosing financially since the Association has bore the cost of insurance, attorney fees, power bills, and other financial costs that were required; (b) motion(s) were approved by the Association at the Special Called meeting on 5 December 2006 for the sale of the Woodward property and also a motion giving the Association Council authorization to negotiate a sale price of the property. Those motions would have to be

rescinded by the Association; (c) donation of the Woodward building to Foothills Bible College and/or an educational center that would be formed to house the Bible College and perhaps other ministries such as after-school daycare, Hispanic ministries, deaf ministries and other community service ministries, with one of the Associational churches being instrumental in this endeavor.

Following further discussion, it was unanimously agreed that no decision would be made for presentation at the January 8, 2007 Quarterly meeting of a rescission on the previous motions and that it might be a good idea to meet with the Donors and with Rev. Chad Hendren. Rev. Horton emphatically stated that his desire is for whatever is best for the Association and what the Association is about in reaching Christ.

Motion was made by Rev. Jeff Collins, seconded by Ms. Dolores Broyhill and approved to meet with the donors of the Hwy. 268 East property and the Woodward property along with Rev. **BRUSHY MOUNTAIN BAPTIST ASSOCIATION**
**QUARTERLY MEETING**
**JANUARY 8, 2007**
**FIRST BAPTIST CHURCH, NORTH WILKESBORO**

Messengers and guests enjoyed a prelude of music presented by the First Baptist Church Choir under the direction of Mrs. Larisa Leapley prior to the meeting. Mrs. Tammy Privette, pianist, accompanied the host choir and also graciously played for the congregational music throughout the meeting. At the conclusion of the prelude music, Mr. Dwayne Andrews led the congregational hymn, *Crown Him with Many Crowns*.

Moderator Rev. Lyn Lambert called the quarterly meeting to order at 7:10 o'clock p.m. and recognized Mr. Ed Martin, Deacon Chair of the host church, who welcomed everyone. Following brief announcements, Mr. Martin read scripture from Isaiah, Chapter 40, verses 28-31, concluding with prayer.

Rev. Lawson Horton presented a report on the status of the Woodward property and events that have occurred relating to the property. Rev. Horton reminded everyone of the Associational decision at the Special Called Meeting of December 5, 2006, wherein a motion was approved for the sale of the property. Since that time, the Council has had several meetings as well as Rev. Horton meeting with the donors of the Hwy. 268 East and Woodward properties, the Associational attorney, the Town of Wilkesboro and others to resolve, to the advantage of everyone, and in a Christ like manner, the problems that presently exit and those that have been there since the inception. Expressing that it was his desire, as it is of the donors and others, that the properties be used to prepare new Christians, develop character and that both be used for the betterment of Wilkes Countians.

Rev. Paul Mullen, presenting a Baptist Hospital Report, thanked the churches of the Brushy Mountain Association for their partnership with Baptist Hospital through the Cooperative Program and Mother's Day offerings. Rev. Mullen emphasized that it is through these programs that many individuals and families are able to receive assistance with their medical expenses. Rev. Mullen related different situations such as, an abusive relationship, a child in a walker facing additional problems, etc. and the families receiving financial aide, all because of the funds received through the giving to the Cooperative and Mother's day programs. Rev. Mullen stated that the people of Wilkes County were fortunate in having Mr. Ron Hatcher as the local Care Net Center leader.

Following Mr. Dwayne Andrews leading the congregation hymn, *Glory to His Name,* Moderator, Rev. Lyn Lambert called for any miscellaneous business. The only item being brought before the body was:

Mrs. Shirley Randleman presented a financial report stating that all accounts are in balance and the amount of $263,830.45 is the current total balance. Mrs. Randleman stated she would be happy to provided a break down of the accounts should anyone desire same.

Rev. Horton introduced Mr. Perry Beaty who is a member of Lake Norman Baptist Church. Mr. Beaty gave a very moving testimony on witnessing. Using a simple, colored (red) "stone" that was given to each person present, Mr. Beaty asked everyone to place the stone in the palm of their hand for a few moments and upon opening the hand, explained that the stone represented one drop of blood, that one drop of Jesus blood was

all it took to save each person; therefore, we should all be willing to lift up our voices in witnessing boldly so that others learn and know about the love of our Lord and Savior and that they too might be saved by the shed blood of Jesus.

Special music was presented by Mrs. Larisa Leapley, soloist, who sang, *His Eye is on the Sparrow*, accompanied on the piano by Mrs. Tammy Privette followed by the message of the evening being brought by Rev. Marty Dupree.

Rev. Dupree based his message on *Life is a Mission Trip* and the necessity for everyone, as individuals, to be on a mission trip. Rev. Dupree commented that getting to know someone on a first name basis, whether it be your neighbor, someone at your child's school, at the grocery store, your garbage man or whomever, it is our responsibility to look for ways to communicate Gods word. God has called each one of us to share the good news. Rev. Dupree announced that 45 out of the 100 counties in North Carolina are fully saturated with either the Jesus video or DVD. Rev. Dupree emphasized that sowing and cultivation must take place before a harvest and the way to accomplish successful witnessing is to begin with prayer. Using scripture from Matthew 28, verses 5, 7, 10, 16 & 17, 18 – 20, all of which relate to spreading the 'word', Rev. Dupree suggested that all carry a bible with the intent of giving it away, always being on mission for the Lord. In his concluding remarks, Rev. Dupree asked, "Will there be anybody in heaven because of you?" No matter where you go, everyone should seek to be on mission. If an individual, for whatever reason, is unable to travel, it doesn't mean they cannot be on a mission trip. Prayer is one of the most powerful tools of witnessing and our purpose is to glorify God through prayer; therefore, praying is a mission We are messengers, God is the Evangelist and successful witnessing begins with prayer.

There being no further business to be brought before the Association, Rev. Lyn Lambert offered prayer.

Adjournment at 8:58 o'clock p.m.

Attendees were 101 messengers and 12 visitors.

Lyn Lambert, Mr. Eric Mastin, Ms. Eileen McNeil, Mrs. Shirley Randleman, Mrs. Diane Shaw, Rev. David Sparks, Mrs. Kim Walker and Rev. Richard Whittington.

Rev. Lawson Horton opened the meeting with prayer. Rev. Horton expressed to the donors his personal appreciation as well as those of the council members for their attendance and gave the donors an opportunity to express their thoughts and feelings about the Woodward and Hwy. 268 property. The donors were very open and humble and expressed their passion for missions. They left no doubt that they gave both buildings for the betterment of those less fortunate, and never was it their intent to have the properties become a burden to the Association. The donors express a desire to see a Christian school, a bible college and other attributes that would be for the betterment of the county, giving assistance to those who might not be able to receive the same educational and/or recreational benefits otherwise.

Rev. Jim Gore spoke thanking the donors for the gifts and stated he, personally, had no problem in giving the building (Woodward) away; however, it would be difficult to explain to the Association, since we agreed to sell the Woodward property at the special called meeting of 5 December 2006. Discussion was held as to how the gift of the Woodward property came to be. Moderator, Rev. Lyn Lambert explained to the donors that their vision was never conveyed to the Association properly during the sabbatical of the Associational Missionary. Rev. Lambert also expressed that the council will do what the people will allow. Rev. Horton stated that it was his and the council's desire to work everything out to the glory of God and that it had been a blessing to him, personally, to have met and gotten to know the donors.

Rev. Horton again expressed to the donors the council's appreciation in their attending the meeting and specifically expressing their intent for which they gave the buildings. The donors were excused from the remaining portion of the meeting and were free to depart if they so desired. The donors thanked the council for allowing them to express their visions for the property.

Motion was made by Rev. Jeff Collins to give the Woodward property to Community Baptist Church.

Following in depth discussion as to an entity for the Woodward property, Rev. Collins rescinded his prior motion. Rev. Richard Whittington recused himself as his church could possibly be involved as one of the entities in ownership. Portions of the discussion included suggestions as to how ownership might be held, offered by Attorney Tim Joines.

Vote by ballot was taken for the disposition of the Woodward property; sell vs. donate, with the vote to donate the property being unanimous, with one abstention.

Attorney Joines commented that a concise plan should be formulated prior to presentation to the Association. Rev. Horton stated he had spoken with Dr. Whipple and Rev. Joe Owings of the Bible College.

Motion was made by Mr. Wayne Holcomb, seconded by Ms. Dolores Broyhill and approved to donate the Woodward property to the Bible College. Rev. Ron Brookshire is to contact the Bible College and Rev. Horton is to contact Community Baptist Church; allowing both groups to formulate plans to work together to establish joint goals. It was suggested that two members of the council also be in attendance with these groups. Motion carried.

With no further business to discuss, the meeting adjourned.

SureCord presently

occupies space in the Hwy. 268 building and that space will also be needed by the **h.o.p.e.** ministry. Mr. John Triplett CCM Director attested to the need for the additional space.

Rev. Horton stated that the Baptist Association was established in 1707 and has been mission minded throughout and he issued a challenge to all churches to become more involved with missions.

Rev. Horton presented the following motions as recommended by the Properties Committee:

**MOTION #1**: The Properties Committee would like to make a recommendation in the form of a motion that the Association-in-session April 2, 2007, authorize the Committee the privilege of organizing a Building Committee, allowing the Moderator to appoint additional people as needed.

The floor was opened for discussion with Mr. Tom Vannoy stating his disapproval for building of a new Associational Office citing that the present facility could be renovated at a much lesser cost than building a new facility. Among others making comments and or asking questions were Mr. Robert Johnson. Mr. Vannoy felt that the $216,000.00 presently in the building fund could be used for "missions". Mrs. Woodie explained that this amount was ear marked specifically for building an associational building and could not be used for other projects or programs.

Mr. Dennis Glasco, Mr. Armit Tevepaugh and Mrs. Shirley Blevins were added to the Building Committee.

Motion was made, seconded and approved to close discussion.

**MOTION # 1 was approved.**

**MOTION #2:** The Properties Committee would like to recommend that the Building Committee work with an architect, ArcVision Studios PC in designing construction drawings for a new office building to be located on land on Hwy. 268 West, Wilkesboro currently owned by the Brushy Mountain Baptist Association.

The floor was opened for comments and discussion. After some comment, Mr. Keith Hubbard of ArcVision ask to be heard.

Motion was made, seconded and approved to permit Mr. Hubbard to speak. (It was necessary to obtain approval as Mr. Hubbard was not a voting member of the Association). Mr. Hubbard explained that the amount given of $500,000.00 was a "guesstimated" figure and was all inclusive of all aspects including a 5% contingency fee. It was noted at this time that Mr. Charles Billings who will be Building Supervisor works under a licensed contractor and therefore would be qualified to serve in the capacity without any liability.

Mrs. Lois Woodie expressed that monies could be saved through persons in the Association having the capabilities of providing services and have offered to do so and that there are possibilities of monies being provided through persons who have so expressed.

Motion to close discussion was seconded and approved.

**MOTION #2 was approved**.

**MOTION #3:** The Properties Committee would like to recommend that the Building Committee retain Mr. Charles Billings as the Building Superintendent to oversee the construction of the office; that the Building Superintendent work with the Building Committee to determine who the subcontractors shall be.

**MOTION #3 was approved.**

**MOTION #4:** The Properties Committee also recommends that the Stewardship of Finance Committee begin an immediate campaign to raise funds for the completion of the office.

**MOTION #4 was approved.**

Both men have made several trips to Gulfport, Mississippi to help with the disaster brought about from hurricane Katrina. The reports from each gentleman was very moving. The congregation joined together in singing "*Crown Him with Many Crowns*" led by Mr. Dwayne Andrews.

Special music was provided by Mrs. Barbara Fletcher who rendered a beautiful solo.

The guest speaker for the evening was Rev. Ken Jones who recognized Rev. Horton and Rev. Bill McKinney and his wife.

Rev. Jones delivered a challenging message, taking his text from Mark, Chapter 2, verses 1-12. In the challenge, Rev. Jones ask if we were willing to go to the depths and lengths of faith and service as depicted in these verses. Do we have the belief that Jesus can do, in our lives, what we cannot? We should be willing to go out and help our friends and neighbors, telling them of the wonders that Jesus can do if only they will let Him come into their lives. Concluding, Rev. Jones stated that we need to be willing to do whatever it takes and be a "stretcher".

There being no further business, Rev. Mike Church led the concluding prayer.

With 99 messengers and 21 visitors in attendance, the meeting was adjourned at 8:59 o'clock p.m.

Lambert read a motion from the building committee requesting that the Associational body allow the Association to borrow up to $250,000.00 from Wachovia Bank, if needed, to complete the construction of the office building that will be located on Hwy. 268 West. Mrs. Lois Woodie, Chairperson for the Building Committee explained that several banks had been contacted regarding the amount to be borrowed. Those contacted were SunTrust, Yadkin Valley, Taylorsville Savings & Loan, Northwestern (now known as Community One) and Wachovia. Wachovia presented the best offer at a fixed rate of 6.99%. Mrs. Woodie pointed out that three churches and several individuals are presently giving directly to the building fund and the hope would be that other's would be led to give to the building fund allowing the Association to be debt free upon completion and occupancy of the offices.

Rev. Derick Hodges of Edgewood Baptist Church asked what the total cost of the building would be. Mrs. Woodie explained the estimated cost would be around $400,000.00; basing this on the square footage of 4400 square feet. Mrs. Woodie pointed out that much of the work would be accomplished through donated efforts and that there is approximately one-half of the money in the building fund at the present time. Mrs. Woodie reiterated that no borrowed money would be used unless absolutely needed and that would be through monthly draws from the lender.

With no further questions the motion from the Building Committee recommending that the Association borrow up to $250,000.00 from Wachovia Bank, if needed, to complete the construction of the office building to be located on Hwy. 268 West was approved.

Mr. Dwayne Andrews let the congregation in singing, "*I Love to Tell the Story*," with accompaniment on the organ by Mrs. Pat Reed and Mrs. Denise Eller on piano.

Rev. Lawson Horton reported that subcontractor bids would be let on Monday, July 17, 2007 for construction of the Associational office.

Rev. Horton announced that one of the scheduled speakers; Ms. Norma Melton was unable to attend due to family illness. Rev. Horton asked for prayer for the continued work Ms. Melton is involved with in the Asheville area. This area is considered to be one of the largest in the state that is involved in witchcraft.

Mr. Shane Nixon from the North Carolina Baptist Children's Homes introduced Roberta, Heather and Jesse who are currently or have been residents of the Children's Homes.

Heather who is 17-1/2 years old and is a resident of the Mills Home in Thomasville gave her testimony. Reflecting on the abuse received in her natural home and that of living in foster

care, prior to her arrival at the Children's Home, as well as educational factors, Heather is now making plans for college. She attributes her changed life to accepting the Lord as her Savior and the love, guidance and stability of the Children's Home.

Roberta began living at the Broyhill Home at age 13 and is now married with two children. Her years at the Broyhill Home paved the way into her Christianity and gave her strength and courage to forgive those who had abused her and taught her to provide a loving and Christian home for her own family. At the conclusion of her testimony, Roberta sang "*Praise the King*" and "*Orphans of God*".

Mrs. Glendora Chipman spoke on the Friends of Youth program offered through Communities in Schools. Mrs. Chipman discussed the need for the Communities in Schools volunteers. Many programs are available that desperately need volunteers, such as the Lunch Buddies. This program would give the opportunity to befriend a child and also provide a way to speak to that child about Jesus through sharing lunch and having prayer prior to the meal. Volunteers are also needed to assist with programs involving dance lessons, health care, eye exams, 'stuff the bus' program and girl power. Wilkes Community College scholarships are offered to students through Communities in Schools.

Mr. Dwayne Andrews introduced Mrs. Cinnamon Martin who provided the special music for the evening through song, with accompaniment on piano by Mrs. Denise Eller.

Rev. Horton gave a special thanks to those persons who help to organize and put together the programs for the meetings. Rev. Horton ask that any individual who has helped in this area, please stand to be recognized.

Rev. Horton stated he wanted to move beyond the many months of involvement with the construction of the new building and wants to concentrate on missions of and for the Association.

There being no further business, the meeting was adjourned through prayer offered by Rev. Horton.

Adjournment at 8:28 o'clock p.m. There were 92 messengers and 23 visitors present for the meeting.

**BRUSHY MOUNTAIN BAPTIST ASSOCIATION**
***THEME: "BACK to the BA*SICS"**
**136TH ANNUAL MEETING**
**OAK GROVE BAPTIST CHURCH, NORTH WILKESBORO**

The registration for the first series of break-out sessions began at 2:45 o'clock p.m. for the afternoon sessions and the evening sessions began at 6:45 o'clock p.m. The break-out topics were: *Self Defense for Ladies; Help for All Pastors; The Way of the Master (witnessing ministry); Acts of Kindness (mission and ministry opportunities); Association (Is transitioning for us?).* A special thanks is expressed to Mike Cardwell, Wilkes County Sheriff's Office; Lester Evans, Baptist State Convention of NC; Laura Bumgarner, member of Pilgrim Baptist Church; Daniel Tilley, member of Stony Hill Baptist Church and Rev. Lawson Horton, Associational Missionary, for preparing and delivering these informative sessions.

Rev. Lyn Lambert, Moderator called the 136th annual meeting to order at 4:45 o'clock p.m., followed by Mr. Dwayne Andrews leading the Congregational Hymn, 'Come, Christians, join To Sing', with accompaniment on the piano by Mrs. Carolyn Horton.

Rev. Lambert recognized Rev. Joel Blevins, Interim Pastor of the host church who welcomed everyone.

Rev. Mike Stamper, Pastor of New Hope Baptist Church read scripture from John, Chapter 13, verse 34 concluding with prayer.

**AFTERNOON BUSINESS SESSION**

In the absence of Rev. Dennis Love who was unable to attend due to medical issues, Mrs. Carolyn Horton presented the Adoption of the Order of Minutes. Adopted.

Rev. Lawson Horton called attention to the Committee on Committees report as shown in the Book of Reports (page 3 -6) and the Nominating Committee Report as shown on page 24 of the Book of Reports. Both were adopted.

Mrs. Shirley Randleman presented the Treasurers Report as shown in the Book of Reports (pages 10 – 12). Mrs. Randleman stated that the figures shown were as of August 31, 2007. As of October 8, 2007 there is $229,835.81 on hand with $205,654.04 in the building fund.

Mr. John Triplett gave a report on the **h.o.p.e.** Ministry. Mr. Triplett thanked everyone for the kindness shown to him and especially for helping to meet the needs of the ministry. Mr. Triplett stated that the ministry had basically adopted the scripture from Mark, Chapter 16, verse 15 as the motto for **h.o.p.e.** and we should all be obedient to what God tells us to do. Mr. Triplett gave several examples of how God answers the prayers for specific requests. With the holiday season fast approaching, the Toy Store is doing great and 35 bicycles have already been received. Mr. Triplett stated that volunteers are needed and if anyone wished to help, the ministry would certainly find a place for the volunteers.

Mrs. Carolyn Horton presented the Program/Planning & Worship Report. This team meets and plans our quarterly and annual meetings.

Mrs. Patricia Turner announced the individual to whom the Associational Annuals would be dedicated. This individual is a Deacon, has worked extensively with children's church, Ebenezer Garden, the Shoe Box Ministry, served on numerous mission trips, not only locally, but state and also internationally. One of this individual's favorite Bible verses is from the 25th Chapter of Matthew, verse 40. Congratulations to Mr. John Triplett.

The congregation joined in singing 'We'll work till Jesus Comes', led by Mr. Dwayne Andrews, with accompaniment by Mrs. Carolyn Horton on the piano.

Rev. Lawson Horton presented the Associational Missionary report. Rev. Horton stated that the Association is doing well and called attention to the envelope presented to each messengers containing a letter and "pink" envelope. The letter, "Your Support is Requested" was

to give everyone an opportunity to give during the afternoon session or to indicate the willingness to give at a later date to the building fund, helping to reduce any indebtedness for the cost of building the Association office building. Rev. Horton asked everyone to take a moment to seek what God is telling you to do while Mrs. Carolyn Horton rendered a hymn on the piano. Rev. Horton called upon Rev. Mike Church to offer payer prior to taking of the offering.

A total of $180.00 was donated and will be given to the **h.o.p.e.** Ministry since the month of October is World Hunger month.

Ms. Delores Broyhill, co-chairing with Rev. Richard Whittington, reported on the Association Booth that provided approximately 769 bottles of water in 2-1/2 hours. Brown called attention to the need(s) to reach persons that might not ordinarily attend conventional services and therefore the necessity to provide methods of outreach that would attract persons to hear the teaching and gospel of our Savior that they would not otherwise be exposed to.

Dr. Charles Whipple, Academic Dean of the Foothills Bible College, delivered a most powerful and dynamic annual sermon. Focusing on *"what can wash away my sins"*, Dr. Whipple focused his sermon from Hebrews, Chapter 13, verses 20-1; 1st Corinthians, Chapter, 2 and Isaiah, Chapter 53, verses 10, 11, 12; stating that 'the harvest is outside the door', and if you really care about the blood, you will go out and share it.

In preparation for the Associational Communion service, Dr. Whipple called attention to 1st Corinthians, Chapter 11. Rev. Lawson Horton and Rev. Joel Blevins offered prayers. Communion was served with Dr. Whipple concluding the service by reading 1st Corinthians, verse 26.

The 136th Annual meeting of the Brushy Mountain Baptist Association was adjourned at 9:12 o'clock p.m. There were a combined total of 108 messengers and 15 visitors attending the meetings.

## ASSOCIATIONAL MISSIONARY REPORT

This is one of several events recorded in the Synoptic Gospels (Matthew, Mark, and Luke) which reveal that Jesus is both God and man. I have chosen one where Jesus taught the disciples His Deity and humanity through an act of nature. The disciples had experienced seeing His power over sickness and death, but not nature.

As Jesus and the disciples were out to sea in a boat, a violent storm appeared which caused His followers to panic. This is an interesting point in the event. It is said that it was not unusual for storms to suddenly form in the area where Jesus and His disciples were sailing. These storms could easily end as quickly as they would start. Let's take a closer look...Jesus had asked the disciples to join Him in sailing to the other side, away from the pressing crowd. The request of Jesus and the willing response of the disciples kind of indicates that Jesus spoke with the role of a leader and the followers were respecting His leadership.

The early moments of this trip evidently were a peaceful journey. The disciples most likely were taking turns rowing the boat and enjoying some relaxation. Even Jesus was sound asleep in the rear of the boat. Suddenly, a severe storm developed which was more than the disciples could bear. Now, keep in mind, several of the guys in the boat had made their living fishing on the sea. They should have been able to endure the storm, having had similar experiences on the sea in the past. Yet, this time, the storm was different. It was uncontrollable. The winds were forcing the water into the boat which became a great concern to the disciples. They awakened Jesus and asked Him to do what they were not able to do. The disciples knew they could not control the weather, but the boat was either going to capsize or sink. These men had observed Jesus as a great Teacher, a Healer of diseases, a Restorer of human life, but what could He do to save them from perishing? Surely He could perform some noble deed, if nothing else, show concern. Jesus, being the God-man, spoke and the waters became still. Jesus rebuked His disciples for their lack of faith. The men marveled at His power over nature. They also recognized Jesus' love for them and His willingness to rescue them from apparent death. During the test in the presence of Jesus, the disciples learned when things are beyond their ability and control, God is there to exercise His authority. This incident reminds us that all power does belong to Him!

One lesson I have learned from this biblical account is that when any of us think all hope is lost, God could be allowing things to happen; giving Him an opportunity to prove Himself strong...learning from any stormy situation where God is involved could make our witness and ministry more effective than in past days. Our response in the future may help us to overcome storms that may quickly come.

As I think through the events of our association's annual year of 2006-2007, much of our concentration has been on important things, but not the most important which is reaching the lost and discipling the believers. Our storms included loss of staff, churches, pastors, and most of all...our main focus. Much of our focus was spent putting out fires or mending fences which were actually beyond our human capabilities. Because of the association's dealing more with human thought and ideas than allowing the Holy Spirit to lead us, the storms did come and we did not know how to handle them. We lost focus of who we are and what we are about. It was during our trials that many of you would agree that it appeared our ship was possibly going to sink. Did the tests we experienced this

year give any resemblance to the storm the disciples faced? I believe the answer would be, "yes". How did some of us react? We panicked and cried out to the Lord for help. Our focus caused us to turn to God and His power, which caused the storms to gradually end. Those who cried out to the Lord are now rejoicing over God's power to calm the storms of the association.

Let me remind you that the storms may rage again, but hopefully we will trust and stay focused on the Lord Jesus Christ. Hopefully, we have learned from the past and will look to the future with renewed confidence that God will supply the needs by faithfully yielding to Him. Storms come and go. They leave damage, but the experiences we have had in overcoming the obstacles with our faith in the Lord will surely make us better prepared when future storms arrive. I trust that we have learned enough recently that will make us better examples before the "Now Generation" and others who come behind us. Jesus remarked that all authority was given unto Him in Heaven and on earth. Oh, let us trust Him to put out the fires, mend the fences, and calm the storms of life that may impeded our witness to others who are seeking ways to find peace that can only be known in a personal relationship with Jesus. Jesus offers a peace that is beyond human understanding. Faith in action works every time. We will not perish and others may also be challenged to cry out to God before it is everlastingly too late. Will it be another stormy year? It could be if God chooses to teach us to depend more on Him or once again we decide to trust our own knowledge. Let us stay focused on getting to the other side and taking many with us to live with our Lord forever.

Respectfully submitted.
Rev. Lawson D. Horton, Jr.
Associational Missionary

## *BIBLICAL RECORDER*
## ANNUAL ASSOCIATIONAL REPORT 2006-07

Tony Cartledge, editor for the past nine years, has retired from the *Biblical Recorder* to become associate professor of Old Testament at Campbell University Divinity School. In July the board elected Norman Jameson, a journalist with 30 years' experience in Baptist communications, as the new editor.

Jameson, 54, comes most recently from the staff of the Baptist State Convention of North Carolina, where he was executive leader for public relations and resource development. He started his career in 1977 as feature editor of Baptist Press, the Southern Baptist Convention's daily news service. He also has been associate news director for Southwestern Seminary, associate editor of the Oklahoma *Baptist Messenger*, director of communications and editor of *Charity & Children* for Baptist Children's Homes of North Carolina and for five years was a consultant in public relations and capital fund raising.

The *Recorder's* position as a source of news, features, inspiration and connection is growing stronger as more people get their news daily—or more often—through the www.biblicalrecorder.org web site. Recently that site has received 300,000 visitors monthly. The *Recorder* is committed to keeping the news web site vital and current. It is

a phenomenal source of searchable history for the past 10 years of North Carolina Baptist life. Yet it is current to the hour.

At this point, use of the web site for readers is without charge. Staff is investigating ways the web site might return revenue to the *Recorder*, although web culture internationally is that content is free. The *Recorder* sells unobtrusive advertising on the site and will look to expand that presence.

On the print side, the *Recorder* remains the single greatest source for North Carolina Baptists to stay in touch with each other and to stay informed about their cooperative work worldwide. Where else are you going to learn about a church fire, pastor and staff movement, a successful Vacation Bible School, youth weeks at Caswell and about the work of your Conventions—locally, nationally and internationally?

In addition to keeping you informed of the regular workings of your cooperative efforts, the *Recorder* is going to bring special issues, addressing topics of interest to young families, parents and grandparents. The person in your church with no real interest in denominational issues will still find valuable information on daily living in the *Recorder*.

Postage costs went up $1,400 per issue in July, which translates to $38,000 annually, which will necessitate a subscription cost increase, pending board action in October. Cooperative Program receipts are trailing projections through July 2007, resulting in further budget shortfall.

The *Recorder* was founded in 1833. It was privately owned and operated for most of its history, then in 1939 became a convention agency. As it has from its founding, the *Recorder* serves as the official news publication of the BSC, and serves the full spectrum of its churches.

As a BSCNC agency, the *Biblical Recorder* receives annual support from Cooperative Program Missions Giving contributions from churches, making it possible to offer the *Recorder* at subscription rates below the actual cost of production. You can receive a free three-month subscriptions for yourself and your friends. Contact: Biblical Recorder, 232 W. Millbrook Road, Raleigh, NC 27609, Phone: (919) 847-2127 Email for subscription information: amie@biblicalrecorder.org

## BROTHERHOOD REPORT

Many churches within the Brushy Mountain Baptist Association have provided significant contributions both near and far. Brotherhood groups from our local churches have been to Gulfport, MS and Grifton, NC several times; and have plans to return in the coming year, along with work projects in West Virginia and Kansas. One BMBA brotherhood cooks chicken to provide money for mission work in India...while another continues with a bicycle ministry -- providing bikes to children where needed.

Additionally, a good number of our churches continue handyman-type ministries locally -- constructing a Family Life Center at one location, while converting a former parsonage into a fellowship hall. Several groups continue to provide wheelchair ramps, take on painting projects, and look for additional opportunities to spread God's word through these types of Good Works. There likely will be chances to work on the recently-dedicated Associational office on Hwy 268 West.

I am working on methods whereby our Brotherhood groups will be able to learn of, and then consider ongoing worthwhile projects, repairs, and renovations...particularly at some of the Baptist State Children's Homes. Operation Inasmuch is a big one-day Mission Blitz throughout North Carolina on April 19, 2008. Association churches without an active Men's Missions team are encouraged to consider forming a Brotherhood group.

Associational RA leader Bryan Huffman sponsored a seminar on August 2 at Lewis Fork Baptist Church which was led by Stan Poindexter, Region 7 RA Director. 12 RA's from 4 churches took part. Bryan will lead an RA Camping Jamboree to the New River in Ashe County on October 5, 6, and 7.

If I may be of any help to you in any way, please feel free to call me at home at 667-6796.

Respectfully submitted,
Mr. Marshall Long
Associational Brotherhood Director

## BUILDING COMMITTEE REPORT

The Building Committee members have been very busy this year. We are exited about the new Brushy Mountain Baptist Association building. The finalization of the plans and obtaining permits are in completion. The construction of the new building on Hwy 268 W is scheduled to begin in October, 2007.

Building Committee, Chairman

## COOPERATIVE PROGRAM 2007

Throughout 2007 your Cooperative Program continued to be the best way for North Carolina Baptists to work together and *cooperatively* support a global, nationwide and statewide program of missions, evangelism and ministry. *No other program will send a Christian dollar to as many places or touch as many lives for God's Kingdom!*

The 2007 Cooperative Program budget is for $37,786,000. It is only when we work together as Baptists and consolidate our missions dollars into a single unified budget that we can support major ministries and missions projects needed to share the gospel with a lost world!

Our Cooperative Program supports thousands of missionaries, ministry specialists and many types of work, yet it operates quite simply.

Here's how: Each November when North Carolina Baptists hold their annual meeting, they adopt a Cooperative Program budget, currently in two-year cycles. That budget determines what work we support together and how much.

During the year congregations of all sizes, located across the state, send in their Cooperative Program checks to the Baptist State Convention office in Cary. There the

accountants divide up the money according to the budget and send it on its way to the many ministries we support.

That's why we say we give *through* the Cooperative Program, not *to* it!

The Cooperative Program is a *channel*, the way we divide up money among Baptist causes we support; it is not a destination.

This is how we as North Carolina Baptists support five colleges and a Bible institute, a major children's home, missions work across North America and around the world, plus a newspaper and a foundation.

Your Cooperative Program also supports the staff of your Baptist State Convention. This staff -- your state missionaries -- help hundreds of churches like yours each year in many kinds of work, from prayer ministry and church outreach programs to Sunday School and music, to discipleship training, insurance and retirement programs for church staffs, among others.

Your Cooperative Program also provides hefty support to Woman's Missionary Union and North Carolina Baptist Men, augmenting the support you and other North Carolina Baptists provide these important organizations through the North Carolina Missions Offering.

**Bright outlook**

Consider that more than 1,500 churches increased their Cooperative Program giving amount for 2006 over 2005. That means more than a third of the convention's churches have voted with their pocketbooks for the 1-3-6 Challenge!

What's that? It's a challenge to every church to increase its Cooperative Program giving by 1 percent of its undesignated receipts over three years. If all convention churches will do so, it will produce $6 million a year in additional funds for the convention's vast program of work!

Biltmore Baptist church in Arden, led all convention churches on increasing Cooperative Program giving -- in 2006 the church gave $92,216 more than in 2005!

And consider the example of Peninsula Baptist Church, Mooresville. This amazing 1,300-member congregation led all convention churches in total giving -- and set a record in the process! Peninsula's members contributed a record $422,607 through the Cooperative Program during 2006.

This was the first time in recent history that a single church gave more than 1 percent of the convention's total budget, which is $37.7 million in 2007! But that wasn't all.

Peninsula also placed second in the amount of increase given through the Cooperative Program -- $69,341 more than in 2005, second only to Biltmore.

Further, Peninsula gave 26.8 percent of its undesignated receipts through the Cooperative Program, making it fourth in percentage giving among convention churches.

Some churches with much larger budgets than Peninsula's have the potential for joining the "1% Fellowship" but they do not come close to matching Peninsula's percentage of giving.

"Peninsula Baptist in Mooresville is an exceptional church with a great heart for missions," said Milton A. Hollifield Jr., executive director-treasurer of the convention.

**All Sizes!**

Peninsula presents a stirring lesson in missions support for congregations that are much larger. But there are many North Carolina Baptist churches with fewer members which excel in missions giving.

For example, consider Westview Baptist Church in Shelby, led by pastor Steve Ellis. Westview led the convention in total Cooperative Program giving in 2006 among churches with fewer than 400 members.

Westview's 399 members gave $54,012 through the Cooperative Program, which was almost 20 percent of their undesignated receipts. That percentage was the third highest for Cooperative Program giving among churches with fewer than 400 members.

Poplar Grove Baptist Church in Boone led the convention in the percentage of undesignated receipts given through the Cooperative Program. This 101-member church led by pastor Brian Davis gave slightly more than 20 percent of its undesignated receipts through the Cooperative Program.

Consider Oak Forest Baptist Church in Fletcher, led by senior pastor Matthew Williamson. This 294-member congregation gave just over $9,400 through the Cooperative Program in 2005, nothing in 2006, but then $15,350 in 2006, the biggest increase of any church with fewer than 400 members.

Such reports show that churches of all sizes can participate in one of the world's largest programs of Christian missions!

An ad series in the *Biblical Recorder* during 2007 featured some of the churches which made increases in Cooperative Program giving. The pastors of these churches were happy to promote their church's missions support record in this public forum.

Mud Creek Baptist Church, a Hendersonville church led by Pastor Greg Mathis, was increasing its Cooperative Program by 6 percent over a three-year period.

Hopewell Baptist Church in Monroe doubled its Cooperative Program giving for 2007 and committed to increase it more for 2008, reported pastor Lee Pigg. In Raleigh, Trinity Baptist Church, led by pastor Jeff Roberts, increased its Cooperative Program giving by more than $28,000 for 2006.

Fuquay-Varina Baptist Church, located in the town of the same name, increased its Cooperative Program giving by more than $25,000 and was one of the top overall contributors. Chris Conner is pastor.

These are just a few of the churches which boldly responded to the 1-3-6 Challenge and went beyond. Again, that challenge is for every church to increase its giving through the Cooperative Program by 1 percent of its undesignated receipts over three years. If all the convention-affiliated churches will do so, it would result in an additional $6 million a year for missions causes we Baptists hold dear.

But there's a prior challenge. That challenge is for more North Carolina Baptists to learn about the amazing variety and depth of missions, evangelism and ministry they support through their Cooperative Program.

We have had the Cooperative Program since 1925. It has served Baptists so well, that if we woke up tomorrow and did not have it, we would rush to recreate the same thing! It is work supporting and worth supporting more.

Giving will skyrocket when all North Carolina Baptists realize there's no other method which will send a Christian dollar to more places or touch more lives for God's Kingdom, than a dollar given through the Cooperative Program.

## COUNCIL ON HIGHER EDUCATION

The theme of this year's 177th Baptist State Convention's annual session focuses upon the *Great and Wondrous Things* that God has been doing in and through North Carolina Baptists. I hope that as you gather to celebrate the many *Great and Wondrous Things* that God has been doing through the churches of your association this year, that you will join the Council on Christian Higher Education as we, too, celebrate God's work on the college and university campuses of institutions of higher education that cooperate with the Baptist State Convention of North Carolina.

The student body of each campus is growing, new facilities are being built, and students are provided with opportunities to grow academically and spiritually. Allow me to provide an example of only a few of the *Great and Wondrous Things* that God has done on each of the five campuses this year:

Campbell University – 2,835 undergraduate students; establishment of a football program; construction of a new convocation center and new chapel.

Chowan University –significant renovations underway; improvement of athletic facilities; growth of endowments now totaling over $21 million dollars; numerous students participated in missions trips and journeys to the Holy Land.

Gardner-Webb University – nearly 4,000 students from 34 states and 33 countries; new facilities for students with disabilities; new degree program – Master of Arts in Religion; marching band established; numerous students participated in missions trips to the Gulf Coast region, Canada, and Ecuador.

Mars Hill College – celebrated 150th anniversary; mission teams to Honduras, Greece, and New Orleans; established teacher education graduate degree program; new math and science building underway; renovations to athletic facilities.

Wingate University – over 1,800 students; 57 graduates comprised the School of Pharmacy's first graduating class; students involved in supporting the hunger relief efforts of the Charlotte Men's Shelter and Harvest Food Bank.

This year, undergraduate students were given the opportunity to apply for the Convention's Baptist Scholars Program scholarships on-line. The new application process is faster, easier, and much less complicated than the former paper applications.

I also hope that you will make plans to attend the annual session of the Baptist State Convention of North Carolina, to be held in Greensboro on Monday, November 12 through Wednesday, November 14. Please plan to stay for the Council on Christian Higher Education presentation on Wednesday as the council will be highlighting the *Great and Wondrous Things* God is doing in the lives of Baptist students as they "Call to Me ..." Jeremiah 33 : 3.

I remind you that your generous gifts to the Cooperative Program provide important support to these five schools through scholarships and other unrestricted funds. These five schools, Campbell University, Chowan University, Gardner-Webb University, Mars Hill College, and Wingate University, strive to provide educational opportunities from a Christian world view with a Baptist distinctive and are able to do so as you both give and pray for students, faculty, and campus leadership alike.

Brian K. Davis, Executive Director
Council on Christian Higher Education
Baptist State Convention of North Carolina

## DISCIPLESHIP TRAINING SUPPORTER REPORT

After contacting several churches in the Brushy Mountain Baptist Association, it was inspiring to know that many of the women are having small group Bible studies in addition to the normal Wednesday and Sunday night Bible studies. Bible studies have focused on the teachings of Beth Moore, Angela Thomas, Priscilla Shirer, and Vicki Courtney.

Reasons for having women's Bible studies are varied, but among the answers was the desire to learn more about the Bible. Linda Jordan of Cub Creek Baptist Church stated, "There is such a hunger for God's word like never before, and these Bible studies help us with everyday situations. Also, it is so wonderful to know that other ladies are praying for you and that you form a close bond through each study." She also went on to say that she used to dread reading the Old Testament because she just couldn't understand it, but now when she gets into a study, the Old and New Testaments complement each other.

In a busy world such as ours, I know that it is hard to add one more thing to your busy schedule, but the benefits outweigh all the efforts that you put forth and it will improve relationships in your family, your marriage, and add a deeper love for Jesus.

Are you having a small group Bible study in your church? If not, why not? There are many Bible studies available at the associational office for you to check out, and the best thing is that you don't have to worry about the expense of buying one. Please consider being a part of a small group Bible study in your church. If you have questions about getting started, feel free to contact me at 921-3951 or call the associational office at 838-4407.

Respectfully submitted,
Mrs. Linda Glasco, Consultant

## GREAT COMMISSION TEAM REPORT

Greetings from the Great Commission Team. The team is very excited about the things that were accomplished last year through the guidance of the Holy Spirit. We pray that lives have been changed through these endeavors.

A project that the team sponsors on an annual basis is a booth at the Apple Festival. We have always had free cold water and Bible tracts in both English and Spanish to offer everyone who visits the booth. A diaper changing station is also provided for mothers and their babies. Instead of face painting for the children last year, the team did water tattoos with a biblical theme which was a tremendous hit. Another favorite of the children who visited the booth was the character balloons. The team would like to say a huge THANK YOU to Mrs. Janice Cheek and her students from Millers Creek Christian School who provided these balloons for the children. This project is planned again for this year with some added features about which we are very excited. We hope you will come by and visit … or better still, volunteer to help man the booth.

As always, the first week in October is a time of fun and excitement in our county because that's when the annual Agricultural Fair is held at the North Wilkesboro Rotary

Park. It is also a time this team looks forward to. Last year was no exception. The GCT started this week off by serving lunch and providing health kits to 30 employees of the Fair company. This ministry was expanded by serving breakfast to the workers Tuesday through Friday. The GCT is so very grateful to Cub Creek Baptist Church, Oak Grove Baptist Church-Millers Creek, Hinshaw Street Baptist Church, and Lewis Fork Baptist Church for preparing and serving these breakfast meals to the workers. These churches also conducted a short devotional during these meals. The owner of the fair and his workers were very appreciative. The volunteers from the churches all gave exciting testimonies of how wonderfully there were blessed. Plans are underway for further expansion of this ministry in October 2007.

A ministry that was started with a partnership between the GCT, the Toy Store, and the American Red Cross in Wilkes County is still available if needed. This involves providing toys for children of families who have lost their homes to a fire. The team prays that this ministry will have little or no use as the result of fires.

Other mission projects the GCT assisted with was the Toy Store in December 2006 and the annual food drive for the N C Baptist Children's Homes.

Are you interested in missions and mission work? Need more insight into the biblical basis of missions? COMING SOON…a way to find some answers to your questions concerning witnessing. A Cross-cultural training seminar will be held in April of 2008. Watch for details in the Brushy Mountain Herald and on Rev. Horton's WKBC-AM radio program on Saturday mornings at 9:15 am.

I would like to add a personal note to this report if I may. At last year's Fair, a three-year-old daughter of one of the Fair workers drew a picture and gave it to me. Well, the picture was only a page of squiggly lines, but what went with that page of squiggly lines was a masterpiece. When I stooped down to tack the picture she hugged me, thanked me for the lunch and then said, "I love you". What a blessing!

The Great Commission Team is continually looking for ways to reach out to the lost and hurting in our county. No amount of time, energy, or money can be placed on one soul that can come to see and to know the love of God. The GCT would like to say a huge "Thank you" to all who volunteer to help in these efforts. It takes many different talents and much time to make these efforts realities. How would God have you use your talents? Come, join us, and let God pour out a blessing on you. As in previous years, this team covets your prayers that God will continue to open doors for this ministry to expand and that we will be receptive and available to do His will.

Respectfully submitted,
Dolores Broyhill
Great Commission Team Leader

# Report for 2007 Book of Reports

Office of GuideStone Financial Resources for the Baptist State Convention of NC, Inc.

The GuideStone Team has been extremely busy during this past year to ensure prompt and accurate delivery of information related to retirement, insurance, staff compensation, tax issues, etc. that impact dramatically the care of persons who serve on church staff here in North Carolina. We celebrated the retirement of Amy Strickland as Administrative Specialist on our team and welcomed Betty Pleasant to that ministry position after a number of years in the convention's administrative offices. We are very grateful for the ministry of these ladies in assisting church staff and key church leaders.

On January 2, 2007, Guidestone Financial Resources, an agency of the Southern Baptist Convention headquartered in Dallas, Texas, introduced a new family of funds, *My Destination Funds*, which are date targeted to a retirement participant's projected retirement date at some point in the future. For those participants who choose to invest using these funds the hassle of keeping up with an appropriate asset allocation as the participant grows older is now removed. These funds are professionally managed and the asset allocation is adjusted automatically as the participant ages. This is a "great and wondrous" development since many church staff are focused primarily on ministry to people rather than managing their retirement account. Furthermore, the retirement funds at GuideStone exceeded their respective mutual fund peer universe median as measured by Lipper rankings during this past year.

The successful transition to a single provider for medical insurance for the GuideStone medical plans reaped great rewards as 57% of Personal Plan participants received no rate increase or a reduction in premiums. This is a "great and wonderful" thing for those who are covered with GuideStone medical insurance. Life and disability coverage continues to be tweaked to meet the needs of our church employees. Beginning with the 2007 fall semester all students enrolled at one of the Southern Baptist seminaries (we have Southeastern Seminary in North Carolina) will be covered with $10,000 of life insurance at no cost to the student and the 31 day of open enrollment from matriculation for new students continues to be very attractive.

The Church Retirement Plan is a major emphasis of the GuideStone team. We are working hard to educate church staff and key church leaders to the best retirement plan on the market today for employees of our Baptist churches. On April 1 of this year annual church budget eligibility requirements for the Mission/Church Assistance Fund were dramatically adjusted from the previous requirement of less than $40,000 per year to less than $75,000 per year. Many of our church pastors will now qualify to receive $50 per month for a five year period, but they must be active participants in the church retirement plan to receive this "great and wonderful" benefit.

Finally, we gladly promote the Endowment ministry at GuideStone to provide ongoing and one-time financial assistance to retired ministers and widows of ministers who are living in poverty. As of March 31, we had 204 North Carolinians, who have met the very strict guidelines and are receiving financial assistance from GuideStone Financial Resources. Please assist us in identifying those persons who might qualify for this assistance.

In closing, it is our strong desire to serve all of our churches and their employees with the appropriate information/products to meet their needs. For more information call the Baptist State Convention of NC at 1.800.395.5102 extensions 5594 or 5595, visit our Web site at www.ncbaptist.org, call GuideStone at 1.888.984.8433, or visit the new and redesigned GuideStone Web site at www.GuideStone.org.

## MODERATOR'S REPORT

Luke 6:47 *"Whosoever cometh to me, and heareth my sayings, and doeth them, I will shew you to whom he is like:*48 *He is like a man which built an house, and digged deep, and laid the foundation on a rock: and when the flood arose, the stream beat vehemently upon that house, and could not shake it: for it was founded upon a rock."*

As I write these words today, we are looking back as a nation on the second anniversary of Hurricane Katrina making landfall in the Gulf States. We sat glued to our television sets as the scenes of destruction were beamed into our living rooms. Right before our very eyes, we witnessed the destruction of New Orleans and the surrounding areas by a combination of powerful winds and water.

The Bible speaks many times of the need for a good foundation to withstand the storms which will inevitably come our way. The same is true of the Brushy Mountain Baptist Association.

Providing foundational support in changing times to the Churches of our Association is one of the more important functions of our Association.

In the Building and Construction industries, codes, policies and materials often change to reflect advances in methods and technologies designed to make structures safer and more effective. Such advances are often the result of years of study into what has worked and what has not worked in a given situation.

If I could choose one word to describe my first year as Moderator, it would probably be *"change."* Not all change is bad. I believe the last year has been a season of *"constructive change"* within our association. Plans, policies and personnel have been put into place to initiate this *"constructive change."* We will take what we have learned from our past and apply this to the next years of our Association, which I believe will be some of our best years!

In closing, I would like to thank everyone for your willingness to work and labor together, first, for the Kingdom of God; and secondly, for the welfare of the Churches of the Brushy Mountain Baptist Association. Special thanks are in order to our Associational Missionary, Rev. Lawson Horton, and Mrs. Diane Shaw for their very capable leadership and service to the Churches and members of our Association. May we continue to build upon the one true foundation, Jesus Christ, who is worthy of all glory, honor and praise!

Respectfully submitted,
Pastor Lyn Lambert, Moderator

**WILKES MINISTRY OF *h.o.p.e.***

Hello from the ***h.o.p.e.*** Center. We want to first say thank you for the support that we have received from you and the churches of the Brushy Mountain Baptist Association. The ***h.o.p.e.*** Ministry has gone through some changes this past year. With all the changes, there is a passage of scripture that comes to mind, Proverbs 3:5-6, "Trust in the LORD with all your heart, and lean not on your own understanding; In all ways acknowledge Him, and He shall direct your paths." I don't know what the LORD has in store for the ***h.o.p.e.*** Ministry but it is very exciting to see God work in the lives of the people we see each day. I want to say thank you for letting me serve as director.

We helped with so many needs in the past year. We saw 2,591 families, served 7,361 family members, gave out 117,478 lbs of food, and provided 29 loads of fire wood.

This past year the toy store was a big success. We were able to help 92 families.

God is doing so many things at the ***h.o.p.e.*** Center. I am so blessed to be part of it.

Respectfully submitted,
John Triplett

## WOMAN'S MISSIONARY UNION REPORT

WMU Watchword: "Walk worthy of the Lord, fully pleasing Him, being fruitful in every good work and increasing in the knowledge of God." Colossians 1:10 NKJV

This completes the first year of the two year WMU emphasis **"Live the Call"**, and it has been a very productive one for the Woman's Missionary Union. The Lord tells us in His Word that knowledge should not be just accumulated; it should also give us direction for living out the call of Christ. Through the many areas of service available in the churches' WMU's, women are on mission in our county, state and beyond. They are involved in the work of the Church while continuing to learn about and support a variety of missions.

Recently, I had the privilege of speaking to many of the WMU Directors, and they have reported the completion of hands-on mission activities, such as fruit baskets for the elderly, baby booties for the Wilkes Pregnancy Care Center, and food collection for the H.O.P.E. ministry on World Hunger Day. The women also collected enough soap to send to the ministry at the North Carolina Women's Correctional Center, as well as to West Virginia mission trips. Hygiene kits were provided to the fair workers, along with meals.

Some of the churches provided care packages to the college students in their congregation. A few of the women on mission groups are planning trips to the Women of Faith Conference. An International Mission Study, as well as a North American Mission Study, were held this year.

We will begin the new year with a training session for all age level leaders. Any church interested in starting a WMU organization, please feel free to contact me. The leadership team is available for any WMU group and would be happy to speak at your meetings or provide help in any way throughout the year.

If I can be of help in any of the abovementioned areas, please call me at 667-5319.

In His Service,
Mrs. Carolyn Call, Chair

## *A MISSION OF HEALING*

In 1923, Baptist Hospital began as a "missionary enterprise" of the Baptist State Convention of North Carolina to extend the healing ministry of Jesus Christ. In the Bible, healing is God's work of restoring well-being and wholeness – body, mind and spirit – to one who is broken. In 2007, our mission of healing is reaching thousands of hurting people, combining the leading edge of medicine with the grace of compassion. As God's servants, we consider our mission to be a great privilege and responsibility.

## THE MOTHER'S DAY OFFERING: CARE IN THE NAME OF CHRIST'S LOVE

Thanks to the Christ-centered compassion of North Carolina Baptists, the Mother's Day Offering received **$708,600 in 2006**, exceeding the generosity of any previous year. Every dollar of every gift helps patients in serious financial need pay hospital bills for care received at Baptist Hospital. Having too much to qualify for government assistance, but not enough to pay their hospital bills, they feel the hand of God lifting their burdens.

*"I thank North Carolina Baptists with all my heart for helping families like mine in times of need. We were so worried about my hospital bill and struggling under the burden. We are extremely relieved and grateful. I have said many prayers of thanks to God for helping us."*

*"We are very, very thankful for the Mother's Day Offering. We were so frightened by all the medical bills we didn't know how to pay. This gift was a miracle from God and made the biggest difference in our lives."*

***"We are so relieved and grateful for the minister's subsidy at Baptist Hospital."*- N.C. Baptist pastor**

The minister's subsidy covers up to 25% of the hospital bills of ministers (and their dependents) serving N.C. Baptist churches for care received at Baptist Hospital. $76,785 was provided in 2006, made possible by the Hospital's W.K. McGee Patient Service Fund and the Mother's Day Offering.

## CLOSING WORDS FROM THE PRESIDENT

Every day at Baptist Hospital our founding mission of healing is being advanced, from the expertise of modern medicine and technology to the grace of compassion and simple kindness. We are committed to being one of the best hospitals in the nation. We are humbled to see God's healing mercy at work through the care we seek to provide. On behalf of our staff, thank you for being partners with us in this sacred mission of hope.

# THE NORTH CAROLINA BAPTIST FOUNDATION, INC.
# 2006 ANNUAL REPORT

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in increasing an awareness among North Carolina Baptists of Christian estate stewardship principles as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, Will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

During 2006, the Foundation assisted individuals in establishing 49 endowment funds and 8 charitable remainder trusts totaling $2.6 million and received $6.5 million in contributions to existing endowments, all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for churches and associations during the year to promote Make Your Will Month, Christian estate stewardship and church fund management. Over $2.6 million from churches and institutions came under management to enhance numerous ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes. Overall, the Foundation received $11.7 million in contributions during 2006 for Christian causes.

The Foundation employs professional money managers to invest these funds according to an investment policy adopted by its Board. Four investment pools are offered: a growth fund, a balanced fund, an income fund and a fixed income fund. The Foundation uses the services of Salomon Smith Barney to help select top money managers and evaluate performance. As of December 31, 2006, the Foundation held $153.1 million under management.

During 2006, our distributions totaled $8.4 million, with charity receiving $5.9 million and individuals, through trusts, receiving $2.5 million. During the 86-year history of The North Carolina Baptist Foundation, Inc., $31.6 million has been distributed to individuals and $59.2 million to Baptist churches, institutions and mission causes for a grand historical total of $90.8 million.

## BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA
(July 2006-July 2007)

***Oak Ranch added to ministry. . .***Baptist Children's Homes (BCH) entered into a relationship with Oak Ranch, a residential program for at-risk boys, to manage the facility. Located on the Lee-Harnett County line near Broadway, Oak Ranch features two existing cottages, administrative buildings and an eight-horse equine therapy component.

"This is a historic event," said BCH President Michael C. Blackwell. "Baptist Children's Homes and Oak Ranch share a vision to provide hope and healing to children. This is a natural merger, and we look into the future with great hope and tremendous expectation."

Plans are in place to accept boys into care at Oak Ranch beginning in October, 2007, but the property and Oak Ranch's distinctive equine therapy program are already being utilized by BCH residents and staff members from the institution's statewide locations.

***New Program Helps Children With Intensive Challenges. . .***BCH's new Level III program outreaches to children who are struggling to overcome a greater degree of emotional and behavioral issues. The service is designed to provide a highly structured and supervised residential environment that is responsive to the need for intensive, active therapeutic treatment and interventions.

Currently, BCH offers Level III child care services at Kennedy Home in Kinston and Moody Home in Franklin.

***Developmental Disabilities Ministry Continues To Grow. . .***On August 27, 2006, members of the Three Forks association, BCH staff and other supporters gathered for the dedication ceremony of two new Developmental Disabilities Ministry (DDM) homes for developmentally disabled adults in Zionville

The Three Forks Home is named in honor of the association for gifting the original Camp Joy property for the new homes. Lindsay Home is named in memory of Winifred B. Lindsay who donated a lead gift of $400,000. Churches, businesses, organizations and other community friends helped raise funds to build the homes. The new DDM homes are a part of Joy Cove Ministries serving families in Watauga County and the surrounding community.

BCH held a groundbreaking ceremony on September 10, 2006 to celebrate the expansion of its Developmental Disabilities Ministry to Sanford. BCH recently began building the two group homes to serve special needs adults in the Lee County area.

The Sanford based ministry has been tapped Willett Ministries. Jane Willett-Cromer, a resident of Gulf and mother of a developmentally disabled adult, gave three and a half acres of land for the Sanford-based homes to BCH in the memory of her husband Howard.

BCH and Cross Road Retirement Community in Asheboro hosted a "Laying the Foundation" ceremony on October 14, 2006. The ceremony celebrated the construction of BCH's new DDM group home. The group home is located on the Cross Road Retirement Community campus which is owned by Cross Road Baptist Church. It will be called "The Asheboro Home," and dedication ceremonies are scheduled for August 26, 2007.

The 3,000 square-foot facility offers a residence for six developmentally disabled adult women and will serve families in Randolph County and the surrounding community. The home was built in cooperation with the U.S. Department of Housing and Urban Development (HUD). BCH will operate the home, providing the services and the staff.

***Baptists Touch BCH Through Technology. . .***Children in BCH's care greeted Messengers at the 2006 annual session of the Baptist State Convention at the Greensboro Coliseum through the power of technology. Using a web camera link, five children at Mills Home in Thomasville carried on live, real-time conversations with convention attendees and thanked them for their love and support. Mills Home children answered questions and gave "high fives" to Messengers who viewed them on a large, flat panel display screen.

***New Website Introduced. . .***BCH also introduced the redesigned BCH Family (***www.bchfamily.org***) website during the November convention. The new website offers streamlined navigation making it easy to find information about BCH's statewide services and a variety of ways to support the ministry. New features include online journals and photo galleries from the ministries locations around the state.

***Charity & Children Marks 120 Years. . .Charity & Children (C&C)*** marked its 120th anniversary in 2007. Throughout its history, it has been a strong voice speaking for Baptist Children's Homes conveying news, information, and children's success stories. The free publication is mailed to as many as 62,000 subscribers a month, with estimated readership in excess of 170,000 per issue.

Seven year ***C&C*** editor Jim Edminson introduced a new look for the paper in January utilizing concisely written stories, the use of vivid, large photos, ample white space, and contemporary artwork to make the publication more approachable to readers.

The BCH news publication is produced each month by its publisher and BCH president Michael C. Blackwell, Edminson, and Blake Ragsdale who was named Managing Editor in late 2006.

***BCH Named One Of Triad's "Best Places To Work". . .*** BCH was a finalist in the ***Triad Business Journal's*** annual "Best Places to Work" competition. The institution finished in the elite four of the "charitable nonprofits" category. BCH president Michael C. Blackwell, accompanied by members of his President's Management Group, accepted the award at a ceremony in High Point.

BCH's state administration offices, Mills Home residential campus and Weekday Education facilities in Thomasville, and group homes for developmentally disabled adults in Winston-Salem comprise BCH's Triad area services.

Rev. Michael Church
Mrs. Judy Bainbridge
Mrs. Shirley Randleman
Mr. Tom Vannoy

*NOTE: While the overall budget increase is $46,398.55, $41,020.16 of this increase is attributed to the inclusion of the salaries for the* ***h.o.p.e.*** *Ministry into this budget, allowances for a monthly payment for the new building, and a financial audit by a CPA. The salaries for the* ***h.o.p.e.*** *Ministry were previously paid from funds donated to the ministry. It is our opinion that these salaries should be a part of the operating budget for the association.*

Many enhancements have been made to the church including the insulation of walls in the educational building, painting and installation of all new windows in the educational building. Individuals and some classes purchased new cushioned chairs for classrooms. Church became incorporated under new Statute that was enacted in January 2007. Additional land was received from an adjoining property owner as a gift to the church. Brotherhood was implemented.

**OAKWOODS** – Oakwoods Baptist Church 2006-2007 As the membership at Oakwoods Baptist Church continued to grow in 2006 and 2007, the deacon board increased from seven members to nine. The nine deacons voted into service by the membership of the church were: Keith Miller, Chair, Bruce Johnson, Vice Chair, Phillip Johnson, Tony Bailey, Danny Johnson, William Joines, Jerry Smithey, Kenny Owens and Michael Goodman. Oakwoods Baptist continued the strong tradition of supporting missions with several endeavors throughout the year. In September 2006 Oakwoods became a host site for the national mission program, Angel Food Ministries. This mission program allows members of the community to purchase staple food items at a fraction of their retail cost once a month. Angel Food Ministries is a non-profit, non-denominational organization dedicated to providing grocery relief to communities throughout the United States. Angel Food works through churches and community organizations in over 32 states. Angel Food Ministries donates $1 per regular unit sold to the host churches benevolent fund. Since its inception, Angel Food Ministries has contributed over $12 million into host benevolence funds. Oakwoods Baptist is fortunate to be a host site. In the spring of 2007, Rev. Robert Duncan led a team of church members on a mission trip to Brazil. This is in continued support of the Brazilian church the Oakwoods contingent helped established several years ago. Revival has always been an integral part of the Baptist faith. Oakwoods held two revival services this past year. In October, revival kicked off on October 15th with Rev. Tim Pruitt. The uplifting service continued through October 18th with messages from Rev. Dean Crane, Phil Hoskins and Ronnie Milsaps. Rev. Lawrence Goodman, whose has deep roots at Oakwoods and in Wilkes County, preached revival in May 2007. For decades a historical cemetery has been neglected and overgrown on property adjacent to Oakwoods Baptist. Following the acquisition of the property, church members renovated the cemetery. long forgotten graves date back to the ante bellum period. The cemetery is now clear of underbrush and debris, as well as neatly manicured grass and clean grave markers. As God blessed Oakwoods with membership growth, a need for more parking arose. With the purchase of adjacent property, construction began on a new parking lot. A total $197,044.00 constructed the new lot, including the engineering and other applicable permits. Oakwoods is proud to have nurtured the spiritual journey for several ministers over the years. This year Rev. Eddie Tharpe was licensed as a preacher of God's word by Oakwoods Baptist Church. His ordination will be scheduled at a later date. Rev. Scott Townsell was hired as the part time youth minister beginning September 1, 2007. Scott is a Wilkes County native who grew up in Boomer. He comes to Oakwoods with his wife Melanie, their two daughters and one on the way. This past year Oakwoods lost several members to death. They were Danny Triplette, James Cicero (JC) Anderson (a deacon) on October 2, 2006, Rev. William Clifford Johnson on November 23, 2006, Teddie Gray Cassell on February 13, 2007, Mrs. Betty Soots

Smithey on April 14, 2007 and Mrs. Nellie Johnson Hayes on June 17, 2007. –Submitted by Phil and Linda Johnson Revis and JoAnn Call

# APPLICATION FOR MEMBERSHIP IN THE BRUSHY MOUNTAIN BAPTIST ASSOCIATION OF NORTH CAROLINA

This is to certify that the

_____

(Name of Church)

_____

(Address)

in church conference_____

(Date)

Vote to make formal application for

membership in the Brushy Mountain Baptist Association. We have been introduced and have knowledge of the Baptist Faith and Message statement and do accept its teachings in belief and practice. We pledge to contribute financially to the Cooperative Program of the Southern Baptist Convention which supports the work of Baptists in the state, nation, and overseas, to give evidence of our missionary zeal. We further pledge to adhere to the Articles of Incorporation and By-laws of the Association and fully understand that we must comply with the guidelines for membership set forth in Article IV of the By-laws.

We commit to be a duly-constituted and organized Southern Baptist Church, and will maintain this status at all times, or will voluntarily withdraw from the Association.

We understand that upon submitting this application, accompanied with a Southern Baptist Convention Annual Church Profile, to the Association and its Membership Committee, and an investigation is completed and found favorable, the committee may recommend at any regular quarterly meeting that the church applying for membership be granted associate membership for one full year. The association may, then by majority vote, receive them as associate members. During that year, the associate member church must submit monthly written reports on forms provided by the associational office, and shall have the right to send non-voting messengers to the associational meetings.

We also understand that when the year has expired, the membership committee will further review the status of the church making application, and, if found favorable, will then recommend to the association in a regular quarterly meeting full membership of the church into the association. the association may vote to grant full membership, to extend the associate member status for another year for further review, or deny the application and terminate the associate member status. If the association then votes to receive the church, having the same rights and privileges as the other member churches, the moderator shall extend the hand of fellowship to its messengers.

# THE DEDICATION OF ANNUALS COMMITTEE RECOMMENDS THAT THE MINUTES OF THE ONE HUNDRED THIRTY-SEVENTH ANNUAL SESSION BE DEDICATED TO:

## Rev. Lyn Lambert

**Lyn Lambert** is married to the former Debbie Johnson of Wilkesboro. They have two beautiful daughters; Staci Kerns and her husband Travis of Louisville, Kentucky, Holly Lambert of Charlotte, NC and one Grandson, Jeremiah Daniel Kerns who is the apple of Lyn's eye!

This young man was born and reared in Wilkes County. The oldest sibling in his very close-knit family, he knows what hard work is all about. It was at an early age that he realized God had a greater purpose for his life. His Mother also realizing that God would use her son saw to it that he was always in church as she taught him well the godly principles for a life God would honor. God placed this young man on the hearts of the older leaders in the church. He was chosen to read the scriptures aloud in church when he could barely see over the podium. He became a very active member in his home church, singing in the choir, teaching Sunday school, visiting homes every week and being available to do whatever he was called upon to do. Finally, in the spring of 1981, he surrendered the call to the ministry for which he had struggled with for so long. The burning desire in his soul to carry the word for God now became the driving force in his life. He volunteered to preach wherever there was a need, be it a campground, the prisons

or a home Bible study. You see, he has a heart for people in any situation, knowing that we all need a Savior.

It was in the early 80's that God placed this young man on the heart of Pastor Sherrill Wellborn, Pastor Wellborn used this young man in the Lewis Fork pulpit and eventually asked him to serve as the pastor for Lewis Fork Mission. God was opening doors at every corner!

In 1985, the membership of Piney Ridge Baptist Church called him to be their Pastor. He served them faithfully as the church grew and saw many changes from 1985-1993. Without another church to go to or any idea of where his family would go to church the next Sunday, Lyn Lambert set out to follow God's plan.

He would not have any free Sundays or time to ponder where to go for you see the very next Sunday, he had a call to preach at a Restaurant for a young church who was without a Pastor. This church is Greater Vision Baptist Church where Lyn has now served since 1993 and has led the church through three building programs. The church has grown to a membership of 283 and is one of the most active and vibrant churches in the Brushy Mountain Baptist Association.

You would think serving a growing and active church would be enough, however; Lyn finds time to assist in many other areas. He volunteered in Gulfport during the Katrina re-build. He led his church on Mission trips to Kentucky and West Virginia. Lyn also finds time to be an active volunteer with Communities in Schools, Hospice of Wilkes, Volunteer Chaplain at WRMC, Ethics Committee at WRMC and is a member of the Wilkes Ministerial Association. Lyn serves on the Board of Pastoral Care and Counseling Center of Wilkes, Uplands Reach Conference Center and the Foothills Christian Bible College Board. He still finds little time for his favorite hobby, Fishing! Lyn has played a very active role in the leadership of the Brushy Mountain Association. He has recently served as the Moderator for two years. Tonight will the last meeting he will moderate during his term, but rest assured it will not be the last you will see of this dedicated Pastor.

Respectfully submitted,
Mrs. Lydia Church
Rev. Robert Duncan
Mrs. Betty Pardue
Mrs. Wanda Lowe

HISTORY OF MOUNT PLEASANT BAPTIST CHURCH
Update 2008

The Brushy Mountain Baptist Association Annual for 1993 contains an update of the history through that year. Events prior to that time will not be included herein. Information for this was taken from the BMBA annuals and information from Rev. Kevin Brown.

Rev. Rick Speas was the pastor during this time. The church made three mission trips to New York, Georgia, and Buffalo, NY.

During the year 1996 the church adopted Articles of Incorporation. Construction of a three-story educational building began. This was completed in 1997 and furnished with new furniture. A dedication service for the building was held. A part-time assistant minister was hired.

In 1997 additional land for parking was purchased and the parking area was paved. Additional playground equipment was purchased. A full-time Minister of Youth was hired. The church continues to be involved in mission trips to New York and South Africa. During the year 1998 Rev. Mike Hamby was called as pastor and Mr. Tim Shaw was ordained into the ministry.

During 1999 the debt on the educational building was paid off and a note-burning held. The choir presents Easter and Christmas programs each year. A part-time music director was hired. The first annual Back-to-School Bash was held with 150 in attendance. In 2001 a new secretary was hired, purchased a church van, landscaped 4 ½ acres for future use and renovated the front of the church building.

In 2002 new deacons were ordained. A new facility building program and Master Plan Phase I was adopted. In 2003, 3 1/4 acres of land was purchased. New deacons ordained this year. Monthly church wide outreach conducted and increased Sunday school attendance 15%. A new church directory was produced.

In 2004 two mission trips to Kentucky resulted in 18 professions of faith. During 2005-06 the new Family Life Center was completed. A full-time music Minister and full-time associate minister was hired. Rev. Kevin Brown was hired as full-time senior pastor.

The Passion Play was shown in the spring of 2008 with over 2000 people in attendance during the six nights. There were 74 professions of faith made during this time. The church sponsored a community event in July serving 350 barbeque plates. They gave away $1300 in gas and food cards and provided games for kids.

The church has been faithful in sponsoring mission trips, backyard Bible studies, VBS, Christmas Programs, conducting revivals, and community outreach programs. The church has 730 members.

This body shall be known as the Brushy Mountain Baptist Association.

## ARTICLE III. GOVERNANCE AND AUTHORITY

SECTION 1. Member Governance.
The government of this Association shall be Baptistic in nature, and the final authority for the operation and management of the affairs of this corporation, spiritual and temporal, shall be vested in the member churches, which authority shall be exercised in the manner set forth in the bylaws. Members alone, acting in the manner and through the messengers as set forth in the bylaws, shall have the authority to adopt and amend bylaws, approve budgets, receive members and govern and conduct the affairs of this corporation.

SECTION 2. Independent.

B. Review and Interim Status. The Moderator or Associational Missionary shall present the request form and the Annual Church Profile to the Membership Committee for study and investigation. C. Associational Action. When the year has expired, the Membership Committee will further review the status of the church making application, and, if found favorable, will then recommend to the association in a regular quarterly meeting full membership of the church into the association. The Association may vote to grant full membership, to extend the Associate Member status for another year for further review, or deny the application and terminate the Associate Member status. If the association then votes to receive the church having the same rights and privileges as the other member churches, the Moderator shall extend the hand of fellowship to its messengers.

**CELEBRATION BAPTIST CHURCH**
**January 14, 2008**

The quarterly meeting of the Brushy Mountain Baptist Association was held at Celebration Baptist Church on Monday, January 14, 2008 beginning with a prelude of music presented by the Celebration Musicians with sign language delivered by Mrs. Debbie Hendricks.

Moderator Rev. Lyn Lambert called the meeting to order at 7:10 p.m. followed by the host pastor, Rev. Tom Bartlett welcoming the messengers and guests using quotes of scripture from several books of the Bible. Rev. Bartlett concluded his remarks by asking, "is your life a living gospel," followed by prayer.

Following Mr. Dwayne Andrews leading the congregation in singing, *'Serve The Lord With Gladness'*, Rev. Jim Gore, on behalf of the Foothills Bible College, gave a report of the progress of the college and things to come. Rev. Gore stated that the by-laws of the college have been approved; a non-profit status has been obtained from the IRS and the college is in the process of being licensed by the State of North Carolina. The location of the college is 400 Winston Street, Wilkesboro, NC 28697. Continuing, Rev. Gore announced that enough of the building has been renovated and may possibly be occupied with staff at the end of this month (January) and will have hours of 8:00 o'clock a.m. until 5:00 o'clock p.m. Rev. Gore stated that the college is there to assist churches and members in the building up of Christ; training for those called to the gospel, and certainly teaching the gospel. The goal is to be fully accredited and Rev. Gore asked for the prayers of the people that this endeavor be accomplished. Dr. Charles Whipple is the academic dean and is fully trained in all phases of ministry and teaching. Rev. Gore recognized those present that serve on the Board of Foothills Bible College

Rev. Horton announced a retreat, sponsored by the Brushy Mountain, Stone Mountain and Elkin Baptist Association's, for Pastor's and Deacon's on May 9, 10, 2008 at Pleasant Hill Baptist Church in Elkin with Dr. Jim Henry as speaker. Dr. Henry is a past president of the Southern Baptist Convention.

In preparation of Operation InAsMuch on Saturday, April 19, 2008, Rev. Lawson Horton called attention to the **O I AM** as printed on the Agenda presented to the messengers and guest upon their arrival. Rev. Horton requested that all persons in attendance repeat several times in unison, O I AM signifying their participation in this endeavor. Assistance will be given to as many of those in need of specific projects as possible on this date.

The congregation joined together in singing; *'Rescue The Pershing'* led by Mr. Dwayne Andrews.

Rev. Lawson Horton introduced the leadership team and associational staff comprised of Rev. Jeff Collins, Mrs. Linda Collins, Mr. Dwayne Andrews, Ms. Gladys McGlamery, Ms. Eileen McNeil, Mrs. Linda Glasco, Mrs. Betty Osborne, Mr. Richard Whittington, who called attention to a cross-cultural/mission training conference scheduled for April 11-12, 2008 at Lewis Fork Baptist Church; Mrs. Linda Collins spoke regarding an informational meeting for ALL Pastors and Vacation Bible school directors for February 12, 2008 at Welcome Home Baptist Church and the Bible school clinic for April 26, 2008 at Wilkesboro Baptist Church; Mr. Marshall Long, Baptist Men's leader and Brotherhood Director, asked that he be provided e-mail address for a contact person in each church; Mrs. Carolyn Call, WMU director reported on the WMU activities; Associational secretary Mrs. Diane Shaw stated she felt it a privilege to work for the Association and actually considered her position as a mission; Mr. John Triplett spoke regarding **h.o.p.e.,** thanking everyone for their continuing support and introduced Mrs. Violet Francis, stating she is a vital part of the **h.o.p.e.** Ministry serving in the capacity of secretary. Mr. Triplett asked for more volunteers.

Mr. Mark Yates reported that there were 17 people who accepted Christ as their Savior during the operation of the Toy Store.

Rev. Lawson Horton called attention to the job descriptions and duties of the Associational Missionary, the CCMC, Associational Secretary and Assistant Treasurer, and opened the floor to the messengers should they have any questions regarding the stated duties of the above reference and/or any questions the messengers might have of the staff members. No questions were forth coming.

Rev. Lawson Horton in his closing remarks commented on things that were a part of the past years and through 2007 calendar year such as the restructure of the Association, visioning and strategizing, the On-Missions conference planned for 2009, starting new congregations, the new Associational office building which began with voting to build a new office in 2000. Rev. Horton pointed out that there are three churches that have given on a monthly basis to this cause. There were nine churches that contributed during the $300.00 campaign in recognition of the 300th anniversary of the Baptist Association. This campaign ran from May through August 2007. Three additional churches have given since the fund's inception. A mailing to the messengers of the member churches and other friends brought in $14,805.00 and part of this giving is attributable to subcontractors who have donated time and materials to be used on the building. The ministry of **h.o.p.e.** has excelled and on a personal note, Rev. Horton stated he has taken computer classes. A bulk mailing of the "Jesus" video was also done.

Looking toward the future to build God's kingdom, Rev. Horton will continue to work closely with the Leadership team; Wilkes Community College is working on a networking program to better enable the Association to coordinate and serve more people within the county; development of a prayer ministry in each church to pray for specific needs as well as the designation of certain churches where people can ask for financial assistance.

Rev. Horton called attention to the Proposed Purpose Statement attached to the agenda and commented that the Leadership Team had prayerfully compiled this statement during the retreat that was held in November 2007. After allowing time for the messengers to review and then being read by Rev. Horton, in the form or a motion, messengers voted to adopt the purpose statement as follows: *'A fellowship of churches, being united together in Christ's love, providing opportunities and resources to reach the lost, grow disciples and meet the needs of our neighbors locally and beyond'.*

Under miscellaneous business, Mr. Lance Mikha'el ben Yisra'el invited everyone to join and bring someone to the prayer breakfast planned for Monday, January 21, 2008, beginning at 8:30 o'clock a.m., at the Armory, in celebration of Dr. Martin Luther Kings birthday. Mr. ben Yisra'el pointed out that Dr. King was on mission to honor Christ and his commitment was for all persons, without thought to race, color or creed and as Christians, we too, should be on mission for Christ.

With no further business to be presented, the quarterly meeting of the Brushy Mountain Baptist Association was adjourned at 8:27 o'clock p.m.

There were 138 messengers and 34 visitors in attendance.

Respectfully submitted,

Eileen McNeil, Clerk

Lawson Horton offered prayer.

The following calendar dates were reviewed and discussed:

a. Cross-Cultural/Mission Training Conference at Lewis Fork Baptist scheduled for April 11-12, 2008;
b. Vacation Bible School Clinic at Wilkesboro Baptist Church, April 26th;
c. Operation In As Much – April 19th wherein every Association in the state of North Carolina will be participating (88). This program is along the lines of Make A Difference Day;
d. Deacon's Retreat – May 9-10 at Pleasant Hill Baptist Church, Elkin;
e. Bible Drill beginning at 3:00 o'clock p.m. on March 30 – Wilkesboro Baptist Church;
f. Discussion was held regarding an Associational Praise Sing sometime in the fall of 2008 at Wilkesboro Baptist Church.

Mr. John Triplett discussed a Networking system that is being designed and programmed by Wilkes Community College to access items that could be made available for various needs of persons coming to the **h.o.p.e.** Ministry for assistance. This program is being done at no cost to the Association. Person(s) needing a particular item would be able to receive the item without knowing where it came from. This program would enable the Association to have a more precise and defined way to see if the particular individual(s) had requested assistance from other service agencies for similar items, and when the request was made. The networking will allow for tighter control and prevent frequency of the same persons collecting from agencies over and over.

Mr. Triplett also discussed a program that BROC presently has in place for persons to receive counseling in self-efficiency; however, the program at **h.o.p.e.** would include bringing Jesus into their lives through counseling as well as helping with finance skills, job skills, parenting, etc.. Rev. Richard Whittington suggested, at an earlier date, at the request of Mr. Triplett, the name for this program might be "Life Style Discipleship".

Rev. Lawson Horton introduced Mr. Dennis Broyhill who has agreed to serve in the capacity of Christian Life Ministry and would keep Rev. Horton and the Council apprised of moral issues that needed to be discussed.

Rev. Horton had mailed a Leadership Team Response – Who will help? to all Council members with the request being made of those persons as to who would be willing to serve in the capacity they presently are in or if they would be willing to help in other areas. Following the collection of the response, Rev. Horton thanked everyone for his or her cooperation.

Rev. Horton requested that Rev. Richard Whittington develop a logo and slogan for Vision and Mission Statements.

A budget summary report was presented and discussed reflecting the expenditures and balances through February 19, 2008. The report shows that at the present time the budget is $36,541.97 behind the budgeted goal. The new building to house the Associational office is proceeding as scheduled and the building could be ready for occupancy by June 2008.

Discussion was held regarding the continuation of financial support for the Hispanic church. Due to immigration laws changing, the Hispanic congregation has decreased in attendance and funds are limited. A decision needs to be reached by the July meeting.

Rev. Horton informed the Council of the **h.o.p.e.** building (*reminder that the Hwy. 268 East building was donated for the specific use of **h.o.p.e.***) needing a new roof and discussion's that are on going for the building (Hwy. 268 East) to be made more serviceable. It is hoped that some labor/manpower to complete repairs will be forthcoming from the Associational churches.

There being no further business to come before the Council, the meeting was adjourned at 6:55 o'clock p.m. with Rev. Mike Church closing in prayer.

Rev. Dennis Love brought the message. Rev. Love referred to the theme for the Association as being Back To The Basics and using text from Matthew 5, verse 14. Rev. Love stated that we are living in a dark world and gave the following analogies for letting your light shine in using the word LIGHT:

**I** intercede for people persistently
**G** o to people purposefully (Jesus said go and make disciples unto all people)
**H** elp people practically
**T** ell people plainly

At the conclusion of the message Rev. Love ask everyone to write down the things that the Father meant to them and closing his message with prayer.

Following the welcome by Rev. Mike Church, host pastor, Rev. Church presented the Operation ***InAsMuch*** Commissioning using scripture from Matthew, Chapter 25, verse 40; Luke Chapter 10, verse 25 and James, Chapter 2, verses 14 through 17.

Rev. Church introduced Mr. Daniel Tilley, Coordinator for Operation InAsMuch and representing the North Carolina Baptist Men. Mr. Tilley stated that there are 806 churches in 87 counties in North Carolina that are committed to the InAsMuch project to take place on April 19, 2008. This program works along the same lines as Acts of Kindness. Mr. Tilley commented that this is an opportunity and project for all churches to work together.

The congregation joined together in singing *"Crown Him With Many Crowns"*, led by Mr. Dwayne Andrews.

Mrs. Linda Collins, Associational Vacation Bible School Director, Mrs Alania Day and Mr. Payton Day, presented a short skit to introduce the theme for the 2008 VBS clinic for directors, workers and pastors to be held on April 26, 2008 at Wilkesboro Baptist Church beginning at 8:00 o'clock. Horton reported that Mr. Charles Billings had called to say there is a need for painters and clean-up crew at the new Association building site to get ready for paving, etc. and called upon Mr. Marshall Long to spear-head the clean-up crew.

Mrs. Lois Woodie gave an update on the financial, furniture and other aspects of the new facility. Mrs. Woodie invited anyone stopping by to see the facility, note that the windows have crosses in them. **MINUTES OF BOARD OF DIRECTORS (ASSOCIATIONAL COUNCIL)**
**BRUSHY MOUNTAIN BAPTIST ASSOCIATION**
**ASSOCIATIONAL OFFICE**
**MAY 1, 2008**

Convening at the Associational Office on May 1, 2008, for the Board of Directors (Associational Council) meeting was: Rev. Lawson Horton, Mrs. Betty Osborne, Mr. John Triplett, Mr. Dennis Broyhill, Mr. Marshall Long, Ms. Eileen McNeil and Mrs. Diane Shaw.

The meeting began at 7:00 o'clock p.m. with Rev. Lawson Horton asking for prayer requests that included several churches, the Association, the upcoming election, individuals with sicknesses, deaths in families and the Council meeting. Following the requests, Rev. Horton led in the opening prayer.

A 'Dates To Remember' list was given out with Rev. Horton asking everyone to please keep the list in a place readily accessible and noted that this list would be given to those council members not able to attend this meeting. It was also noted that these same dates appear in the Brushy Mountain Herald well in advance of the event dates.

Rev. Horton reported that finances have "picked-up" somewhat since February; however, additional funds are prayerfully requested. E-Mail addresses are requested to enable the Associational Missionary and Associational Secretary to more expediently get information to churches and individuals.

Rev. Horton stated that ALL budget requests must be submitted no later than May 16th to meet the May 22nd meeting of the Finance Committees consideration. If the requests are not submitted by May 16th, the amount requested for the prior year will be taken into consideration; however, the amount could be less. It should be noted that the churches in the Brushy Mountain Association are required to contribute financially to the Association, forward the Church Profiles timely and attend meetings of the Association. There are some churches that are not conforming to these three requirements.

Two events were discussed: The Deacon Retreat to be held May 9 and 10, 2008 and the Quarterly Meeting to be held at New Hope Baptist Church (Purlear) on July 14, 2008. Rev. Chris Scholfield will be the speaker with the major thrust for the November election.

Rev. Lawson Horton has appointed a Visioning Team. This team will focus on helping to determine the future outlook for the Association. The first meeting was held on April 28, 2008. Rev. Horton stated that an outside consultants services have been enlisted and will be contacting the Pastor of every church within the Association to ask what he thinks the Association should do or what he (Pastor) would like to see the Association do. Following the collected information being submitted to Rev. Horton, he will then, in turn, submit it to the Visioning Team who will then present it to the

Association. This information will be gathered through the months of May and early June.

The name "On Mission Celebration" will be changed and based on the scripture to "Acts 1, 8" for the upcoming 2009 year. Rev. Horton stated that the North American Mission Board would use the Brushy Mountain Baptist Association as a "pilot program" .

Mr. Marshall Long gave an update on the new Associational office building stating that everything was progressing really well and the needs for help regarding clean-up, painting and various other jobs are in process or already completed. It is anticipated the move may be made by June 2008 depending on one or two major projects yet to be completed such as curbing and paving.

Following information provided by Rev. Horton regarding a modular unit being given to Millers Creek Baptist Church by the Baptist State Convention and most recently being used as a "satellite" church for the Hispanic ministry, is no longer being used and a decision needed to be made as to what needs to happen with this modular unit. It is currently located in the "Mary Lynn Trailer Park" and the Association now has to pay approximately $120.00 per month (rent and electric) for the unused unit. Mr. Marshall Long is going to look into the matter and a decision will be made at a later date on the feasibility of keeping the unit.

Mr. John Triplett reminded everyone that May 10th is the Postal Food Drive. All food collected will be given to the **h.o.p.e.** Ministry. Mr. Triplett asked that everyone spread the word and to pray for this endeavor. Mr. Triplett also spoke regarding the Community Care Network. This will be an Internet web site that can be made available to all churches and will enable the **h.o.p.e.** Ministry to more effectively aide families but will also be a mean to determine if anyone requesting assistance has or is "traveling" from agency to agency seeking help on a frequent basis. Mr. Triplett commented on the next level of h.o.p.e. to provide counseling services in finances and other needs. As the **h.o.p.e.** Ministry stands for ***Helping Other People Excel***, these services would help people to ***Excel***.

Rev. Horton mentioned adding church profiles to the Brushy Mountain Herald that would be a prayerful "spotlight" on each church in the Association.

Rev. Horton ask for comments on the double newsletter that is now being printed and stated that this concept will continue through the remainder of this year.

There being no further business, the meeting was adjourned at 8:30 o'clock p.m.

**BRUSHY MOUNTAIN BAPTIST ASSOCIATION**
**QUARTERLY MEETING**
**NEW HOPE BAPTIST CHURCH, PURLEAR**
**"Theme: Prayer for the Nation"**
**July 14 2008**

The quarterly meeting of the Brushy Mountain Baptist Church convened at New Hope Baptist Church, Purlear, on July 14, 2008. Under the direction of Mrs. Becky B. Smith, a prelude of music was presented by the New Hope Church Choir, with accompaniment on the piano by Mrs. Patti Farrington.

Moderator Rev. Lyn Lambert called the meeting to order at 7:00 o'clock p.m.

Rev. Mike Stamper, host Pastor welcomed everyone and read scripture from Exodus, Chapter 3, verse 13. Following prayer by Rev. Stamper, the congregation sang, *"Sweet Hour of Prayer"*, led by Mr. Dwayne Andrews. Mrs. Patti Farrington provided piano accompaniment for the congregational songs.

**TREASURER'S REPORT**

Mrs. Betty Osborne presented the 2008-2009 budget that had been included in the Herald Newsletter in June and was also included in the packet of information given to the messengers as they arrived for the meeting. With no opposition, the budget was approved. Mrs. Osborne, on behalf of Mrs. Elizabeth Billings, Chair and the other members of the Finance Committee, thanked everyone for their input and cooperation in preparing the budget.

**MISSIONARY REPORT**

Rev. Lawson Horton in his Missionary report announced that Mrs. Diane Shaw, Administrative Assistant would be leaving her position and moving along with her husband to Arkansas.

Reporting on the new Associational office, Rev. Horton stated that the new building was not completely "set-up"; however, it had been a wonderful experience and noted that many monetary donations as well as donations of furniture, fixtures, landscaping, etc. had been received. Calling attention to the Budget Summary as presented in the handout packet at the meeting, under Building Fund ($21,271.14) and the receipts of $171,250.00 as shown under year's receipts, Rev. Horton asked for permission to take $10,000.00 to be used for incidentals and for additional work at the **h.o.p.e.** Ministry, noting that he (Rev. Horton) had not discussed this with the financial committee and that if the Associational body would rather he meet with the financial committee first, he would be happy to do so; or if the Associational body deemed it appropriate to grant this request at this meeting it would be appreciated. By using this money as it now exists; under the current constructions loan, the interest would be much less. No opposition was expressed.

Motion was made by Rev. Robert Webb to take $10,000.00 from the building fund as requested by Rev. Horton; seconded by Rev. David Sparks and approved.

Mr. Charles Billings, at the request of Rev. Horton, announced that the building actually cost $266,000.00; however, we paid $60.00/foot. The amount stated by Mr. Billings was strictly for the building and does not include any cost for paving, etc.

**MISCELLANEOUS BUSINESS** – None

Special music was presented by the New Hope Church quartet: Mrs. Becky B. Smith, Mr. Athel Phillips, Mr. Rex Yates and Mrs. Patti Farrington (also pianist), who sang *"I'm Longing For Home"*.

Dr. Chris Schofield, introduced by Rev. Horton, brought the message. Dr. Schofield stated that we are a lost culture with a large number of lost persons in North Carolina and that North America, as a whole, is a lost culture. The crucial need is for revival and prayer toward the great commission. Dr. Schofield stated that his personal prayer for sometime has been based on Psalm 90, Verse 12. The main points of the message were based on the book of John, Chapter 17; wherein Jesus is praying for us to be one in him, to unite. Dr. Schofield stated that we need to remember the oneness that He is calling us to; unite and become one. Presently our minds and hearts are not with the Father here in North America. We need to remember – "I AM" – "JESUS IS" – "BE WITH HIM WHERE HE IS". Concluding, Dr. Schofield asked where is Jesus in Wilkes County? – Do you know where Jesus is? – HE's WORKING. Our prayer should be for a "SUDDENLY" – and seek revival.

Following the congregational song, *"What a Friend We Have in Jesus"*, Rev. Lambert stated that his desire was to adjourn the meeting with anyone who wished to, come to the alter and pray, **'Suddenly'** with Dr. Schofield concluding the prayers.

The quarterly meeting was adjourned at 8:37 o'clock p.m. There were 69 messengers and 11 visitors attending the meeting.

**BRUSHY MOUNTAIN BAPTIST ASSOCIATION**
**137TH ANNUAL MEETING**
**MT. PLEASANT BAPTIST CHURCH**
**October 13, 2008**

**THEME: *"Growing Healthy Believers Leads to Healthy Churches"***

Mt. Pleasant Baptist Church was the setting for the 137th annual meeting of the Brushy Mountain Baptist Association with registration from 3:30 – 4:00 o'clock p.m. followed by Moderator Rev. Lyn Lambert calling the meeting to order.

Following the congregational hymn, *"I am Thine O Lord"*, led by Mr. Dwayne Andrews, with accompaniment by Ms. Brenda Kilby on the piano, the host pastor Rev. Kevin Brown welcomed everyone and reading scripture from 2nd Chronicles, chapter 7, verse 14 posed the following questions of who are the churches, is our country healthy, do we have the appetite to get healthy again and that we need prolonged prayer.

The Order of Business for the meeting was presented by Mr. Sherrill Lowe and adopted as presented. Mr. Lowe also gave the Program/Planning and Worship Report as shown in the Book of Reports on page 22. Adopted. Mr. Lowe thanked Celebration Baptist church, Pleasant Home Baptist Church, New Hope Baptist Church and Mount Pleasant Baptist Church for their cooperation and participation for hosting the meetings for 2008 and announced that Edgewood Baptist Church, Oakwoods Baptist Church and Beaver Creek Baptist Church would host the quarterly meetings for 2009 with Lewis Fork Baptist Church being the host for the annual meeting for 2009.

The treasurer's report was approved as presented by Mrs. Betty Osborne and shown on pages 10-12 of the Book of Reports.

Mrs. Betty Pardue prior to announcing the name of the person to whom the 2008 Associational Annual would be dedicated read scripture from Proverbs, Chapter 22, verse 6; *"Train up a child in the way he should go: and when he is old, he will not depart from it."* Mrs. Pardue stated that this individual had been reared by Godly parents, had sung in the choir, volunteered to preach wherever he was needed, was mentored by another church and had followed the path of the Lord and had served the past two years as moderator of the Brushy Mountain Baptist Association and was the current Pastor of Greater Vision Baptist Church. The 2008 Annual is dedicated to Rev. Lyn Lambert. Rev. Lambert asked that his wife, Debbie Johnson Lambert and his mother, Janette Lambert join him at the podium as he thanked them for their love and support and also thanked the Association. Rev. Lambert stated that Rev. Sherrill Wellborn had been his mentor.

Rev. Lawson Horton introduced Mrs. Pam Mungo who is a field representative with the NC Baptist Association in Church Planting. Mrs. Mungo spoke regarding the changing of the face of North Carolina and stated that from nine million people in North Carolina; four and one-half million are not on any church roll. The need for people to be

told about and introduced to God is great. There are 192 different language groups in NC and there is tremendous need for bible studies within the different cultures. Churches need to provide lost people the opportunity to come to know Jesus Christ.

Mr. Trey Billings accompanied by his voice and music teacher Mrs. Louise Hanville presented special music in the form of two outstanding solos.

Dr. Jerry White pastor of Millers Creek Baptist Church delivered the annual sermon. Dr. White asked what makes a healthy church and stated that every church is unique. Reading from Acts, Chapter 2, verse 41 and also from Revelations, Chapter 4, verse 11, pointed out that worship should not be the way "we" want it, but the way that 'God' wants it. Everyone has his or her preferences but worship is what God wants. The people in churches should uphold one another, rallying around the whole church family. Dr. White iterated that we need to get back to teaching the doctrine and understand that we are a part of something bigger than we are. We should remember that, "Sow in tears, reap in joy" and that real freedom comes from the cross of Calvary.

**Miscellaneous Business:**

Mr. Allen Malchuck, President of Counseling; SureCord Christian Ministries spoke regarding the services offered by SureCord and the Reach for the Cord of Hope.

Dr. Charles Whipple, President/CEO of Foothills Christian Bible College spoke regarding the progress and development of the college and announced that by the fall of 2009 the college will be fully accredited. Horton recognized and thanked Mrs. Renee Ellis for her photography throughout the year in taking various pictures/slides regarding the Association, depicting various functions and activities including the new Associational office from ground breaking to completion. In September 2007, the Associational WMU held a training event for all age level leaders hosted by Fishing Creek Baptist Church. Various WMU groups provided hygiene gifts to the Fair workers; the rest area/picnic area was a great success again at this years Apple Festival; it is hopeful that approximately 900 treat bags can be assembled for distribution as a prison ministry; an international mission study will be held at Greater Vision Baptist Church with Dr. Victor Lyons teaching.

Heading up the Great Commission Team, Mrs. Dolores Greer reported on the success again this year at the Apple Festival of the distribution of water with a special label citing the Bible verse from John, Chapter 4, verses 13, 14. Last year there were 900 bottles of water given out and this year there were 2068 bottles and were all distributed by 1:00 o'clock p.m. Breakfast and lunch and was provided to the Agricultural Fair workers and most important, devotion was shared with the workers. Moore had made such a lasting impression as he always got down on his knees to speak with people and pray with them.

Bringing a powerful and dynamic message, Dr. Speas stated that it is the churches responsibility to deliver the word; remembering that God is still on his throne. Dr. Speas remarked that moral society today is in free fall and reading from Mark, Chapter 3, verses 1 through 6, we need to recall these verses and remember three points; the attitude of man, the Pharisees and, ceasing of the moment. We need to use Him as one voice to stir the hearts of the people. People need to bring their needs before God. In conclusion, Dr. Speas offered an invitation to come to the alter for prayer or any needs as Ms. Brenda Kilby played the hymn, *"Just as I Am"*.

Rev. Lyn Lambert concluded the evening session by asking everyone to bow their heads in a moment of silence to honor those souls who went to meet their Lord and Savior during the past year. ## ASSOCIATIONAL MISSIONARY REPORT

Constructing an office building is not the highlight of the year for me. Though the building is nice and roomy, it has not been my major interest. Before I tell you about the highlights, I would like to say that I have been pleased with the construction and the overall cost of the facility. According to my best recollection, the approximate cost was $425,000. The construction of the building alone (excluding the paving, sidewalks, and excavation work) was approximately $60 per square foot. With the money on hand, the amount borrowed was $175,000. Included in the amount borrowed is $10,000 to do some renovating of the ***h.o.p.e.*** Ministry building. My personal goal is to pay off our debt ASAP, or no later than the end of 2008.

Will it happen? I do not know, but the office space and the debt elimination can be achieved, not with money falling from the sky or being plucked from trees in the backyards, but through His people who will see that the goal is achieved.

Several have made monthly commitments, and some have made one time gifts. The gifts given to this project are an eternal investment. Church leaders and potential leaders can be offered opportunities to grow spiritually and develop their God-given abilities. This can make a difference in the quality of leadership that the churches have which, in turn, will aid in reaching lost people and developing new converts. The office building is temporary and may last for 40 or more years, but it will not compare with God's eternal plan for mankind. What we do as an association of churches will reach and help develop people to eternally reside in the Kingdom of Heaven to worship and praise our Lord, rather than in Hell, screaming for mercy from the unresponsive God.

It was a great experience for me to work with Charles Billings as he worked diligently, making sure we have a quality building. Hundreds of hours were spent seeking bids for various phases of the construction. God often blessed in ways that were not expected which brought joy to Charles and me. Public recognition will be given to Charles at a later date.

The greatest highlights of the year were hearing and experiencing people being saved with the many methods that were used. I saw with my little eyes people trusting in Christ through the ***h.o.p.e.*** Ministry, Toy Store, Hispanic Ministry, and special church events that were done. Again, these are eternal. There is no amount of money spent or given that will be as great as knowing another person will spend eternity with Jesus. ***To God be the Glory!***

I also experienced renewal among Pastors and some churches which were able, under the leadership of the Holy Spirit, to remain in harmony although the end result did not please everyone.

Recently, I was asked if there was one or maybe a number of things that have been very rewarding in my life and ministry. Immediately my response was, "Being in fellowship with God who saved me, thought me worthy enough to call me to the highest calling of service one could have…a minister." Every situation has been a blessing and my service here in the Brushy Mountain Baptist Association equally stands among them.

As we look forward to the time God will give you and me, let us follow in the steps of the Savior until we reach that Heavenly home.

## BIBLE DRILL REPORT

This year thirty children participated in their church Bible Drills and qualified to participate in the Associational Bible Drill held at Wilkesboro Baptist Church on March 30, 2008. These participants were from Lewis Fork, Oakwoods and Wilkesboro Baptist churches. They all did an outstanding job and all participating churches had state winners.

Bible Drill is a program designed to encourage children (grades 4-6), youth (grades 7-9) and high school students (grades 10-12) to study God's Word and develop skills in effectively using the Bible. Participants learn the books of the Bible, memorize selected verses with references and learn to locate key passages. This association also offers an abbreviated drill for younger children, which encourages participation in Bible Drill from those who are Pre-K through grade 3. In addition to the Bible drills, there is also a speaker's tournament (grades 10-12) which requires older youth to think seriously about what they believe and why, and then to verbalize their thoughts clearly and communicate them to a listening audience.

New for the 2009 participants is the North Carolina Youth Bible Drill/Youth Speaker's Tournament Scholarship. The three Bible Drill state final winners in the youth, high school and speaker's tournament will be given a $2,500.00, to be used at the college of the participant's choice.

We would like to encourage all churches who are not currently participating to prayerfully consider providing this program for your children and youth. Please remember the 2009 participants and leaders in prayer.

# Biblical Recorder Helps You Embrace Change

If it is not apparent to you yet, it soon will be: change is not linear, but exponential. Change comes at you not in a straight, predictable line, but in a blistering curve upward and accelerating. Changes you anticipated in five-years jump on you overnight.
Knowledge is your only preparation to engage change without getting bowled over and the Biblical Recorder arms you with the knowledge you need to know, now.

That theme, "Know Now" is behind our July update of the www.biblicalrecorder.org website. You will find in the *Recorder* rich resources in news, features, inspiration, Sunday school lessons, interpretive insights about issues, ideas about what others are doing and where to find ideas for your own—all things you need to handle accelerating change in your church and spiritual life.

The *Biblical Recorder* is not the final word in the undulating mix of ideas among North Carolina Baptists. Instead, the *Recorder* is a forum in which to share and learn what others are doing in missions, church, evangelism, physical and spiritual health, personal finances, ministry and theological topics. You will be able to contact the staff writer of any story and make comments on any story simply by clicking on the appropriate boxes at the end of each.

We will have a photo album online and we want to publish photos of your mission trips and special events. Send us 8-12 photos with identification of the event and we'll put them up for the world to see. Your Kingdom efforts, whether next door or in another nation, deserve a wide audience to help readers of the Recorder be inspired, informed and immediate.

Those of you so inclined can start your own blog, hosted at the *Recorder* site, where you will have some built in audience and traffic.

The online *Recorder* is updated daily and usually, several times daily. So come back often and stay in touch with the part of the Kingdom we call North Carolina Baptists.

The archives from 11 years of online news have been transferred to this site and are searchable by key words. So the *Recorder* is by far your best tool to find information about NC Baptist life.

The print version of the *Biblical Recorder* carries the most current and vital versions of the daily updates with colorful photos and staff change information. There will always be something in the print version that is not online and an individual subscription is just $15 annually. Churches may subscribe in various group plans to save even more money.

The *Recorder* is a great place to advertise your church staff searches, and to peruse while you look for the right person to join your own staff.

The *Recorder* was founded in 1833. It was privately owned and operated for most of its history, then in 1939 became a convention agency. As it has from its founding, the *Recorder* serves as the official news publication of the BSC, and serves the full spectrum of its churches.

As a BSCNC agency, the *Biblical Recorder* receives annual support from Cooperative Program Missions Giving contributions from churches, making it possible to offer the *Recorder* at subscription rates below the actual cost of production. You can receive a free three-month subscription for yourself and your friends. Contact:

## BROTHERHOOD REPORT

One of the major focus areas of the Brushy Mountain Baptist Association Brotherhood in 2008 was 'Operation Inasmuch'. Nearly half of our Association churches fanned out across many sections of Wilkes on Saturday, April 19th on a one-day Mission Blitz. Some of the projects were so large that it took more than just that day. And others worked on either side of that date for scheduling and materials purposes. Still, a lot of lives were impacted and shown 'the Glory of the Lord' by the work completed. Of course, the typical handyman projects of decks and railings and home repairs were made. But some of our number ran "wide-open" with the idea. Major restorations and improvements at a boys home in Ronda; a 'block party' at Hickory Street Apartments; landscaping at the Wilkes Pregnancy Care Center; letter-writing campaigns and visits -- and many included others within their churches, like the WMU and Sunday School classes. Many thanks too to Daniel Tilley, founder of the local "Acts of Kindness" campaign...who acted as our Wilkes County coordinator...recruiting groups both from inside and outside our own Association, and making reports to the Baptist Men's Association in Raleigh.

Another significant Brotherhood contribution was spread over several Saturday's this summer in the final completion days of our new BMBA offices on Highway 268 west. Volunteer tractor work, leveling, drainage, rock raking, and preparations for the laying of sod, grass planting, and landscaping helped lower costs for this project. The very dedicated Charles Billings did a tremendous job and service to this Association.

There now is opportunity for any willing Brotherhood group to help improve conditions at ***h.o.p.e.*** Ministries...still located at the site of our old Association offices on Highway 268 east. Again, this help is more in line with typical Brotherhood projects like painting, handyman repairs, and putting down some sort of appropriate floor treatments -- tile, linoleum, and/or carpet. 'The Toy Store' and 'Operation Woodshed' are always good projects for us to support.

As to RA's and our young people (future Brotherhood leaders) -- please welcome Brian, and wife Jamie, Higginbotham from Wilkesboro Baptist Church. Brian and Jamie are now quickly making plans for RA activities that you'll be hearing about soon.

If I may be of any help to you in any way, please feel free to contact me by phone at home (336)667-6796...or e-mail, Marshall@pcshome.net.

Respectfully submitted,
Marshall Long
Associational Brotherhood Director

## BUILDING COMMITTEE REPORT

The Building Committee members and Staff of the Association are thanking God and praising Him for what He has done. After at least seven years of praying, asking God for His guidance, meeting and asking churches for their support, the new Brushy Mountain Baptist Association office is a reality. The associational staff moved into the new office in July 2008. Open House was held on Sunday, August 24, 2008 with church members and visitors making it a glorious occasion. Thanks to the churches who have supported and will continue to support this worthy tribute to God and His work. We also want to thank all those who have made contributions, worked, prayed and helped in any way. To God be the glory!

Respectfully submitted,
Lois Woodie, Chairman

## COMMITTEE ON COMMITTEES REPORT

The work of the Committee on Committees that is appointed annual by the Moderator is not complete. This team desires to continue their work, if approved by this body, until the April meeting of 2009, or beyond if necessary to hopefully help prepare our association to move in a greater effort in advancing the Kingdom of God.

Respectfully submitted,
The Committee on Committees

## GREAT COMMISSION TEAM REPORT

Greetings from the Great Commission Team. The Team, once again, would like to say a HUGE "THANK YOU" to all you participated in our endeavors this past year. Again, the Lord has blessed us tremendously and we pray that those we have ministered to have been equally blessed.

Last year at the Apple Festival booth, we tried some new things and wow, were we thrilled with the results. Instead of face painting, we had tattoos with biblical themes and the kids loved them. Another favorite of the children was character and animal balloons. These were done for us by the youth at Millers Creek Christian School. We had a special treat for the children. CLOWNS! We would like to thank the Millers Creek Christian School youth and our clowns who were Elainna and Peyton Day. This year we will again have Bible tracts in both English and Spanish to offer everyone who visits our booth and a diaper changing station for mothers and their babies. In the past we have always had free cups of cold water for anyone who wanted it. Last year we changed to cold bottles of water with a label proclaiming a Biblical message. Over 700 bottles of water were given away in less than 2 hours. Our goal this year is 2000 bottles of water.

As always, October is a time of fun and excitement in our county as everyone anticipates the coming of the annual Agriculture Fair at the North Wilkesboro Rotary Park. This is a project the Great Commission Team looks forward to also. Last year we started the week off by serving lunch and providing health kits to 35 employees of the Fair company. Several churches in our Association served breakfast to the workers Tuesday through Friday mornings and conducted a time of devotions for them. The owner of the Fair has inquired as to whether or not we will be doing this again. The workers enjoy the meal and it gets them off to a good start for the day. He has stated that this is the best thing anyone does for them and they truly appreciate it. The GCT would like to thank the churches who prepared and served these meals last year. If you touch one soul with the love of our Savior; it is worth all the effort. Plans are underway to do the same again this year.

In April of this year, the GCT hosted a Cross-cultural training seminar at Lewis Fork Baptist Church. The meeting was lead by Terry Sparks from the International Mission Board. The people in attendance were treated to an African meal and were given information and guidance on how to connect with other cultures.

The GCT is hard at work on another new endeavor that we are very excited about. Do you like a challenge? It's BIG, it's NEW and it's coming to you! Mark your calendars for March 27th through 29th, 2009. It's the Acts 1:8 Challenge coming to a church near you. Hopefully your own church. You will be hearing much more about this in the near future, but mark those dates now.

Again, on behalf of the GCT, I would like to thank all those who have supported our efforts and those who have remembered us in your prayers. We covet your prayers as we Continue to serve our LORD in this place. If you should know of a need that this team could minister to; you can contact us through the Association office.

Respectfully submitted,
Dolores Greer

## PERSONNEL COMMITTEE REPORT

During late spring and early summer of this past year the Personnel Committee completed the task of revising the Nondiscrimination and Equal Employment Opportunity policy of the Employee Handbook. In August, we completed the process of selecting a replacement for Diane Shaw, who moved out of our community.

The Personnel Committee expresses an appreciation of the professional work of our fine Association staff. A special expression of gratitude is given to Diane and the outstanding manner in which she performed her responsibilities for the Association.

## PROGRAM PLANNING AND WORSHIP COMMITTEE REPORT

The Program Planning and Worship Committee are honored to serve our Association as we meet to plan our quarterly and annual meetings. We as a Committee plan our meetings with our messengers and pastors in mind. Our goal is not only to provide a worth-while meeting filled with information to be taken back to our churches, but also a time of inspiration and fellowship with our sister churches. As always, we welcome your input and suggestions on various ways we may improve our quarterly and annual meetings.

We are grateful for the cooperation and the participation from the following churches for hosting our meetings in 2008.

Celebration Baptist Church.....January 14, 2008
Pleasant Home Baptist Church.....April 14, 2008
New Hope Baptist Church.....July 14, 2008
Mount Pleasant Baptist Church.....October 13, 2008

The following churches have agreed to host our quarterly meetings in 2009.

Edgewood Baptist Church.....January 12, 2009
Oakwoods Baptist Church.....April 6, 2009
Beaver Creek Baptist Church.....July 13, 2009

Our next Annual Meeting will be at Lewis Fork Baptist Church, on October 12, 2009. Rev. Joey Moore will deliver the annual message. Rev. Byron Greene is the alternate speaker.

God is good,
Mr. Sherrill Lowe, Chairman

# Report for 2008 Book of Reports

Office of the GuideStone Team of the Baptist State Convention of NC, Inc.

The GuideStone Team of the Baptist State Convention of North Carolina exists to educate and inform key lay leaders who are the decision makers in our churches, and to facilitate the delivery of important products and services to the employees of the more than 4,000 churches affiliated with our state convention. Specifically, we use a variety of delivery methods to enhance the procurement of the following for church employees: **Insurance Products** (Life, Accidental Death & Dismemberment, Medical, Disability, Dental, and Long Term Care), **Retirement Products** (Church Retirement Plan, Traditional and Roth IRAs, Personal Investments, etc.), **Compensation Planning for Church Employees**, **Tax Issues**, etc. In addition, we work closely with GuideStone Financial Resources in Dallas to provide financial assistance to those elderly ministers and widows of ministers who live under financial duress and need ongoing and/or one time assistance through the **Mission:Dignity Ministry** which is the new term for the very successful Adopt an Annuitant Ministry.

To personalize the importance of our work, please consider the following vignettes. First, consider Pastor A, who had emergency heart bypass surgery this year with no medical insurance. The overwhelming cost of this surgery has placed a tremendous financial burden on him and his family. Furthermore, this pastor was not an active participant in the church retirement plan until recently. With the state convention protection benefits that come with monthly contributions to the retirement plan this pastor, as a retirement participant, now has a survivor and disability benefit in place for himself and his family in case of a debilitating illness, accident or death. Since no underwriting is required to prove evidence of good health, this pastor, his family, and the church he is serving is now protected from another catastrophic event resulting in disability and/or death. In 2007 working with GuideStone we paid the following disability and survivor protection benefits to North Carolina church employees and/or their families: 111 Disability Benefits Totaling $606,708.68 and 39 Survivor Benefits Totaling $391,254.53. This is a powerful example of **CARING** by our state convention by providing these much needed financial resources for those in need.

Secondly, please note that all church planters who receive financial assistance from the Baptist State Convention of North Carolina are now required to be an active participant in the Church Retirement Plan. With this change in policy we have the assurance of protection for all of our church planters, their families, and the churches they are starting in case something happens to them. By **DARING** to move in this direction our state convention has provided a safety net for those who have stepped out in faith to begin much needed new churches in our state.

Thirdly, consider Pastor C, who has now retired because of poor health. During this past year we qualified him to begin receiving monthly financial assistance from GuideStone through the Mission:Dignity Ministry to supplement his paltry monthly income. In fact, his wife shared with me recently that they would be in deep financial trouble without that monthly financial assistance from GuideStone. As of June 30, 2008, we have 206 persons from North Carolina who are receiving financial assistance through Mission:Dignity. **SHARING** in this way fulfills the mandate of scripture to provide for those in need. Please assist us in identifying other persons who might qualify for this assistance.

Finally, we wish to serve all of our churches and their employees with the appropriate information and products to meet their needs. For more information call the Baptist State Convention of NC at 1.800.395.5102 extensions 5594 or 5595, visit our Web site at www.ncbaptist.org, call GuideStone at 1.888.984.8433, or visit the GuideStone Web site at www.GuideStone.org.

## MODERATOR'S REPORT

*Acts 1:8 "But ye shall receive power, after that the Holy Ghost is come upon you: and ye shall be witnesses unto me both in Jerusalem, and in all Judaea, and in Samaria, and unto the uttermost part of the earth."*

As I write these words today, two men are seeking what many consider to be the most powerful human position on the face of the earth: *President of the United States of America.* All through recorded history people have aspired to positions of power and authority. But as we well know, human power is a fleeting thing. A person may be in a position of power today, but out on the streets tomorrow!

But in the Word of God we find another type of power; the power of the Holy Spirit. Are we as members of the family of God being led of and under the guidance of the Holy Spirit today? How can we know? Galatians 5:22-23 tells us that *"the fruit of the Spirit is love, joy, peace, longsuffering, gentleness, goodness, faith, meekness, temperance: against such there is no law."* Are these *"fruits"* on display in the churches of our Association and in the lives of each individual member? The world is desperately seeking a place where these *"fruits of the Spirit"* are lived out on a consistent basis. This is the only type of power that will attract a world which has grown very disillusioned with human power and authority.

With this in mind, this coming spring many churches in our Association will be taking part in what is being called the ***"Acts 1:8 Challenge."*** What is the Acts 1:8 Challenge? The Acts 1:8 Challenge is an opportunity for Southern Baptist churches to declare their commitment to a comprehensive missions strategy in their community (Jerusalem), state (Judea), continent (Samaria) and world (ends of the earth). In doing so, a church invites its denominational Acts 1:8 partners – their association, state convention, the North American Mission Board, and the International Mission Board – to assist them. This event will not be successful if we attempt things through the power of the flesh; it will only be successful through the power and the moving of the Holy Spirit!

In closing, I would like to thank everyone for your willingness to work and labor together, first, for the Kingdom of God; and secondly, for the welfare of the Churches of the Brushy Mountain Baptist Association. Special thanks are in order to our Associational Missionary, Rev. Lawson Horton, and Mrs. Diane Shaw (whom we are going to miss!) for their very capable leadership and service to the Churches and members of our Association. It has been an honor to serve each of you these last two years as your moderator. May we continue to follow in the footsteps of our Lord and Savior, Jesus Christ, who is worthy of all glory, honor and praise!

Respectfully submitted,
Pastor Lyn Lambert, Moderator

## WILKES MINISTRY OF *h.o.p.e.*

It has been a very good year at the ***h.o.p.e.*** Center. We have been very busy and blessed by your support so many ways. Every time we were in need, you gave. Just looking back at the past year…when I asked for peanut butter because we were not able to get it free from the USDA, you stepped up and gave - and gave lots of it. When we gave out almost all the wood, you brought wood and stacked it too. The Toy Store was the best Toy Store yet! And, when we needed volunteers, you gave of your time in so many ways. I have called on many of you for additional needs and you answered the call. Your love for Christ and others shows in your giving. Thank you for your support…we cannot help so many without it!

We helped 3,613 families and there were a total of 10,654 people in these in families. We gave out 183,940 lbs of food. We helped 53 families with firewood. God, through you, provided $33,429.42 of financial assistance for power bills, water bills, heating oil, rent, gas, emergency housing, and other needs.

With your help, we provided Christmas presents for over 400 children. A new ministry called ***Lifestyle Discipleship*** was started this past year. This ministry is designed to help others make better and godly decisions. If you would like to become a mentor to someone, give me a call.

Most importantly, the most exciting thing we did together this past year was that each person helped was shown the love of our Lord and Savior, Jesus Christ!

Thank you,
John Triplett, CCM Director

## WOMAN'S MISSIONARY UNION REPORT

WMU Watchword:
"Love the Lord your God with all you heart, soul and mind. This is the first and greatest Commandment. And the second is like it: Love your Neighbor as yourself." Matt. 22:37-39 NIV.

As we begin this year's WMU emphasis of "Called to Love", we would like to take this opportunity to reflect on the mission work recently completed by the Women on Mission of the Brushy Mountain Baptist Association.

In September, 2007, the associational WMU held a training event for all age level leaders hosted by Fishing Creek Baptist Church. This was a very successful and well attended session with over 50 participants present. We started a new ministry in October with our first annual rest area/picnic shelter at the Brushy Mtn. Apple Festival. Over 400 people passed through this rest area, where they received tracts, information on various churches in the association and a warm greeting by the women who volunteered their time at this ministry. In November, 2007 the association conducted an International Mission Study taught by Dolores Greer and hosted by Moravian Falls Baptist Church. With the help of the churches in the association, we provided over 400 candy treat bags given to women in the NC Correctional Prison through the Christmas Red Box Ministry. Many of you also helped us provide meals to the workers of the Fair. Many of our churches also participated in Operation Christmas Child during December, 2007. In February, churches observed "Focus on WMU" in various ways. Some churches used this time to have special services where the different age level groups shared all that God had done through their meetings and ministry events. As you can see, the Woman's Missionary Union continues to be on mission to spread the good news of Jesus Christ.

Respectfully submitted,

## THE MOTHER'S DAY OFFERING: SHARING CHRIST'S LOVE WITH PATIENTS IN NEED

Thanks to the generous compassion of North Carolina Baptists, the Mother's Day Offering received **$727,884 in 2007**, a new record! Every dollar helps patients in financial need pay hospital bills for care received at Baptist, in the name of Jesus Christ and his love. These patients have no other means of assistance, having too much to qualify for government assistance but not enough to pay their hospital bills. They feel the hand of God lifting their burdens through you, and their gratitude is life-changing.

*"Thank you, North Carolina Baptists, for paying my hospital bill at Baptist Hospital. I had just lost my job after working 30 years and didn't know what I would do. God answered my prayers through you. I know he guided you to help me and I praise him for you."*

*"My wife and I are thankful beyond words for this gift! Our world changed after the accident. We were so worried about her hospital bill. The kindness of good Baptist people lifted our burden and helped her healing process. They strengthened our faith in God's care."*

## THE MINISTER'S SUBSIDY

The minister's subsidy covers up to 25% of the hospital bills of ministers (and their dependents) serving N.C. Baptist churches for care received at Baptist Hospital. $85,151 was provided in 2007 to these ministers, made possible by the Hospital's W.K. McGee Patient Service Fund and the Mother's Day Offering.

## CLOSING WORDS FROM THE PRESIDENT

At Baptist Hospital, our mission of healing is a sacred privilege and responsibility. We bring the best care possible to those who entrust their lives to us, combining medical excellence and simple compassion for those we serve. We see God's healing power at work every day, and we are thankful. We are grateful to North Carolina Baptists for being our partners in the mission that God has given us.

# THE NORTH CAROLINA BAPTIST FOUNDATION, INC.
## 2007 ANNUAL REPORT

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in increasing an awareness among North Carolina Baptists of Christian estate stewardship principles as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, Will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

Accomplishing this mission does indeed involve Caring, Sharing, and Daring. The Caring of the Foundation manifested itself in 2007 as individuals were assisted in establishing 35 endowment funds and 8 charitable remainder trusts totaling $1.8 million and received $4.8 million in contributions to existing endowments, all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for churches and associations during the year to promote Make Your Will Month, Christian estate stewardship and church fund management. Approximately $445,000 from churches and institutions came under management to enhance numerous ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes. Overall, the Foundation received just over $7 million in contributions during 2007 for Christian causes.

And, how is this for sharing? During 2007, our distributions totaled $13.9 million, with charity receiving $11.6 million and individuals, through trusts, receiving $2.3 million. During the 86-year history of The North Carolina Baptist Foundation, Inc., $33.9 million has been distributed to individuals and $70.8 million to Baptist churches, institutions and mission causes for a grand historical total of $104.7 million.

The Daring is seen in our investing Kingdom money in such a way as to grow the assets while at the same time protecting the principal. To this end, the Foundation employs professional money managers to invest these funds according to an investment policy adopted by its Board. Four investment pools are offered: a growth fund, a balanced fund, an income fund and a fixed income fund. The Foundation uses the services of Citi Institutional Consulting, a division of Citigroup Global Markets, to help select top money managers and evaluate performance. As of December 31, 2007, the Foundation held $156.9 million under management.

**BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA**
(July 2007-July 2008)

***Kasey . . .*** The life Kasey lived was a sharp contrast from the life she was actually living at school where she was popular and a cheerleader. An abusive stepfather, a distant mother, and the responsibility of caring for her two younger brothers were too much for the young teen. Kasey moved in with her grandmother believing it would help. Instead, as she grew older, she acted out and made dangerous choices that put her at risk.

Kasey's grandmother knew about Baptist Children's Homes and made a call. The teenager now lives at BCH's Oak Ranch near Broadway, becoming the first girl ever admitted into the residential facility that had before only served boys. Today, she is one of seven girls in care.

Kasey likes living at the 755-acre ranch. She loves taking care of the horses. She is taking responsibility for her actions. Kasey is involved in theatre at the Harnett County school she attends. Recently, she played a fish in "Seussical the Musical," and she is a member of the school's photography club. Her favorite subject is English.

Kasey reads her Bible and says she prays a lot. "I am a Christian. I have given my heart to the Lord. I tell Him everything."

Kasey is only one of nearly 1,500 children who find hope and care each year at Baptist Children's Homes. Each one has a story. Each one is given an opportunity in the name of Jesus. Thank you, North Carolina Baptists, for remembering "the least of these."

***President Blackwell Marks 25th Year . . .*** BCH president Michael C. Blackwell observed his 25th year overseeing the statewide child care Institution on July 1. Blackwell has led BCH to become family-focused and child-centered while never losing sight of the ministry's core Christian values. His accomplishments are too numerous to list here, but the reader is referred to the July 2008 Commemorative issue of ***Charity&Children*** for a complete summary. Complimentary copies are available by calling 1-800-476-3669, ext. 1211. Under Blackwell's leadership, BCH now operates facilities in 16 North Carolina cities.

***New Transitional Service . . .*** BCH introduced a new residential service to specifically aid older children as they prepare for life as independent adults. Transitional living provides care, counseling, and life-skills education to older children in a less restricted residential setting. The service was created in response to the growing need in North Carolina to help transition children from residential care to productive and self-sufficient adult lives. In

January, Noel Home in Lenoir became BCH's first transitional living cottage followed by Huffman Cottage at Mills Home in Thomasville.

***Developmental Disabilities Ministry in Sanford . . .*** On May 18, 2008, more than 300 supporters and BCH staff members gathered for the dedication ceremony of two new Developmental Disabilities Ministry (DDM) homes for developmentally disabled adults in Sanford. The Lanier Home and Mercer Home will provide residence for six special needs adult women and men respectively.

***Food Roundup Reaches New High . . .*** The annual "Food Roundup" in April exceeded its goal, setting a new mark in the amounts of food, supplies, and gift cards given to BCH. North Carolina Baptists across the state, with the coordination of church leaders and association directors of missions, came together to deliver more than $300,000 in donated items. Another high was set in the month of May when almost 3,000 volunteers and guests visited BCH facilities for work days and special events.

***Mills Home Church Renovation . . .*** Renovation of the Mills Home Baptist Church in Thomasville was completed with the help of North Carolina Baptist volunteers and a generous estate gift. Church groups renovated the fellowship hall installing new carpet, recess lighting, and expanding and refurbishing the kitchen. Upstairs rooms were painted and new carpet and lighting were added.

***BCH Reaccredited . . .*** BCH has been reaccredited by the Council on Accreditation of Services for Family and Children (COA). Accreditation through COA means BCH meets the highest national standards and is delivering the best in quality services. BCH received its first accreditation in 1987. The institution has been accredited ever since.

***Five Star Rating . . .*** Three BCH centers received five star ratings, the highest possible rating, from the North Carolina Division of Child Development. The on-site daycare at Care House in Lenoir, a group home providing care and education for single teenage mothers and their babies, received its license in May 2007. The Fleshman-Pratt Education Center for infants to three year olds and Robert Idol Child Development Center for three to five year olds received five star ratings last summer. Both centers are a part of BCH's Weekday Education program in Thomasville.

***Truett Home . . .*** A special open house on February 3, 2008 celebrated the opening of the Truett Baptist Association Children's Home in Hayesville. The home represents one of the most unique relationships in North Carolina Baptist life as BCH provides residential child care services at the facility and Truett Association provides funding and leases the property. Truett Association and BCH have partnered to provide help to children and families living in Cherokee, Clay and Graham Counties.

***Girls Wilderness Camp . . .*** On May 20, 2008, President Blackwell made the long-awaited announcement of the establishment of a wilderness camping program for girls. With a major lead gift from the Haskell and Gay Duncan Foundation, BCH has begun fundraising efforts to build Phase One of the camp, which is located near Aberdeen in Moore County.

# *2008 Annual Report*
# *Baptist Retirement Homes of North Carolina*
# *to the Baptist Churches*

*"Lord... you have made my lot secure. The boundary lines have fallen for me in pleasant places: surely I have a delightful inheritance." Psalm 16:5-6*

## Thank you, North Carolina Baptists!

Because of your generosity in 2007-2008, Baptist Retirement Homes will be able to provide more than $2,000,000 in funding for benevolent care.

## Their lot has been made secure.

Forty percent of our residents are financially unable to pay the cost of the care they are receiving. Month after month, year after year, many of our Assisted Living and Nursing Care residents receive financial assistance from you. Furthermore, our promise to each of our residents is that care will last for as long as they live. The financial support of North Carolina Baptists helps Baptist Retirement Homes to keep this promise.

## Their boundary lines have fallen in pleasant places.

At the Western North Carolina Baptist Home in Asheville ... at the Brookridge Retirement Community in Winston-Salem ... at The Taylor House in Albemarle ... and at the Gardens of Taylor Glen in Concord, beauty, security, comfort, and compassionate care are found in full measure.

## They have a delightful inheritance.

At each of the Homes, the ministry of a Baptist chaplain lifts the hearts of our residents. The enrichment and recreational activities at each Home make for an enjoyable lifestyle. Day after day the high quality of care that is given speaks of a loving Heavenly Father, helping to make life for our Aging Saints... *The Best of Times!*

Vote to make formal application for

membership in the Brushy Mountain Baptist Association. We have been introduced and have knowledge of the Baptist Faith and Message statement and do accept its teachings in belief and practice. We pledge to contribute financially to the Cooperative Program of the Southern Baptist Convention which supports the work of Baptists in the state, nation, and overseas, to give evidence of our missionary zeal. We further pledge to adhere to the Articles of Incorporation and By-laws of the Association and fully understand that we must comply with the guidelines for membership set forth in Article IV of the By-laws.

We commit to be a duly-constituted and organized Southern Baptist Church, and will maintain this status at all times, or will voluntarily withdraw from the Association.

We understand that upon submitting this application, accompanied with a Southern Baptist Convention Annual Church Profile, to the Association and its Membership Committee, and an investigation is completed and found favorable, the committee may recommend at any regular quarterly meeting that the church applying for membership be granted associate membership for one full year. The association may, then by majority vote, receive them as associate members. During that year, the associate member church must submit monthly written reports on forms provided by the associational office, and shall have the right to send non-voting messengers to the associational meetings.

We also understand that when the year has expired, the membership committee will further review the status of the church making application, and, if found favorable, will then recommend to the association in a regular quarterly meeting full membership of the church into the association. the association may vote to grant full membership, to extend the associate member status for another year for further review, or deny the application and terminate the associate member status. If the association then votes to receive the church, having the same rights and privileges as the other member churches, the moderator shall extend the hand of fellowship to its messengers.
